2020 LWA Junior Grand Final Day

HONOURS AND AWARDS

2020 WA Men's Indoor Lacrosse Team National Champions

Before the global pandemic caused the cancellation of all 2020 ALA National Championships and Tournaments, the 2020 WA Senior Men's Indoor Lacrosse Team became National Champions at the 2020 ALA Men's Indoor National Championship, causing the greatest upset Australian lacrosse has seen over the past few decades.

The "Black Swans" were on early, holding the high octane Victorian offence to a single goal for the entire first half on the way to a 6 - 1 half time lead. Victoria were always going to come back cutting the margin to 2 at the final change, setting up a thrilling last quarter.

Victoria tied the game early in the last quarter and it looked like their experience would come to the fore, however WA responded and were in front again by 2. Victoria closed the margin to 1 briefly but WA would lift again, holding out a desperate Victoria in the dying minutes to claim a famous win.

Parts of this article have been reproduced with the permission of the Australia Lacrosse Network.

REPORTS – BOARD MEMBERS

2020 PRESIDENT'S REPORT

Dean Stampalia

The 2020 Lacrosse season started off quite well with a very successful "Re-Lax Down South" event which saw multiple clubs pull together to showcase the sport of Lacrosse in a regional setting and our indoor contingent pulling off a massive upset to win the National Championship in their second year back in the competition.

With what seemed to be a strong start to the year, LWA looked to be in good stead to focus on developing our sport. The conference held by the ALA for Member Associations early in the year, was constructive and meetings with our local government produced multiple avenues for us to look towards. This was all put on hold with restrictions put in place due to COVID19. From that point onwards, all our time and effort was spent attempting to get the 2020 season up and running whilst abiding by all the restrictions and guidelines placed upon us by the WA Government and WA Health Department.

2020 Re-Lax Down South Tournament

This proved quite difficult, though with the support of the Lacrosse community and the hard work put in by everyone at LWA, we were able to provide our clubs with a shortened season and a very successful finals series being held at both Subiaco and Wembley.

To get there, we saw the Lacrosse community band together to provide their respective clubs with the numbers to give the people of WA a playable season, one of which I am sure will be remembered by many.

A couple of honorable mentions I will touch on is that this year we saw our newest club in that of the Alkimos Pirates, secure their very first premiership in the Division 3 competition, and two very deserving, young up and comers take home the Kuljak medal for best on ground within both the men's and women's state league Grand Finals, both coming from the Wembley Lacrosse Club, a massive achievement for them both and a testament to the youth of our sport.

With the restrictions placed on us due to COVID19 there were a number of national events cancelled, so I would just like to acknowledge the time and effort put in by all of our athletes, coaching and managerial staff who did not get to represent WA in their respective teams.

For us in WA it was great to see a season go ahead, albeit shortened, though my thoughts must go out to that of our eastern counterparts in Victoria, who through all of their efforts, did not manage to get a playable season up and running due to the situation that is currently plaguing their state.

With all the adversities we faced through the year, I believe it has only made us stronger and shown that when we come together to support each other as an association, we can achieve anything that comes before us.

As this year comes to a close, I would just like to thank the ALA for all their support, all of our clubs for making the effort to field teams and work with LWA and to all of the volunteers who helped out through the year including the board at LWA who I know worked tirelessly to give the people of WA a playable season.

2020 Division 3 Men's Premiers – Alkimos "Pirates" LC
Captains – Ian Campbell and Konrad Frankee

2020 VICE PRESIDENT'S REPORT

Konrad Frankee

2020 has been a challenging year for the lacrosse community in Australia. Roxanne and the board worked tirelessly during the year to support both the health of our members and to try and have a viable competition during the early stages of the Pandemic. It's taken an amazing effort from all our Club committees, coaches, players and supporters to have completed season 2020. Congratulations to all teams including the teams that won their respective Premierships in each grade.

2020 was also a big year for the board and many changes are coming into effect at our next AGM. The board has learnt it needs to change, develop improved processes and procedures, support our members and look to 2021 as a new beginning. We have some fantastic people on the board that really have a passion for the sport, and a great Executive Officer in Roxanne Leavy who does an amazing job. We need more people to have a passion for lacrosse and become board members. It doesn't matter if you're new to the sport or not. A different set of eyes looking in can only grow the sport.

It was a tough year for national representation for our Western Australian teams. Most events were cancelled and particularly for the Under 18 Girls and Boys team. They worked so hard and the events were cancelled only weeks away from travelling. However, we had success in the Men's Box team which won the National Title for the first time. Massive congratulations to the Managers, Coaches, Players and Supporters. The box concept is growing in Western Australia with Ben Muxlow, Simon Fleet and Lucas Wood providing a pathway for player participation. This is an area of growth for the sport and I'm sure the Board will be supporting this development moving forward.

2020 WA Men's Indoor Team – National Champions
Captain, Ben Muxlow, with ALA Director of Competition, Jan Jackson

One of the highlights for me in 2020 was the "Relax" event at Busselton early in the year. A great event organized by Jason Reynolds and his lovely family. The event had games during the day with both Men's and Women's teams playing short and fun games. Teams were mixed with players from other clubs which created a family fun event. In the evening, we had our Senior Men's players including Australian, Western Australian and State League representatives playing the 6 v 6 Olympic format. The game was fast and the ball movement very good, considering this was February. The stands had many lacrosse supporters and the event attracted many past players that live in the area. This is definitely another area of growth where the Board will look to support our game.

2020 Re-Lax Down South Tournament

On a personal note, I would like to congratulate the Alkimos Lacrosse club on growing and developing in 2020 under tough circumstances. The committee worked very hard to maintain its status quo with team numbers and players. However, they exceeded in growing both Juniors and Seniors with the outlook being very positive for 2021. I would like to mention the special effort from Ian Campbell with the Men's Division 3 Premiership. Ian has an amazing passion for this sport and without people like him, the sport wouldn't grow.

I wish all the best to the lacrosse community and I look forward to seeing the game we love grow in 2021.

2020 DIRECTOR OF MEN'S LACROSSE REPORT

Bruce Banyard

I would like to firstly take this opportunity to congratulate all clubs and participants for their efforts and conduct throughout the 2020 LWA Men's lacrosse season. This was a most difficult season, filled with uncertainty, due to COVID19.

This year the Men's Sub-committee excelled in their decisions prior to the season that ensured lacrosse was the beneficiary. At the meeting at Wembley Lacrosse Club the following were present: Paul Buckman, Tony Martella, Nathan Rainey, Michael Wann, Paul Fischer, Craig Ventham, Todd Jennings, Mick Waddell, Alex Brown, Blair Fraser, Bill Bowran, Adam De St Jorre, Konrad Frankee, Murray Gates & Bruce Banyard. Importantly they were keen to see Lacrosse grow and welcomed Phoenix into State League for 2020. 2020 was to be a development year for them with all State League teams agreeing to provide up to 5 players to Phoenix when they had a bye.

Unfortunately, Subiaco could not participate in State League in 2020, but indicated that they intend to return in 2021.

Congratulations to this year's State League Premiers Wembley, Subiaco winning D2, Alkimos Pirates winning D3, Phoenix winning U17's, Bayswater winning U15's and East Fremantle winning U13's.

