## Honours and Awards

### 2018 ALA Life Membership

#### Faye Beaman

Mike Slattery, ALA President, presented Faye Beaman (WA) with her ALA Life Membership certificate at the ALA 8th Annual (Recognition) Dinner, held in Perth on Friday 8 June 2018. Faye Beaman has been a long-time supporter of lacrosse in Western Australia, as well as across Australia. She has shown an unwavering commitment to supporting and managing State and Australian teams for over twenty years.

Faye has undertaken the role of Manager to WA State Teams spanning the full range of age-groups over the years. On the international stage Faye has held the position of Team Manager for seven Australian Teams and Team Manager of New Zealand Women's.

Faye's lacrosse involvement began at grass roots level at the Bayswater Lacrosse Club; she has held a number of positions on the Lacrosse WA Board and its committees and is a Life Member of the Bayswater Lacrosse Club.

The Australian Lacrosse Association, along with Lacrosse WA, thank Faye for her tireless dedication, good spirit and fairness.

### 2018 Merit Award

#### Gavin Leavy, Michael Gates, Murray Gates

At the ALA 8th Annual (Recognition) Dinner, held in Perth on Friday 8 June 2018, Mike Slattery, ALA President, presented Gavin Leavy, Michael Gates and Murray Gates (WA) with ALA Merit Award in recognition of their extensive impact on Lacrosse in Western Australia through their wonderful contributions within all levels of lacrosse over many years.

## 2018 OC ISAACHSEN TROPHY FOR THE BEST MALE PLAYER IN AUSTRALIA

### **Cameron Evangelho & Brad Goddard**

The Isaachsen Trophy is awarded to the fairest and best player Australia-wide in the most senior men's State competition home and away qualifying round matches, based on votes awarded by match referees.

This year's trophy was won by joint State League Fairest and Best Award winners Brad Goddard (Wembley) and Cam Evangelho (East Fremantle).

In claiming the 2018 trophy, midfielder Goddard becomes the first player to win the Isaachsen at two different clubs after he won the Isaachsen in 2010 whilst a member of East Fremantle. Goddard is the second Wembley player to bring home this prestigious award. As for Evangelho, the attackman with the laser of a shot who hails from California, he becomes the first US born player to win the award since 1986 and the seventh East Fremantle player to win the award.

## REPORTS – BOARD MEMBERS

### 2018 PRESIDENT'S REPORT

#### **Evan Walters**

Firstly thank you to all the Board members for 2018 season.

It has been a challenging year to step into the seat after Aaron Williams's departure as President (thank you Aaron for your contribution to LWA over the last couple of years).

Those who also served on the Board in 2018 I thank you.

Murray Gates – Administration (for his valued assistance to myself).

To the rest of the board members I thank you for putting up with me.

Along with the hard work of the Lacrosse WA staff:

Roxanne Leavy - Executive Officer.

Jamie-Lee Bartle - Administration Assistant.

2018 has been a challenging year with the drafting of a new constitution along with the revival of a Box Lacrosse team to contest the National Championship in Moe, Victoria.

Our juniors have had a successful year for the Under 18 Girls narrowly losing to Victoria in the final along with five ladies being named in the All Star Team. The boys were unlucky to go down to Victoria in the final and had three players named in the All Star Team. The Senior Championship was held at Wembley club (well done Wembley) with a victory to the WA Women's team beating Victoria in the final by one goal. Unfortunately this was not the case for the men and they went down to Victoria in another great arm wrestle. The Under 15 Braves team won the Tournament in Victoria in a great show of young up and coming talent. Not to leave out our other teams in Flames, Stars and Northern Thunder in their endeavours to bring home the goods, I believe it was a big learning curve for them all (coaches, players, managers and support staff included) and well done to all teams and coaches. Please get your nominations in early for next year to be a part of WA's success in lacrosse.

The new LWA Constitution has been written and sent to all clubs for their perusal prior to a special general meeting. The constitution has been a work in progress for Roxanne Leavy, Ian Toy and Fiona Clark and others over a long time and much appreciation is given for your time and effort of this project.

The LWA Office would not survive without the help and devotion of those who support it in our endeavours for a great game, Roxanne, Jamie-Lee and Peta.

