## VICTORIAN AMATEUR LACROSSE ASSOCIATION

Gentlemen,

Your Committee presents for your consideration and approval the 79th Annual Report, Statement of Income and Expenditure and Balance Sheet for Season 1957.

The season opened on 27th April with 20 teams competing in the three Open-Age sections, and 16 teams in the Junior sections. Results of these competitions together with those of the mid-week competitions conducted in the High and Technical Schools, are set out in the Honorary Record Secretary's report.

### ASSOCIATION MANAGEMENT.

Management of Association affairs was carried out by the Executive Committee as in the previous season. The Executive Committee's decisions and recommendations have met with the general approval of members, and it is considered that this procedure has enabled the Association to carry on its functions in a prompt and effective manner.

At the same time, it is felt that the Committee could be further improved by a wider representation from the Clubs, all of whom will have the opportunity this evening to nominate a member or members to take part in the administration of the V.A.L.A.

### BEST AND FAIREST PLAYER.

The honour of Best and Fairest Player for Season 1957 was won by Roy Dickson, Surrey Park goal-keeper, who polled 31 points to take possession of the Vince Healey Memorial Cup.

Roy Reddaway (Malvern - 23 pts.), and Don See (M.H.S.O.B. - 14 pts.), filled second and third places, and the season's voting was spread over a total of 61 players.

The contest was exceptionally interesting, as only two points separated winner and runner-up at the end of the second round, and the result was in doubt up to the last match but one of the season.

The Association President, Mr. Robert Coldstream, presented the Cup at the Surrey Park social evening on 31st October.

### THE "P.J. BRADY" TROPHY.

Voting for this trophy covers the States of Victoria, South Australia and West Australia, and is under the control of the Australian Lacrosse Council. Your Association is indeed proud that this award has come to Victoria, the recipient being Roy Dickson.

We offer our heartiest congratulations to Roy, who, in winning both the Australian and Victorian awards in one season has earned a distinction unlikely to be equalled for many years.

### COMMITTEE MEETINGS.

During the year the General Committee met on four occasions, and the Executive Committee on thirteen occasions.

Attendances at Executive Committee meetings were as follows:-

P. H. Shappere (Chairman)	13	J. L. Knight (resigned 2.3.57.)	1
J. M. Dobbie	9	A. L. Evans (from 15.4.57.)	4
N. R. Jeffrey	8	H. Volk	9
E. B. Selth	11	Hon. Treasurer	11
G. F. Tillotson	9	Hon. Assist. Sec.	13
		Hon. Secretary	12

A number of these meetings were held in private homes, and the Executive Committee desires to record its appreciation of the hospitality extended to them on these occasions.

#### COACHING.

Under the direction of Mr. Alf Evans, a weekly coaching clinic for all sections commenced at Caulfield Park on 26th May and continued until the interstate matches. In addition to Mr. Evans, the clinic was attended by the Junior Coach, Mr. F.J. Graf, State Selectors, and the Managers of the Victorian teams. The thanks of all players is due to these gentlemen for the time and energy they gave to this effort to improve the standard of the game in Victoria.

#### GYMKHANA.

The Annual Gymkhana was held at the Malvern Cricket Ground on Monday, 17th June (Queen's Birthday) when six-a-side competitions in all sections were held from 12.30.p.m. to 4.30.p.m. Results are set out in the Hon. Record Secretary's report, and our congratulations are conveyed to the successful teams.

The officials in charge of the Gymkhana are to be complimented on the smooth running of the afternoon's events and to them and to our other enthusiasts who gave their time to ensure the success of this important fixture we offer our sincere thanks.

#### INTERSTATE VISIT - SENIOR.

South Australia visited Melbourne late in July for the annual contest against Victoria for the Bob Symonds Cup.

The game was played at the Albert Ground, in ideal weather and with a very satisfactory attendance.

A few days before the match the Victorian team suffered a severe set-back when several of its members went down with influenza, and the resulting uncertainty and lack of top physical condition were reflected in the general standard of play.

The superior team-work and fitness of the South Australians soon made itself felt, and they ran out comfortable winners by 16 goals to 8 goals.

Victoria was represented by the following:-

J. Heathcote (Capt. - M.H.S.O.B.), D. Lee (V/C - M.H.S.O.B.), N. Jeffrey, R. Sloggett, M. Addison, T. Campbell, F. Beauchamp, R. Reddaway (Malvern), M. Kindermann, G. Trainor, D. Trainor, A. Woodbridge (Caulfield), G. Reid, D. Stapleton (Coburg), I. Jewett (Williamstown).