Also, individually, congratulations to our senior Fairest and Best winners: State League – Lachlan Walker (Wanneroo-Joondalup), Division Two – Sam Ramsay (Wembley) and Division 3 – Will Czynski (Wanneroo-Joondalup). Our junior Fairest and Best winners: Men's U17's – Liam Bryant (Bayswater), Men's U15's - Kade Moir (Phoenix) and Men's U13's - Mitchell White (Bayswater).

Congratulations to those selected in the 2020 LWA Men's All Star Team – Rhett Johnstone, Brock Beall, Stuart Bentley, Ashby Dennis, Ashby Farrell, Aaron Salter, Mitchell Kennedy, Lachlan Walker, Cameron Evangelho & Brayden Panting.

The men's lacrosse season ran smoothly, and this goes to how the meeting mentioned earlier, created such a positive atmosphere. Thanks to all those involved in the Men's Lacrosse sub-committee.

Thanks also to Roxanne Leavy for her support and advice.

I again thank the members of this committee for their assistance during 2020.

This year's finals were hosted by Subiaco Lacrosse Club and the LWA Board thanks Subiaco Lacrosse Club and its members for conducting an excellent finals series.

The only Championship held in 2020 was the Indoor (Box) one. Congratulations to the WA boys who came home victorious.

2020 DIRECTOR OF OFFICIATING REPORT

Kellie Morley

I feel that we should be grateful we were able to participate in a season in 2020. Unfortunately, Covid-19 did put a stop to our normal pre-season education sessions and junior officiating program. I am sure that these will be top of the list to re-instate for the incoming Directors in 2021.

During 2020 LWA still had many referees and umpires complete the online accreditation test and it is hoped that by doing so, increased their knowledge of the rules and their application. Special congratulations to those officials who were awarded or retained their club or state level accreditation in 2020.

Whilst it is often difficult to provide appropriate levels of feedback, I still believe we managed small improvements in the standard of officiating across our competitions. Obviously, there is still a lot that we can do as a lacrosse community to improve the standard and game environment for officiating.

It was unfortunate that due to the pandemic there were no National Championships for our officials to attend in 2020. These events assist officials by strengthening their knowledge and providing valuable on and off field experiences. LWA are hopeful that given Australia's strong response to the pandemic and low infection numbers, ALA events may return to normal scheduling in 2021.

Whilst I write this report our U19 World Championship referees Kim Panton and Tim Kennedy are still waiting to hear if the U20 Men's Championship to be held in Limerick, Ireland will go ahead in 2021 or delayed even further.

Thank you to all officials who participated this season and especially those selected to officiate over the finals. Officiating is a thankless task but I know that even though it is often not showed our players, coaches and supporters appreciate your efforts.

Thank you all for your support and giving me with the chance to be involved at this level so that I can help provide opportunities to help us grow the game we love along with improving the standard of our match officials. As the make-up of the Board changes and the responsibility of officiating men's and women's lacrosse falls under each Director (Men's and Women's) I look forward to assisting where I can.

It would be remiss of me not to say a huge thank you on behalf of our Board and all members to our Executive Officer, Roxanne Leavy. During the unprecedented Covid-19 pandemic Roxanne ensured LWA produced and implemented the various polices to ensure compliance so that our season could commence and do so safely, along with her regular tasks and as always maintained her smile and composure. Thanks Roxanne.

2020 DIRECTOR OF WOMEN'S LACROSSE REPORT

Michelle Rohrlach

Season 2020 was a season that nearly didn't even happen, but we were very fortunate that we did even if it was shortened and with low numbers. Our U13's & U15's competition needed to be made into an U14's competition to be able to proceed, along with our State League competition needing to combine two clubs to go ahead as well. This was difficult to maintain throughout the season, but I think all clubs and players did a wonderful job in seeing this through so that we could all play lacrosse.

No State Teams were able to travel this year, but hopefully we will see a return to this in 2021.

I would also like to say thank you to all LWA Board Members for the hard work they did in assuring that 2020 season went ahead.

Congratulations must be made to:

U14's Fairest & Best – Veronica Keen (Bayswater)

U14's Runner Up Fairest & Best – Ashton Czynski (Wanneroo-Joondalup)

U14's Premiers - East Fremantle

U17's Fairest & Best – Demi Czynski (Wanneroo-Joondalup)

U17's Runner Up Fairest & Best – Holly Plummer (Wembley)

U17's Premiers - Wembley

Division 2 Fairest & Best – Amanda Plummer (Wembley)

Division 2 Runner Up Fairest & Best – Emma Tregurtha (Wembley) and Demi Czynski (Wanneroo-Joondalup)

Division 2 Premiers - Wanneroo Joondalup

State League Fairest & Best – Kate Hooper (Subiaco)

State League Runner Up Fairest & Best – Rebecca Banyard (Wembley)

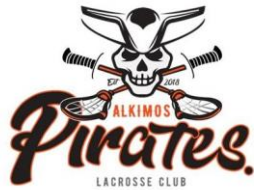

State League Premiers – Wembley

Congratulations also to the 2020 Women's LWA All Star Team – Courtney Ackland, Rebecca Banyard, Tegan Brown, Madison Copeland, Zowie Day, Claire Ferguson, Kate Hooper, Jessica Kennedy, Ocea Leavy, Emily Wills plus Dennis Banyard and Shendelle Oliver as All Star Coaches.

Along with all the Umpires that participated in the final series.

I look forward to a bigger and better 2021 season.

REPORTS – CLUBS

2020 ALKIMOS LACROSSE CLUB ANNUAL REPORT

Hamish McKay – President

The global pandemic

Where do you start with a year like 2020? This year was set to be a standard year for the Pirates. We had completed a few junior programs at the start of the year and behind the scenes a truckload of work had been completed around our club structure and we were ready. Time to mobilize the crew and get the ball rolling.

Rego day had been completed and our numbers were looking good. Had a month to go till the season proper so we would have the opportunity to fill some spots beforehand if needed.

While all this was going on we had the cloud of COVID hanging over our heads. We had been warned that this global pandemic may affect the season and it was quite disconcerting on so many fronts and to be honest when we first heard news of the postponement of the season and the pending lockdown, lacrosse wasn't even close to the top of the priority list.

It feels like there is so much to say about COVID but when I start to think about it there actually isn't much at all. All you can actually do is say how you dealt with it. Here are some of the actions taken by the A.L.C when it was faced with the covid-19 pandemic:

- We shut down all events and meetings- At first we kept going while we still had a choice, though it wasn't long before the lockdown, our club secretary received a number of emails from members which sparked a majority vote to shut down until more information and advice was available
- We refunded financial members- we took the line at Alkimos that the money was better in the pocket of its owners when lockdown hit and no one knew what would happen. We didn't want people in need to be upset with the club if we couldn't get it back to them if it all got really bad.
- Our committee temporarily disbanded and everyone was told we would be in touch when we actually knew what would happen. We posted the occasional update, but there were weeks of no real changes.