2019 looks headed for another full on year at board level with the Under 19 Australian Women's Team and those vying for a place on the Under 19 Australian Men's Team at full tilt. Good luck to all involved along with the officials who are trying for a spot on those rosters as well.

Lastly I would like to say thanks again to all the board for 2018 and hope you continue again in 2019 and to those who feel the urge to get on the board to help this game and lacrosse in WA please come along for the journey.

See you all back again in 2019.

## 2018 DIRECTOR ADMINISTRATION REPORT

### Murray Gates

I would like to take this opportunity to thank all the members of this year's Board for the hard work each has done to fulfil their commitment and requirements to each portfolio.

Also, I would like to acknowledge the following people for their hard work to ensure lacrosse in WA progressed as required during the season.

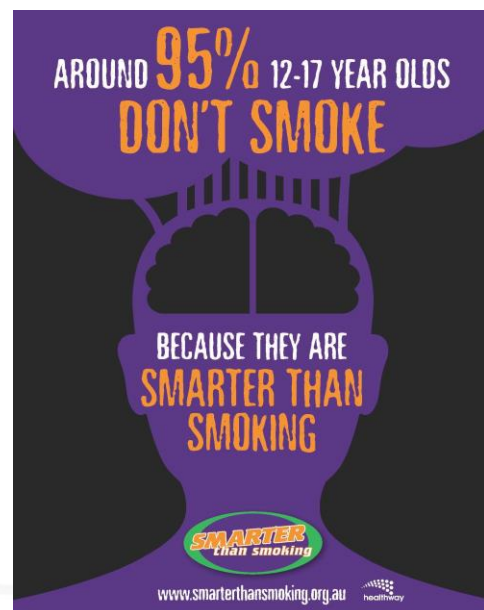

Roxanne Leavy, Executive Office (paid and volunteer roles)

Jamie Lee Bartle, Administration Assistant (paid and volunteer roles)

Michael Gates, LWA Life Member (volunteer role) for keeping our financial accounts in order.

Lacrosse WA started the 2018 season with a number of Board positions vacant and this caused some aspects of our administration and policies not being reviewed or updated before our season began. This was especially the case when it came to our Regulations. We need to ensure that our sport is administered the same way whether this is for boys, girls, men's or women's lacrosse in WA. As such the new Board will need to do a complete review and update of these Regulations before the 2019 season is to begin.

Lacrosse WA still has a number of challenges ahead but the more involvement we get from the local lacrosse community, the easier these challenges will be accomplished and this will only strengthen lacrosse in WA.

## 2018 DIRECTOR OF MEN'S LACROSSE REPORT

### **Bruce Banyard**

I would like to firstly take this opportunity to congratulate all clubs and participants for their efforts and conduct throughout the 2018 LWA men's lacrosse season.

Congratulations to this year's State League Premiers Wembley, Wanneroo-Joondalup winning D2, D3 and 17s, Phoenix winning 15s and East Fremantle winning 13s.

Also, individually, congratulations to our Fairest and Best winners. State League – Brad Goddard from Wembley & Cam Evangelho from East Fremantle. Division Two - Cam Mulcahy – Wanneroo-Joondalup Blue, Division 3 – Mark Griffiths – Alkimos.

Congratulations to those selected in the All Stars Team - Brad Goddard, Brayden Panting, Brock Beall, Cameron Evangelho, Chase York, Jesse Bowland-Curtis, Lachlan Walker, Mitchell Kennedy, Ryan Hockey, Ryan Spark & Stuart Bentley.

Most decisions required to ensure the men's lacrosse season ran smoothly, were handled by the Men's Lacrosse sub-committee. This committee met bi-monthly and discussed various issues throughout the season. Some of these items have now been accepted by the LWA Board and are part of our Policies and Regulations.

I thank the members of this committee for their assistance during 2018.

The Men's competition continues to operate under a sub-committee structure and I would like to thank those members who sit on the Committee on behalf of their club; Hamish McKay - Alkimos Pirates, Jesse Bowland-Curtis - Bayswater, Paul Buckman - East Fremantle, Colin Moir - Phoenix, Paul Fischer - Subiaco, Cameron Mulcahy - Wanneroo-Joondalup, Ben Reiger - Wembley and Ian McRae (ALRAWA). Thanks to Evan Walters (LWA President), Kellie Morley (LWA Director of Officiating) & Murray Gates (LWA Director of Administration) for their support.

