leaving the Iroquois A. team, winners of the Premiership for the second time and entitling them to the possession for the ensuing twelve (12) months of the White Horse Trophy presented by our late President N.W. Turnbull Esq.

On 14th May 1904 Lacrosse Sports were held under the auspices of the Association at the Woolloongabba Ground, although the support of players in entering for events was not as warm as your Committee expected, the afternoon was successful in attracting public interest in the game and resulted in a profit of £9 : 7 : 0 which was considered satisfactory.

Your Committee were successful in arranging for

a visit from a representative team from New South Wales in August last.

Three matches were played, the Visitors winning two and Queensland being successful in the third.

The Scores were N.S.W.	8 }	9 }	3)
Queensland	2 }	3 }	4)

We think that these Interstate matches did much to stimulate interest in the game, and your Committee hope to be able to return the visit of the N.S. Wales team during the coming season. It is also gratifying to find our team so shortly after the re-introduction of the game in Queensland, being able to secure a victory over our more experienced neighbours.

Your Committee regret the loss of two of its valued officers by reason of their departure from the State - our late President Mr. Norman W. Turnbull and late Hony. Secretary - Mr. H. Hooper.

Mr. Turnbull's generous support has been invaluable to the Association, and Mr. Hooper's services both as Secretary and as a player have been most zealous and untiring.

Your Committee beg to record their hearty appreciation of those gentleman's services and their sense of regret at their departure from the State.

PINANCIAL

The Association have been under heavy expense this year bringing up the Southern team -The loss as you see by the Balance Sheet being £21 on the Interstate Matches. We have, however, come out of the year's transactions about square and have a small balance at Credit. This we think may be regarded as satisfactory.

Your Committee wish to acknowledge their indebtedness to the President and Vice Presidents of the Association for their assistance (pecuniary and otherwise) which has appreciably helped to establish the game in Queensland on a sound footing. We regret that the Chairman of Delegates has signified his intention of retiring from the Association and desire to place on record our appreciation of his past services. The Press also has a claim on our grateful recognition of its services which have been generously accorded in advertising the game on all occasions when we required publicity.

IN CONCLUSION your Committee retire with a unanimous wish for the increasing popularity and success of the game of Lacrosse in Queensland.