Mr. E. B. Selth was Team Manager, and Mr. A. L. Evans was Coach.

We congratulate South Australia on their success, and thank the Manager, Coach and members of the Victorian team for their efforts in the interests of lacrosse, and Mr. Hugh Wood who acted as Liaison Officer for the South Australians.

From the social and attendance aspects, the day was one of the most successful for some years. Much of this success was due to the generous gesture of our President in providing afternoon tea and issuing invitations to many prominent ex-lacrosse players and officers of kindred sporting bodies.

To Bob, to the ladies who assisted in the catering arrangements, and to the members who gave their unstinted support to the general arrangements for the day, we say a very sincere 'thank you'

#### INTERSTATE VISIT--COLTS.

Coinciding with the senior match against South Australia, a Colts touring side from West Australia arrived in Melbourne to compete against a Victorian Colts team. This match was played as a curtain-raiser to the senior match at the Albert Ground, and lacrosse enthusiasts were thus enabled to view a full afternoon of interstate competition.

As with the senior team the Victorians were severely handicapped by the influenza outbreak. Nevertheless, they held their own quite well until half-time, after which the visitors gradually went ahead to win by 12 goals to 7.

Victoria was represented by the following:-

P. Humphreys (Capt.-Caulfield), E. Jones (V/Capt.-Malvern), N. Scully, F. Jones, W. Daw (Malvern), K. Page, R. Ponton Jnr., I. Bryning, D. Miller (Caulfield), I. Lee, D. Rowland (Surrey Park), G. Mayne, H. Orr, G. Titler (W'stown), M. Aitken (C.G.I.), I. Millard (M.H.S.O.B.), D. Dunn (M.C.C.), I. Millard (M.H.S.O.B.) with Mr. A. L. Evans as Coach.  
Mr. C. F. Lansbury, the Team Manager, was one of those most seriously affected by influenza and his duties were taken over by the Liaison Officer, Mr. J. M. Hodges. We thank both these gentlemen for their work and record our pleasure that Frank recovered sufficiently to attend the match as a spectator.

On the following Tuesday, the West Australians played a Victorian Colts team at the Malvern Cricket Ground, and again were successful, the score being W.A. 13 goals to Victoria 4 goals.

During the half-time interval, the success of the West Australians in the Saturday match was marked by the handing over of a suitably inscribed shield by V.A.L.A. Life Member, Mr. T. L. Fulton. This shield was generously provided by Mr. P. H. Shappere, and your Association is deeply appreciative of this further evidence of Mr. Shappere's active support and interest in the game.

We also express our thanks to Mr. J. Patching, whose physical training instruction to both Seniors and Colts in the weeks prior to the matches brought the teams to a high degree of fitness.

#### INTERSTATE VISIT - JUNIORS.

The South Australian Junior Team arrived in Melbourne late in August and was successful in taking from Victoria the

the Carl Schultz Cup. The match was played at Malvern Cricket Ground and resulted in a win for S.A. by 14 goals to 12.

With Mr. P. H. Shappere as Manager and Mr. F. J. Graf as Coach, Victoria was represented by the following:-

V. Beames (Capt. - Malvern), K. Ferguson (V/Capt. - W'stown), L. Ingram, M. Owen, R. Spriggs (Malvern), K. Hope, G. Hill, J. Morrish, P. Hernan, A. Clements (W'stown), J. Gunn (Caulfield), E. Nicholls (C.G.I.), P. Hansen (M.C.C.), T. White (Coburg).

Our sincere thanks are conveyed to Messrs. Shappere and Graf for the efforts made to ensure a successful visit.

#### REFEREES.

We are again greatly indebted to Messrs. Fred Durham and Alec. Donald for their regular carrying-out of this important duty. Their attendance each week enabled the Association to get through the season without serious difficulty. We must also thank Messrs. J. & D. Dobbie for their prompt assistance when called upon.

Until such time as Clubs are able to persuade their retired players to take charge of a game for a few Saturdays per season the burden of providing referees seems likely to remain with the senior team having the bye. The response to approaches made by your Association has been very disappointing, and Clubs are invited to give their earnest attention to this matter before the commencement of next season.

#### PUBLICITY.

We have again been accorded good support by the Press, and results and articles have appeared each week.