Special thanks to Roxanne Leavy (LWA Executive Officer) for her work to ensure the sub-committee functions efficiently.

During the 2018 men's season we had numerous changes to teams participating in our competitions. In State League (5 teams), Division Two (7 teams) and Division Three (6 teams once second Wembley team withdraw). Even with these small numbers of teams participating, we still saw competitive games in all grades.

This year's finals were hosted by Bayswater Lacrosse Club and the LWA Board thanks Bayswater Lacrosse Club and its members for conducting an excellent finals series.

*2018 Kuljak Medallist – Brad Goddard*

*2018 Cyril Allman Medallist – Jacob Mellor*

Thank you to our Coaches and Managers of our State and Regional Teams, without volunteers for these positions the teams would not be able to attend ALA Championships or Tournaments.

This year's Senior Australian Championship was hosted by the Wembley Lacrosse Club. The LWA Board thanks Wembley Lacrosse Club and its members for conducting an excellent Championship.

## 2018 DIRECTOR OF WOMEN'S LACROSSE

### Michelle Rorhach

The season started off really well with the introduction of a new club, Alkimos "Pirates" Lacrosse Club, kicking off the season with the first game of State League being hosted at their home ground. This year Alkimos fielded a Division 2 team and I welcome Alkimos as a club and wish them the best in future years to field more teams. Along with myself as Director of Women's Lacrosse for Wanneroo-Joondalup and all the other Club Director of Women's Lacrosse, we supported Alkimos throughout the year and I will encourage the same for 2019 season and beyond.

It was disappointing to see Phoenix not being able to field any women's teams in 2018 and hope they will be able to field a team again in 2019 season.

The introduction of the new rules this year caused a few issues to begin with, but throughout the season both players and umpires got the hang of it and I believe the new rules is a positive for women's lacrosse for the future.

The season ran very well with all clubs hosting games at their home grounds.

The U18 State team made the final and was very unlucky not to win the Championship this year. Congratulations must go to Travis Roost and his team for the Senior Women's winning the National Senior Championship title this year, along with Wembley Lacrosse Club for hosting the event. All U15 teams showed the spirit of WA lacrosse and I'm sure all players learned valuable experiences.

Congratulations to the six girls that have been selected in the Australian U19 World Cup, I wish you all the best in Canada.

I believe 2018 was a successful year for all clubs and wish everyone the best for the 2019 season and I look forward to working with the LWA Board and all the Director of Women's Lacrosse again.

*2018 LWA Women's All Stars Team*

*L-R - Tegan Brown (Coach and Player), Jess Kennedy, Rhiannon Panting, Alana McKinlay,  
Chloe Tatlow, Madison Copeland, Baillie-Rose Keenan, Courtney Ackland*

# 2018 DIRECTOR OF OFFICIATING REPORT

## **Kellie Morley**

In my 2017 Report I acknowledged that steps would need to be taken to improve officiating in 2018. Whilst some improvements have been made – there is still a lot we can do as a lacrosse community to improve the standard and game environment for officiating.

It is a difficult Director position, one that stretches across both men's and women's lacrosse, however because the men's officiating side is mainly operated through ALRA I have not spent any time delving into their processes and procedures. I will endeavour to make steps towards a united Officiating portfolio if elected into the position again for 2019/2020.

Under the guidance of Bev Leavy, LWA's Junior Officiating Program continued to evolve and we have now seen the second series of graduates through Phase 3 of our Junior Officials program. These officials have now participated in the program for three or more years and continue to improve through their weekly game and feedback sessions.

Whilst continuing to build on the Junior Officiating Program our focus now splits to improving knowledge and on field application for officials. It is our Clubs responsibilities to work hard to encourage and work hard to increase the number of accredited men's and women's officials. This year a concerted effort was put towards increasing the number of accredited women's officials. This was mainly due to the firm stance that our Regulations would be adhered to, ie loss of Premiership points if clubs did not comply with the minimum number of accredited officials. All clubs met or exceeded these levels this season. The Women's junior competition officiating also saw major improvement following the Board's endorsement of a Senior Accredited Official on each game. Congratulations to all our newly accredited officials in 2018.