- Our club secretary, Tamara Sanders, worked tirelessly through the COVID-19 admin tsunami, which was relentless. She kept us up to date and made sure all COVID plans were ready to go as restrictions started to ease.
- Everyone talked, everyone listened but to be honest no one knew what was going to happen at any stage. And we were completely at the whim of the government and their guidelines by this time.

2020 Alkimos U9's

As things were looking more promising I attended a zoom meeting with my fellow Presidents from all WA clubs and we discussed the possibilities of a season and what it would mean for each club. We didn't paint a pretty picture of what a season may do to our club, working from the information at hand and the fact that we didn't even know if there was a second wave on the horizon.

Then it happened. A day or two later I think it was, I received a text to say "Game on" and at this point the Pirates crew awoke from their slumber and set to work to make the impossible happen.

I feel I should say thank you to LWA for making the right decision and getting us on the field this year.

There was one thing that the Pirates didn't achieve this year due to COVID-19 and that was a year of Quickstix. It was our intention to run Invade programs at the clubs and in schools and to take the program on the way it was intended. Unfortunately we just didn't have the opportunity to do it this year.

The second start through to the end

What a strange feeling. After months of not a lot, all of a sudden we were tasked with getting the 2020 Lacrosse season off the ground. Here is how we went.

U9's

We were not going to have a "modcrosse" competition this year and we were going to run ALA's Quickstix. This however did not eventuate and yet U9s members are not only vital for our club's growth, but they were also a source of revenue which were not charged for by LWA so we went ahead with Modcrosse instead.

Our first session of U9s started a bit later than the other junior teams in our club as we just didn't have time to get it organized before we had our U11s and U13s sorted and competing in the LWA competition. But once that was all sorted, Jasmine Hinkley and I set to work on our littlest Pirates.

We started the year with 5 U9 Pirates and ended it with 17. We have been noticed by the school which we share the oval with and most of the kids in this program are from houses that neighbour the oval.

The kids had a blast and they developed well and quite often we would have some really good-flowing games.

I personally find one of the coolest things was getting to the ground early Saturday morning. We would get there and set up and then we would have a throw at the goals with our own kids, just waiting for it to tick over to 9am; at this time you can look up and watch parents with trolleys, kids on scooters and bikes with lacrosse sticks emerging from the different houses and streets around us. It was quite a cool sight to see.

U11's

Another very successful year for Konrad Frankee and his merry crew. These guys had their work cut out for them this year; they had a large number of kids. But true to his form, Konrad took it in his stride and made it work.

I salute him as he went above and beyond his role in this respect and he made sure the kids had game time. He made sure that the kids had extra opportunity to play more lacrosse through a few different means and they were:

- When we played at home he would ask the other team if they would like another quarter (for fun)

- When playing at home he would split his team in two and have them run out another quarter.

It doesn't sound like much, but it's these little things that Konrad doesn't have to do, but he does, that keeps our U11s strong and vibrant.

It was great to see that this year the U11s won 2 games which is an improvement from the 1 game they won in the team's debut year.

U13's

Once again we started with low numbers in our U13s squad this year, which was hard. We had a few of this team pull out the week before the season which was quite stressful, but it ended up all good.

Adam Smedley and Luke Thomas were in charge of the U13s and we couldn't be happier to have two young men, stepping up and tackling a job like this; it is really good to see.

I don't think they have yet won a game, but I do think the kids in this grade are loving the game and they keep coming back for more. Just hoping to retain and develop these kids into the future.

2020 Men's Division 3 Premiers – Alkimos "Pirates" Lacrosse Club

Women's Division 2

Our women's Division 2 is absolutely amazing. They show up week in week out and they fight as hard as they can, but so far haven't come up with a win, though they've had a lot of great stuff to look back on. I would like every other club to remember that every time our women's team step onto the ground they have already won. 7 of our 13 girls hadn't played before the Pirates and we are a developing side. Russell Lawler did a great job with the ladies this year and we have some exciting things in store for them next year as our women's squad has now got someone to drive it.

Men's Division 3

Wow what a season! With a great team coach in Ian Campbell and a few fresh and experienced recruits which gave us some firepower up forward and enough experience and depth to get the job done this year. This year had a great feel. We decided as a team to concentrate on enjoying the game and our team mates and once we did that the games started going our way. Our team communicated through its differences and just had fun with it. This year we went all the way and now the A.P.L.C has its first premiership flag under its belt.

Club Culture

I am not sure, but I do think that some other clubs when they come up to play us or see our crew having some drinks at their home grounds see a glimpse of the positive and fun culture we have managed to foster and that we are constantly trying to protect. I feel it is the single most important thing when it come to a club and if you get the culture right, other things just start to fall into place. It is important to us to stay as one club and not just a bunch of different teams under one banner. And it's all about working together and enjoying our sport. Winning games—and even premierships—is a great bonus, but it's not the only thing we're on about.

Nya Lawler – 3rd for Association votes – Women's U17's

Financials

I am proud of the way that our committee has decided to approach our finances in the face of running at a loss. We decided when we were setting our fees for the shortened season that our members' coming back was far more important at this stage of the club's development than money sitting in a bank. We committed to nearly a 4k loss with the hope to make it back through merchandise, U9's fees and equipment sales. The hope was to get our bar and canteen functioning for home games. It paid off, we got most of our members back, we kept them happy and we just about broke even. On top of that we had a surprise donation of a substantial amount of money from an ex-Nollamara player who preferred not to be named.

All in all our financials look better than last year and with the year we have all had I reckon we are doing very well.

People

Our club has the honour of announcing some individual success this year within our ranks.

- Nya Lawler came 3rd for the Association in the U17 women's comp
- Tayla Danby came 5th for the Association in the U17 women's comp
- Gareth Allen became Runner up Fairest and Best for the Association D3 men's comp

Tayla Danby – 5th for Association votes – Women's U17's

Summary

The Pirates are a happy bunch and we are proud of what we have achieved in the club's first 4 years. I wouldn't say that where we sit at the moment has come about accidentally either. Every step of the way, every challenge we face, we just seem to have the right people to get us through and we are very grateful for the ways in which they have helped us through. It most certainly hasn't been a perfect year for us, but to have the successes that we have had spurs us on and gives us some much needed momentum.

We have plenty of years to go at this club and my vision is pretty simple. Alkimos Pirates is building a vibrant, happy and inclusive community around the sport we all love—lacrosse—and this is something you can't measure in stats as such, but it is something that can be felt when you are around your Pirate Family. We are on the right track and we are enjoying the journey with our shipmates.

Bring on 2021; if we can hold onto the reins there are big things to come.

Gareth Allen – LWA Men's Division 3 Runner Up

2020 BAYSWATER LACROSSE CLUB

ANNUAL REPORT

Terry Riordan – Vice President

Well what a season 2020 has been for both Bayswater Lacrosse Club and Lacrosse in general.

With COVID 19 in our lives, I'm sure every club had similar concerns and I know our committee spent many hours deliberating over estimated costing and budgets based on playing or postponing the season. In the end, we considered it more important to get our players back on the park, enjoying time with their teammates and all that brings. It was a very testing time indeed and it showed what a great lacrosse community we have at Bayswater.