Through Stations 3AW and 3DB we have recorded the scores each Saturday, and towards the end of the season the A.B.C. included a commentary on lacrosse in its weekly Sports Round-Up. This courtesy to our Association is greatly appreciated and our thanks go to the Broadcasting Stations, Press and Press Correspondents for their efforts on our behalf. To the TV Channel HSV7 and their sports commentator we express our appreciation of the prominence given to lacrosse in their "Sporting High-Spot" on the eve of the Interstate matches.

We also express our sincere thanks to Mr. J.M. Dobbie for his valuable assistance in collating the scores each week for Radio and Press.

#### SOCIAL.

Social functions for the season were restricted to a Smoke Night following the Interstate matches on 27th July. As in previous functions of various types, the attendance was disappointing and the Executive Committee reluctantly concluded that the holding of an end-of-season function was not warranted.

Whilst the Association feels that social gatherings are of considerable value in promoting mutual interest and good will between its members, it feels bound to point out that such functions must pay their way as well as provide entertainment. The Association will give earnest consideration to any proposals which meet these requirements.

PROPOSED INTERNATIONAL VISIT.

Members have already been advised of the proposed visit of an American Combined-Universities team, possibly in 1959. It will be appreciated that the financial aspect of such a visit is very considerable and the State Associations have been asked by the A.L.C. to give this matter their closest attention.

After consideration of the Association's reports, the Council expects to be able to give a decision on the practicality of this visit.

MID-WEEK COMPETITION.

It is desired to thank Messrs. W. Featherstone and T. Leonard, of the Technical and High Schools Sports Unions, and the Sportsmasters of the competing schools, for their organisation and control of the mid-week competitions.

We offer our congratulations to the successful teams, and to those who gave their time to coach and encourage the players.

RESIGNATION.

It is with considerable regret that I have to advise that I shall not seek re-nomination as Hon. Secretary. Since setting up in business on my own account, I have found it impossible to give to Association affairs the time and attention which they require. To my successor I offer any co-operation and assistance which he may desire.

To the V.A.L.A. officers and Club officials who have been most helpful to me during the season, I say a sincere "Thank you". May I also thank the Asst. Hon. Secretary, Mr. Reg. Ponton, Mr. Henry Volk and Mr. Joel Jeffrey, whose willing assistance has been invaluable.

I also value highly my association with the President, Mr. Robert Coldstream, and desire to thank him for his guidance and help during my term of office.

OUR PRESIDENT.

This report would not be complete without a tribute to the enthusiasm and leadership of our President, Mr. Coldstream, though perhaps not known to all our members as well as some other of the Office-bearers, it is due in large measure to his generosity and thoughtfulness that many of the Association's objects have been fulfilled.

I feel sure that the esteem in which he is held by his Officers is shared by all members of the Association, and that you will join with us in conveying to him our sincere thanks and appreciation.

For and on behalf of the Committee,

Richard Goslin,

Hon. Secretary.

VICTORIAN AMATEUR LACROSSE ASSOCIATION.

Hon. Record Secretary's Report for Season - 1957.

Gentlemen,

This report takes the same form as those for the two previous seasons in order that some comparison may be made of the progress of the Association during that period.

Details of the numerical strength of clubs is as follows:-

\* M.H.S.O.B. C Section team withdrew during season.

For the first time since the war the loss of clubs ceased over the last three years and each club in the Association regularly fielded at least two teams. Registrations remained the same as last year although the slow downward trend in the number of open age players has not been halted. In most cases club memberships have remained steady or made slight increases only Caulfield and University showing any marked decrease over the last three seasons in relation to the size of the clubs.

Players competing regularly (i.e. in at least half the possible games) show an increase of 42 on the previous season divided between 26 open age and 16 under age players. An analysis of registrations together with comparisons with the two previous years are set out below.

	O/age	U/age	Total		
			1957	1956	1955
Played regularly	219	192	411	369	368
Played irregularly	49	40	89	107	110
Registered but did not play	25	11	36	59	35
	<u>293</u>	<u>243</u>	<u>536</u>	<u>535</u>	<u>513</u>

The total number of teams increased by one and a third section was restored to the open age competition. Alterations in the composition of each section are detailed under the competition results.

Malvern was the outstanding club of the season competing in all five grand finals and winning four of them - a record so far as can be ascertained.

The final competition results were:-

All teams, except Surrey Park, held at some stage during the season, a position in the 'four', the final composition of which was not decided until the last home-and-home matches. In the grand final Malvern beat University, the only team to whom it had lost during the year. The section was reduced to seven teams. Malvern and University being transferred from "A" Section and Malvern 'Black', University and Caulfield 'Green' being transferred to C. Section.