The 2020 season was an outstanding season for our junior teams, in particular with our players rating very highly in the LWA awards, three Minor Premierships (U14 Women's, U17 & U15 Men's) and a Premiership in the U15 men's. These are all good signs for the future.

As a committee, there was a high focus in keeping costs to a minimum, looking for sponsorship, being positive in our predictions of getting our bar and canteen back up and running

and basically, any opportunity that may create savings for our club. We were thrilled with the willingness of our regular sponsors, along with a couple of new sponsors to continue to support us. We also had a willingness and support from the City of Bayswater in reviewing our lease, which will help a great deal over, at least, the next five years.

2020 Men's U17 Minor Premiers

2020 Women's U14 Minor Premiers

Our juniors were outstanding in the LWA Fairest & Best Awards where, Veronica Keen took out the award for the U14 women's, Liam Bryant took out the award for the U17 men's, Mitchell White took out the U13 men's. Lauren Greaves

was runner up Fairest & Best in the U14 women's and Casey Burton runner up Fairest & Best in the U15 Men's.

Also, a big congratulations to Zowie Day for her achievement in being selected as the goal-keeper of the All Stars Women's State League Team.

2020 U15 Boy's Premiers and Minor Premiers

As a club we are very fortunate to have so many fantastic volunteers and I sincerely hope I do not miss any. Thank you, the truth is we really appreciate it and our club would not exist without you:

- Faye Beaman and those wonderful helpers in the canteen
- Mike Gates, Matt Tatlow and Mark Taylor our Bar Managers
- Brett Mayer & Kieran McCoy for marking our fields and Tony Parker and all those helping to set up fields on most weekends
- Nicole McKenna, Rachel Anderson, Stephanie Gageler, Natalie Hatton, Liz Shields, Emily Adcock, Isla Frazer, Chloe Tatlow, Millie Doherty, Maggie Monteith, Ash Brooke, Laurence Mayer, Shaunna Ramirez who, between them umpired 57 women's games.
- John Keesing, Les Wild, Carole Bowland, Jesse Bowland, Julian McGrath, Josh McDavitt, David Sneddon, Nick Sneddon & Lloyd Morley for umpiring 43 Men's games throughout the season.
- Liz Shields, Rachel Anderson, Zowie Day, Madelyn Koelmeyer, Isla Frazer, Chloe Tatlow, Adam De St Jorre, Glenn Morley, Ron Smith, Bradley Smith, Mike Burton, David Jobson, Max Rowse, Joshua McDavitt, Lloyd Morley, Julian McGrath and David Sneddon for their incredible efforts coaching our teams.

- Our Team managers also did an outstanding job and therefore, our thanks to Narelle Tatlow, Nicole McKenna, Vicki Frazer, Jenny Greaves, David Bowland-Curtis, Chris White, Dianne Mayer, Terri Maynard and Liz Ellis
- To all the parents for scoring or time keeping, for supplying the lollies and oranges and for being both parents and spectators that make us proud.

I personally would like to thank the efforts of the committee for their persistence and hard work in what was a very difficult year. Your efforts were simply outstanding and your loyalty to our club also outstanding (a club that has been in existence for over eighty (80) years). There were also many others that did a huge amount, to support the committee and without naming them, all members say a big thank you.

Acknowledgements

Next time you visit our clubrooms, check out the Six Nations Tribe Lacrosse Stick display. These sticks are from the 1800's and on loan to us from the Clark and Leanne Wight family who have had them in their family for generations.

Bayswater Lacrosse Club have been supporting our national and state bodies, with Glenn Morley being the National President of ALA and Bill Bowran and Murray Gates taking on roles at the state level of LWA.

Bayswater also had several players selected into State Teams (even though and due to COVID, several planned championships were cancelled). Congratulations to Donal Wild (Australian U19 Team), Jakson Bowran, Joshua Tatlow, Cameron Brown & Liam Bryant all selected in the U18 Boy's State Team along with David Jobson as assistant coach and Warren Brown as state-based skills coach. We also had Isla Frazer selected in the U18 Girl's State Team with

2022 U21 Australian Team member – Donal Wild

Maddy Koelmeyer as an assistant coach and Faye Beaman as Team Manager. Liz Shields was selected as head coach of the State Senior Women's Team. Warren Brown, Cameron Brown and Aaron Machner were all members of the 2020 Men's Indoor Team that won the National Championship against Victoria. Aaron was also chosen for the 2020 ALA Indoor All Stars Team. We are very proud of you all.

Sponsors:

As mentioned before, we are very grateful and fortunate to have the sponsors we do, several of which have been with us for many years and are great help year in and year out:

- **Loan Market**
- **Ray White Whiteman & Associates**
- **Money Solutions**
- **CH Signs**
- **Perth Stairs**
- **Niche Timber Flooring**
- **Our New Liquor Sponsor in Bottlemart Stirling**

In summary, it was a difficult year and yet also a fantastic one and we thank every player, member, volunteer and parent. We, the committee of 2020, look forward to next season and wish all clubs success in growing our great sport. As a committee, we would like to thank all those that made the season possible.

2020 EAST FREMANTLE LACROSSE CLUB ANNUAL REPORT

Tony Martella – President

2020 has been a year and a lacrosse season unlike any before it. EFLC and society have been dealing with unprecedented obstacles never previously experienced or expected. COVID 19 has impacted all aspects of life including the day to day affairs of the club. The ability to safely navigate and manage this pandemic has not only tested the club's resilience but also its collective resolve in working together collaboratively and effectively.

2020 Undefeated Premiers and Minor Premiers – East Fremantle Men's U13's

We were fortunate to have had a season to compete in. More importantly, we as a lacrosse community have come through it unscathed and safe. These successful outcomes were the result of the tireless efforts of the Board and their dedication to our club and our sport. The efforts of LWA and the other clubs should also be noted and acknowledged in the role they played in season 2020. A special thank you also to all involved amongst our players and supporters. They stepped up and not only complied with the COVID protocols, but assisted where necessary to make things work effectively and safely.

Despite the season being effectively halved in length, all were pleased to have had a season at all. Being able to compete and socialise made dealing and living with the limitations of the pandemic just that bit easier to cope with.

The club was fortunate that once the decision to play was announced our player group declared their willingness to compete and form teams to make LWA's competition viable. Apart from Men's

D2, we were able to field teams in all grades. This was an excellent outcome based on all the problems and logistical issues COVID 19 posed. It was especially, pleasing to see the strong participation amongst our junior groups, which holds us in good stead moving forward.

Once again, the club was well represented in finals appearances, minor premierships and premierships. To all those teams and individuals, well done and congratulations.

With all that has happened this year it was extremely pleasing to see the collaboration and collective effort demonstrated especially by our State League teams. For the past 5 years our SL women have been not only the competition benchmark, but the standout team within EF. Their drive for 6 premierships unfortunately fell short this time, but was still a fantastic effort and one worthy of praise and helps define the clubs on field success.

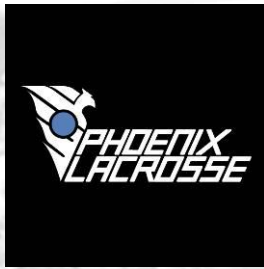

2020 State League Men's Association Votes Runner Up – Brock Beall

Unfortunately, because of COVID 19 restrictions, our plan to invest in an overseas coach for the whole club did not eventuate. Given the travel restrictions, it just became impossible to try and bring someone out and implement this approach. Moving forward to next season however, we will still look to what the viability and circumstances may allow us to bring this coach out.

As fall back, we did have the virtual services of Coach Dan Radatti, Whilst not here in person he still provided a great coaching platform to incorporate the "3 Dials" of our strategic plan, namely On field, Off field and development programs. This was well received and implemented by the senior playing group and coaches group with a great degree of success.

Our development programs again were extremely successful despite the limited access we had to our schools-based programs and competitions as we originally planned. Junior numbers again showed good increases (despite covid restrictions) and is a promising move into 2021.

In closing I'm extremely proud and grateful to all players, supporters, officials and the greater lacrosse community for all their efforts, support and willingness to make the season as successful and safe as it was. Special thanks and recognition to the EFLC Board should be highlighted as without these people committed to the cause, we would not have had any possibility of firstly running a season, but in maintaining the benchmark that the club is within the Australian lacrosse community. My sincere gratitude and thanks to you all. I look forward to season 2021 and to seeing all of us back healthy and ready for the challenges of what lies ahead.

2020 PHOENIX LACROSSE CLUB

ANNUAL REPORT

Colin Moir – President

2020 – What a year!

We have experienced a worldwide pandemic, something never seen in our generation and lifetime. To say it has tested every part of our being and community is an understatement. On a personal note I would like to thank all involved with our club this year for your patience and willingness to contribute and participate in a season that will be remembered for years to come. A special thank you to our Management Committee for their time and countless hours working with LWA, Local Council, and State Government to ensure we could operate effectively and ensure the health and safety of our members was the ultimate priority.

2020 challenged our sport, our community, our members and our extended families. I am extremely proud of the WA Lacrosse Community in its strength to hold a season in 2020 when it could have easily been shelved until 2021.

The resolve of our club, the belief within and the spirit to forge through this year has been nothing short of incredible. We have worked through a season with no lights at Goodchild, training at a new venue in a shared arrangement, got our teams up and going within a limited time frame and kept our finances in check as we were unable to have the full use of our canteen, bar and social dinners/events. Although our plans and intentions for 2020 were set for bigger things to come, we can look back with comfort knowing we steered the club through another difficult phase and have come through with a great result as we look to 2021.

Once again our amazing volunteers have kept the heart beat strong this year, thank you to the following:

Canteen Crew, Bar Crew, Team Coaches and Managers, Referees, Grounds and Facilities, Uniforms, Merchandise, BBQ Crew, Cleaners, Social, General Volunteers.

Please know your contribution and commitment is valued and is what makes the fabric of our club what it is today.

MANAGEMENT COMMITTEE

VICE PRESIDENT: Aaron Williams

SECRETARY: Fran Maunton

TREASURER: Brett Sargent
 REGISTRAR: Matischa Sewell
 CLUB MANAGER: Donelle Smith
 DIRECTOR OF MENS: Nathan Rainey
 DIRECTOR OF WOMENS: Glenda Magee
 OFFICIATING: Grant Moir

 WA Lacrosse Community

2020 Men's State League Team with guest players from Bayswater LC

On The Field - This year we were able to field teams in the following grades:

Boy's	1 x U13's	1 x U15's	1 x U17's
Men's	1 x D3	1 x State League	

The club is proud to have been able to get these teams up and going for 2020 and very appreciative of the effort from our players, coaches, managers and families to support the club in making this happen.

State League - This year saw our transition from Division 2 last year, to State League for the first time since 2014. The culmination of the club's 3 x year plan with Senior Head Coach – Nathan Rainey was realized as our State League team took the field. Nathan took over the club's Senior Program in 2018, after the club struggled to field teams in 2017 and subsequently merged with Subiaco Lacrosse Club. The Management Committee and Nathan worked hard and strategically over the last few years to get the club to its current position of fielding 2 x Senior Men's Teams.

As 2020 was our first year back in the State League, we were light with senior experience, yet strong with junior contribution with more than half the team made up of players under the age of 21. A great blend of experience and youth created a team that was competitive week in and week out. Of course for us to compete each week we must acknowledge and thank Lacrosse WA for their support and foresight in allowing other clubs to loan and rotate players to our team on their bye weekends. Thank you to Bayswater Lacrosse Club, East Fremantle Lacrosse Club, Wanneroo-Joondalup Lacrosse Club and Wembley Lacrosse Club for their support and "bigger picture" outlook in working with Phoenix Lacrosse to make 2020 happen. The interaction of players from other clubs mixing in each week with our State League also created a sense of community and helped breathe life into a season that could easily have not eventuated.

Looking to 2021, our aim is to field our own standalone team, continue the bleeding of more junior players into our senior program and maximise our full field training with the new lighting being installed.

HEAD COACH: Nathan Rainey
MANAGER: Alyssa Mayne
CAPTAINS: Robbie Gibbs / Ethan Moir

Division 3 - Our D3 Team built as the season went on and finished 4th in 2020. After a slow start with player availabilities, the team had some great wins and was able to blood some of our U17's players for their first taste of senior lacrosse. Another step forward for our re-build with some old faces coming back to the club and enjoying the banter and comradery that comes with the team. Great to have our regular stalwarts and "wise men" lead the way for this team and keeping the enjoyment of the game at heart. Looking forward to our numbers growing again for 2021 and the interaction as more juniors come through the team.

HEAD COACH: John Kelly
MANAGER: John Kelly
CAPTAINS: Javier Williams / Lida Yoshi

U17's - 2020 saw our U17's take out the Premiership against Bayswater, claiming the club's first back to back in this age group. The team had a fantastic season with some tough games throughout. Head Coach Gavin Leavy and Assistant Coach Matt Devoy developed a game plan from the outset and stuck to it all season, with the final result the culmination in a win for the team. With a great mix of experience and new faces, our U17's team left their best 'til last against Bayswater, having lost to them 3 x times during the year.

2020 Men's U17 Premiers – Phoenix Lacrosse Club

2020 will see some of our stalwart junior players now move into seniors after having spent the last 7-8 years in our junior program. They have been amazing ambassadors for Phoenix over the years and we wish them well as they take their lacrosse journey on to the senior stage. Thank you for playing in the spirit of the game and representing our club with wonderful sportsmanship and humility.

HEAD COACH: Gavin Leavy
ASST COACH: Matt Devoy
MANAGER: Donelle Smith
CAPTAINS: Rhys Valsecchi / Ayden Scott

LWA AWARDS – TOP 4 FINISH: Ayden Scott (3rd), Kade Moir (4th)

U15's - Our U15's had an incredible season, finishing Minor Premiers and being pipped at the post in this year's grand final – going down to Bayswater. Both teams had a great rivalry during the season against each other, with Bayswater holding out in the final game of the season.

The development of the team as the season evolved was the highlight for our U15's team. We had a number of 2nd year players who really stepped up and took their game to another level, while a

couple of our U13's players experienced the quicker game style as they played their first season at this level (after competing in their U13's games beforehand). Thank you to Grant Moir and Colin Broz for guiding this group to the Grand Final and instilling belief in each of the players that they can achieve what they set themselves for. The years of experience that Grant and Colin have brought to this team and imparted on the playing group has been invaluable and will certainly set the players up for years to come.

HEAD COACH: Colin Moir
ASST COACH: Grant Moir
ASST COACH: Colin Broz
MANAGER: Brett Sargent
CAPTAINS: Kade Moir / Harrison Summerell

LWA AWARDS – TOP 4 FINISH: Kade Moir (1st)

2020 Phoenix Men's U13's Team

U13's - 2020 was a great year for our U13's with fantastic playing numbers after the unknown of what may have transpired with the shortened season. Led wonderfully by our Coaches Jo Lofgren and Michael Wright – this team really came together and found themselves finish as high as 3rd at seasons end. We had a great balance of new faces and experienced players who all complimented each other perfectly. Looking to 2021, the club will continue building another exciting U13's team as some of our top end aged players will move into the next age groups. We would like to thank our girls who played their last season for Phoenix in the U13's Competition and wish them all the

best next year when they transition into the LWA Women's Competition. The future is looking bright as we continue our growth in this age group.

HEAD COACH: Jo Lofgren
ASST COACH: Michael Wright
MANAGER: Matischa Sewell
CAPTAINS: Bryn Cureton / Freya Pyne

LWA AWARDS – TOP 4 FINISH: Samuel Wilson-Banks (3rd)

U11's - This year we were not in a position to field our U11's team due to the lockdown for our school's programs and development. However with the positive outlook for 2021 we are excited to already have numbers lining up to take the field again and jump back into the U11's competition.

Representative Teams

Although there were no formal events held in 2020 due to health regulations, representative teams were still announced prior to the events being cancelled. Phoenix were well represented, congratulations to the players below:

WA State 18's Men's Team

Travis Wolfe, Ayden Scott, Thomas Moir, Rhys Valsecchi, Zeth Valsecchi, Ethan Moir

Australian Crocodiles Mens 19's National Team

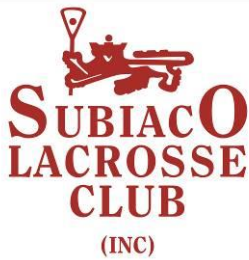

Ethan Moir, Travis Wolfe

2021 Vision

The Management Committee will continue to navigate through the next 12 x months and look to stabilize after a roller coaster year in 2020. Whilst we have grand plans for the club's future, ultimately we will have our focus on the following key areas for next year:

- Fielding teams in 11's, U13's, U15's, U17's D3 and State League and increasing team number participation
- Building the Phoenix Enterprise
- Redevelopment of our Goodchild Clubhouse with the City of Cockburn
- Summer/Social Lacrosse – under our new lights
- Ongoing Junior Recruitment and Development
- Social and Fundraising Events
- Planning for PLC beyond 2021

We are looking forward to bringing in 2021 and building on from our efforts this year.

2020 SUBIACO LACROSSE CLUB ANNUAL REPORT

Michael Wann – President

Our 2020 experienced our share of challenges, sadness, progress and success. 2020 marked the passing of a club stalwart, lacrosse champion and Australian Hall of Fame inductee in Brian Griffin, and past player and administrator Barry Groves. Our thanks to our faithful volunteers, coaches, parents, members and players who maintain their support of our junior development and club involvement through the pandemic. Whilst our senior playing numbers and teams reduced by half, their commitments and contributions sustain our presence and growth objective.

We welcomed the opportunity to host players and parents as loan players (in and out). Due to the uncertainty and restrictions faced by many in 2020, the club was unable to maintain our 2019 progress in supporting local school programs. A key focus of these programs was deepening our relationships with Shenton College, Subiaco and Rosalie Primary Schools. We are grateful and appreciative of the players and parents from these schools and others who continue to play and enjoy lacrosse with us.

Our thanks to the ongoing support from the LWA leadership and administration, and of particular note Roxanne, Murray and Dean. Roxanne, Murray and Dean continue to go above and beyond their allocated duties. Their care, passion and time commitment is acknowledged and appreciated. We are thankful for the opportunity to step into host this years' finals.

*2020 Men's Division 2 Runner up Fairest and Best –
Isaac Cahill*

It was both pleasing and rewarding how the lacrosse community came together to enable the 2020 season to progress and enjoyed. Thanks to fellow presidents and administrators for committing to the game and their clubs to see this through. Having needed to do things differently in 2020 and having a shorter premierships season (July to September) may give us a base and courage to explore playing different formats of lacrosse in the part of the season that was missed (April to June).

Our thanks to the Australian Lacrosse Network (ALN) for continuing to promote and cover lacrosse.

Our highlights

1. Improving senior performances and successes.

The restrictions and challenges resulted in Subiaco fielding half the number of senior teams in comparison to 2019.

Our State League Women's team continues to build, win the minor premiership and play in the grand final. We are very proud and appreciative of their level of improvement and success which is testament to the commitment of the players, coach (Travis Roost) and director (Adele Ackland).

2020 Women's State League Fairest and Best and LWA All Star – Kate Hooper

The impact of restrictions led to international players returning home and others needing to seek employment away from Perth. As a club and senior playing group we decided to play Division 2 whilst enabling players to play State League with other clubs. Our Division 2 team enjoyed their lacrosse and development of juniors and less experienced players across the season. We were delighted to win the minor premiership and premiership. Our thanks to the commitment of the players, coach (Paul Fisher and David Robinson) and director (Joe Cahill).

2. Hosting Women's games on Saturday's.

We welcomed the opportunity to host rounds of Women's fixtures. We look forward to building on this with potential to host some Women's games on same day as Men.

3. Commitment and contribution of volunteers, players and parents

We are very thankful and appreciative of the contribution of our volunteers, players and parents. Subiaco was fortunate enough to host the 2020 finals at Rosalie Park. As with every finals hosting, this was a significant increase in the level of support required to host games and supporters across the finals.

Our special mention to Anna Forest, Betsy Newman, Dean Lawrence, Helen Heppingstone, Dan Ryugo and many others for going above and beyond in their time commitment and investment to the club across the year.

2020 Women's State League Highest Point Scorer and LWA All Star – Courtney Ackland

Our areas for improvement and focus in 2021

1. Grow Junior players numbers and teams.

We have increasing concern in being able to field teams in 2021. We are continuing to work closely with junior parents and players for feedback on how our club can improve and grow. We will be leveraging our school programs and relationships to attract players.

Our key actions:

- Focus on recruitment strategies and activities to attract players and teams from local schools;

- Promotion of local games and events (including Summer Lacrosse and Anzac Day game); and
- Proposing to run 6 a side lacrosse for schools (on campus and Rosalie Park) to test attracting players to a day and time that doesn't compete with other sports.

2. *Continue to engage with members and invest in what matters most for Subiaco*

We are increasing our direct engagement with players, parents, members, local schools and the Subiaco Lacrosse Foundation to guide our focuses and investments.

3. *Smaller, shorter, quicker and more involved formats to increase attractiveness and participation of lacrosse.*

We will be looking to trial smaller, shorter, quicker and more involved formats (e.g. half size field, 5 v 5 or 6 v 6, less players per team (more teams), shorter time periods) to understand the attractiveness and benefits for new and experienced players. This is in line with World Lacrosse's announcement of the Olympic 6's format.

Our key actions:

- Coordinate with interested players, teams and clubs during off season;
- Hold 2021 Gala Day at Rosalie Park for all clubs and teams; and
- Re-instate our support of local schools and university to attract players and teams.

2020 Men's Division 2 Premiers and Minor Premiers

2020 WANNEROO-JOONDALUP

LACROSSE CLUB

ANNUAL REPORT

Dean Stampalia – President

Wanneroo-Joondalup Lacrosse has been through some tough years over its time, but the year 2020 seems to have really tested our fortitude; it has been a bumpy road with many setbacks, though I think the club has rose to the occasion, tackled it head on and come out on top.

I would like to thank the executive committee for the countless hours they have put into our club over the course of this year and must thank them for working cohesively and supporting each other wholeheartedly.

Back to Back! LWA All Star, Lachlan Walker, was awarded the State League Men's Fairest and Best Award and Highest Goal Scorer for the second year running.

I would also like to thank all of our supporters, families and friends alike that have stood by us through this year wherein I am sure each have gone through their own trials and tribulations, though still manage to make sure they, themselves and their children are at trainings, games and that they continue to support our wonderful club.

With an excitingly large presence by WJLC members at our preseason training led by our two experienced, enthusiastic State League coaches, WJLC were ready to hit the ground running and head into the regular season; This would soon be curbed by the restrictions placed upon us by the state government due to COVID-19, though with the massive effort put in by LWA working in

conjunction with all member clubs, we were able to rally and get back on the field in which all of our members were eagerly awaiting.

With financial strain being placed upon a large portion of the population, of which includes our members, we were aware that we may not have as strong of an appearance on the field this year. We were still able to field teams in all grades with the exception of a State League women's side, in which we were able to merge with Bayswater LC and would like to extend our thanks for allowing us to do so.

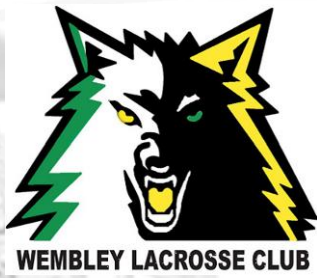

2020 Women's Division 2 Runner Up Fairest and Best and Women's U17 Fairest and Best – Demi Czyski

With the cancellation of multiple national tournaments, we had a number of athletes unable to participate in their respective teams, I would like to personally acknowledge the effort and mettle of these members, encourage them to continue to strive for greatness and work towards their goals on the Lacrosse field.

As this year comes to a close, I am extremely proud and privileged to be a part of WJLC and continue to enjoy watching it grow and develop.

2020 LWA Women's Division 2 Premiers

2020 WEMBLEY LACROSSE CLUB ANNUAL REPORT

Amanda Plummer – President

2020 has certainly been a strange year. Firstly, I would acknowledge and thank LWA for the intense work load put on them during this unprecedented time, whilst understaffed and taking on a pandemic and situation that we have never dealt with in our time. They took this head on with confidence and strong leadership. We are truly grateful. Not only to deal with the government directives and ensure all clubs' compliance, but to get a season up and running in such a small amount of time was a feat in itself. This is to be commended!

*2020 Kuljak Medallist – Best Player in the Women's State League
Grand Final – Holly Plummer*

We realised that once a season was a possibility, the most important question on everyone's lips was "how much is it going to cost?". Getting the true value of this wasn't as simple as one would think. Certainly not because LWA weren't being helpful. Because insurance became an obstacle and somewhat an unknown. Something that has actually been a topic of discussion for some time and now that it is a little clearer of the costs involved

with this, I would like to see this be on offseason priority for WA, to look at how we are spending money and subsequently charging members.

This has also brought about many discussions around how the season looks like and what we think of it. Would we be happy with a shorter season? Do we stick with the same ol' same ol' competition or look at alternatives to our traditional winter season? All of this was not possible in the timeframe given, although it was certainly good to get the heads of clubs discussing options and possibilities going forward for future seasons. One I hope to see continue, as the relationships strengthened during this time, I believe this will only encourage future seasons to be improved given better communication and unity of clubs and ideals.

I was pleased to see Wembley members come out in droves to commence a season with little or no clear direction of what was to happen or being offered. The trust this showed us of our members was incredible. As a community it was evident everyone just wanted to get out and play and make the most of our privileged situation, given the crisis some of our country and rest of the globe were facing. We were truly blessed to get a season at all and everyone had a positive attitude and really took it as a chance of normality.

Wembley possibly could have put all teams in as were originally proposed in early 2020. We were a little modest with teams given we didn't want to cause the competition issues with forfeits as it was a shorter season anyway. A couple of teams started to overflow and this was just a given situation we were prepared for and I'm grateful for the understanding of members during this time. Although premierships are a high achievement and certainly worth celebrating, I believe some of the wins that came out due to this shortened season are just as imperative to recognise and celebrate. With two State League teams

and our girls' U17's coming up with the wins this year, we are happy with our achievements not only on field, but and off field as well. Two of our youngest state league members taking out the Kuljak medals for best on grand final is more than an achievement worthy of a mention!

I would lastly like to acknowledge my committee for the support they have shown and trust they invested in me, whilst leading the club during this season.

2020 Kuljak Medallist – Best Player in the Men's State League Grand Final and 2022 U21 Australian Men's Team co-captain – Lucas Koczwarra

2020 LWA Men's and Women's State League Premiers

2020 ALRA (WA) ANNUAL REPORT

Blair Fraser – President

2020 started terribly for ALRA in WA after discovering a fraud had been perpetrated on our fees-receivable from LWA for the 2019 year.

Most of our members have fees payable to them paid into a Trust account for, among other things, the benefit of referees traveling to championships in or outside of Australia. Some of our members do not contribute to the Trust, but rather, are paid a fee per game.

After LWA agreed to split the loss from fraud, the Trust received only half of what was expected. Our non-full Trust members agreed to forfeit half of their fee entitlement.

Further action by Police retrieved some further funds.

Kim Panton and Tim Kennedy were selected for the 2020 Men's Under 19 World Championship. The Championship has been delayed to 2021, and further inquiries from World Lacrosse could result in another WA referee being asked to attend.

Tim Kennedy - ALRA(WA) Referee selected for the 2022 U21 Men's World Championship

2020 Men's U15 Grand Final – Bayswater vs Phoenix

In 2020 there were 16 ALRA referees available. We lost one to work commitments and another to injury. 5 people joined as Club Referees and officiated in D3 matches before their own D2 or SL games.

There are terrific opportunities for new referees to upskill and officiate at various championship.

We hope that Clubs will be better able to pass on Links to their club referees for the ALA Rules Theory test next year. The lack of this testing being taken consistently results in players, particularly junior players, not being officiated consistently and not being able to understand the rules.

The engagement with Community Sports Program was beneficial to lacrosse in WA and ALRA considers that it should be nurtured and continued.

KULJAK LACROSSE CLUB (Inc)

2020 KULJAK LACROSSE CLUB (INC)

Peter Ballarine – President

Kuljak Lacrosse Club has had another successful year supporting WA lacrosse.

The Kuljak Annual Breakfast held on the 8th March at the Hillarys Yacht Club was a tremendous success. It was an excellent turnout and thanks to everyone who attended. It was a fun morning with many stories and reminiscing the order of the day. Our guest speaker was Peter Vlahos, Media Broadcaster and Personality. Peter spoke about his early days as a radio announcer in Kalgoorlie and his move to 6NR (where he was given the role of Sports Director), working in Sydney with SBS Television and 2SM.

The 2020 AGM was held later than usual due to the COVID19. It was held at Bayswater Clubrooms, Halliday Park, Bayswater on Saturday 11th July. Many thanks to Bayswater for your support and allowing us to use your clubrooms for this occasion. Thank you to all those who attended. Refreshments were provided following the meeting.

All positions apart from Committee Member were filled. President: Peter Ballarine, Vice

President: Gary Powell, Secretary: Terry Ambler, Treasurer: Ian Toy, Committee Member: Vacant.

A special thanks of appreciation goes to Peter Smirk (although not on the committee) for his help south of the river.

The Annual Dinner was held in August at the RAAFA, Bullcreek. Almost 50 attended the night which was a tremendous success. Although no guest speaker this year there was still plenty of entertainment. The night started with a game of Heads and Tails and President Peter Ballarine was at his best as our MC. Peter Smirk conducted another amusing fines session, the HIP Pocket

Workwear sponsored raffle was drawn and the Kuljak All Star Aged Team (made up by the 12 oldest members attending) was another feature of the night.

Standing from Left: Ken Stewart, Albie Paull and Bill Brown (Captain)
Seated: Allan Stewart, Bob Ramsay, Alwyn Shepherd, Manus Boyce, Col Mounsev, Charlie Gates, Graham Rose, Rob Taylor and Graham Hill

This year Kuljak paid \$500 to each club for Junior Development programs.

Kuljak continued its medal presentation tradition by funding and awarding the Kuljak Medal to the player voted the Most Valuable Player in the Men's and Women's State League Grand Finals.

President Peter Ballarine presented the Kuljak Men's MVP Medal to Lucas Koczvara (Wembley)

Treasurer Ian Toy presented the Kuljak Women's MVP Medal to Holly Plummer (Wembley)

Kuljak has registered with The Western Australian Government Containers for Change program. The funds raised will enable Kuljak to continue its support of Western Australian Lacrosse. Kuljak has a Scheme ID (C10301354) which can be used when returning eligible containers to a Refund Point. For more information please contact Ian Toy.

The Kuljak book "A History of the Western Australian Lacrosse Association" is still being distributed and is provided as part of a new membership package. It is also available to purchase.

Membership increased by 4 this year and we welcome those new members. Joining as Lifetime Financial Members were David Toy, John Johnston, John Ballarine and Konrad Frankee.

Kuljak membership is open to everyone so if you are retired or in your twilight years as a player you are welcome to join up. Stay connected to Western Australian lacrosse and enjoy the company of other like-minded people.

2020 LACROSSE WA FOUNDATION REPORT

Murray Gates – LWAF Trustee

During the 2020 lacrosse season the LWA Foundation provided funding for one grant application during the year, that being:

1 - \$500.00 to Jason Reynolds, Wanneroo-Joondalup Lacrosse Club.

This funding was used to pay for the ground hire of a field in Busselton and this allowed ex-players in this area to get together and play a couple of lacrosse games during a weekend in March 2020. Players from Alkimos, Phoenix and Wanneroo-Joondalup Lacrosse Clubs also attended and played. This year's event also had a State League Olympics lacrosse competition on Saturday night. Four teams were made up from players from all Lacrosse W.A clubs.

Please find following the financial report for the LWA Foundation.

Financial Statements

Certification of Financial Statements

For the year ended 31 October 2020

The accompanying financial statements of Lacrosse WA have been prepared from proper accounts and records to present fairly the financial transactions for the financial year ended 31 October 2020 and the financial position as at 31 October 2020.

At the date of signing I am not aware of any circumstances which would render the particulars included in the financial statements misleading or inaccurate

INDEPENDENT AUDITORS REPORT
TO MEMBERS OF LACROSSE WA INC

Scope

We have audited the accompanying financial report, being a special purpose financial report, of LACROSSE WA INC., which comprises the statement of financial position as at 31 October 2020, the statement of comprehensive income for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information.

The committee is responsible for the preparation of the financial report and have determined that the basis of preparation described in the Notes to the financial report are appropriate to meet the financial reporting requirements of the constitution and are appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a fair presentation, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee's reporting responsibilities under the constitution. As a result, the financial report may not be suitable for another purpose.

Audit Exclusion

We have not audited individual teams' bank accounts which are reported as "Restricted Cash". These funds belong to the team members. Team managers provide separate reports to the team members and the clubs. Therefore, no audit opinion is formed for the transactions and balances of these bank accounts. However, total income and expenditure has been included in the financial statement of Lacrosse WA Inc.

Audit Opinion

In our opinion the Financial Report presents fairly in accordance with applicable accounting standards, other mandatory professional reporting requirements, the Associations Incorporation Act (WA) and the Association's Constitution as at 31 October 2020, and the result of its operation.

The Statement of Financial Position should be read in conjunction with the accompanying notes.

**Notes to the Financial Statements
For the year ended 31 October 2020**

Note 1. Summary of accounting policies

(a) General statement

The Association is a not for-profit reporting entity that prepares special purpose financial statements in accordance with Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB.

Where modification is required and has had a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements.

(b) Basis of preparation

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention, except for land and buildings which have been measured at fair value.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated.

The financial statements are presented in Australian dollars and all values are rounded to the nearest dollar (\$).

(c) Reporting entity

The association is not a reporting entity because there are unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy all of their information needs, and these accounts are therefore "special purpose accounts" that have been prepared solely to meet the requirements of the Constitution and the Associations Act.

(d) Income tax

The association is exempt from income tax.

(e) Revenue and other income

Revenue is recognised in the statement of comprehensive income when the Association obtains control and it is probable that the economic benefits gained from the grant will flow to the association and the amount can be measured reliably.

(f) Goods and services tax (GST)

Transactions are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(g) Receivables

Receivables are recognised at original invoice amount less an allowance for any uncollectible amounts. The collectability of receivables is reviewed on an ongoing basis and any receivables identified as uncollectible are written-off against the allowance account. The allowance for uncollectible amounts (doubtful debts) is raised when there is objective evidence that the Association will not be able to collect the debts. The carrying amount is equivalent to fair value as it is due for settlement within 30 days.

(h) Payables

Payables are recognised at the amounts payable when the Association becomes obliged to make future payments as a result of a purchase of assets or services at fair value, as they are generally settled within 30 days.

(i) Provisions

Provisions are liabilities of uncertain timing or amount and are recognised where there is a present legal or constructive obligation as a result of a past event and when the outflow of resources embodying economic benefits is probable and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at the end of each reporting period.

(j) Comparative figures

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.