Over the off season I will discuss ways forward with the ALRA for men's officials and conduct accreditation clinics for women's umpires.

On a National level, Lacrosse WA once again provided a number of officials to attend ALA Championships and Tournaments. These officials take leave from their employment and families, along with associated accommodation costs to ensure their own further professional development and maintain national level accreditation. All referees and umpires performed admirably and are to be congratulated on their professional approach to these Championships and Tournaments.

LWA were also represented on the world stage this year with three on field referees (Blair Fraser, David McRae and Steve McRae) and off field officials (Evan Walters and Peter Mulcahy) attending the FIL Men's World Championship in Netanya, Israel.

I wish our aspiring women's World Championship U19 umpires the best of luck as they wait to hear if their nominations for Peterborough, Canada in 2019 have been approved, similarly our umpire and referee nominees for the ASPAC's in Korea.

Thank you all for your support and providing me with the chance to be involved at this level so that I can help provide opportunities for many to help us grow the game we love along with improving the standard of our match officials.

## 2018 DIRECTOR OF HIGH PERFORMANCE

### Hannah Brown

2018 brought many changes across the board for LWA High Performance. This started first and foremost with the re-creation of the High Performance Committee. Our goal at the close of last year was to create a more sustainable structure within our High Performance State Teams. This has involved an in-depth look into how we can improve our support to the various state teams and how we can improve communication within our community. In order to give each of our teams the best chance to be competitive at a national level, we have increased the standards to which we hold ourselves as a committee and our coaching and managing staff.

Looking to the future, we hope to continue to grow in the following areas in 2019.

- Coaching - continual mentoring and support in ongoing development
- U15's - Coach Development and High Performance Skill Development
- U18's - High Performance Skill Development and introduction of a structured Strength and Conditioning Program
- Seniors - High Performance Development and Professionalism of Standards

Our National campaign started in Adelaide with our National U18's representatives competing for their respective titles in April. Tegan Brown led her team undefeated to the Grand Final game, but went down by one goal to Victoria. The Men's side, led by Head Coach Gavin Leavy, improved their previous standing to also finish in second place. Fantastic efforts by both of the teams and congratulations to the following players for being named in their respective All-Stars teams: Madison Copeland, Erin Mitchel, Libby Blair, Olivia Antulov, Lucas Koczwar, Will Czyski, and Shane Thomason.

Our Senior State teams participated in a home tournament hosted by Wembley Lacrosse Club this past July. Both the Senior Men's and Senior Women's team improved to playing in the Grand Final games. The Men's side, under Head Coach Nathan Rainey, had a rough tournament with injuries and ended up going down in the Grand Final game. The Women's side led by Head Coach Travis Roost, went on to win the National Championship by one goal. Congratulations to the following players for being named in their respective All-Star Teams: Elizabeth Hinkes, Jess Kennedy, Alana McKinley, Courtney Ackland, Mitchel Kennedy, Brock Beall, and Cam Evangelho, as well as Travis Roost for winning All-Star Coach.

The Under 15's Tournament took place this year in Victoria and boasted 10 teams on the women's side and 9 teams on the men's side. The Flames improved to 6<sup>th</sup> under Head Coach Gavin Leavy. Emily Wills stepped into the Head Coach role this year for the Stars and finished 8<sup>th</sup>.

On the men's side, after losing more than half of their experienced players, the Northern Thunder managed to finish in 5<sup>th</sup> place. The Southern Braves went into the Grand Final game having lost only one game during the tournament. In the final game of the tournament, the Braves won in overtime to take home the Tournament Trophy.

*Alex Brown – Co-captain of the 2018 Australian Men's Team*

2018 saw many of our West Australian superstars representing their country on the National Stage. Mitchel Kennedy, Brock Beal, Ryan Spark, Isaac Cahill, Lachlan Walker, Thomas Graham, Callum Robinson, Stuart Bentley, Ben Muxlow and Co-Captain Alex Brown had a wonderful tournament in Israel with Glenn Morley as the Assistant Coach and Phil Ackland as the Statistician for the Sharks. Australia went down to the Iroquois Nation in the Bronze medal game, maintaining their previous standing.

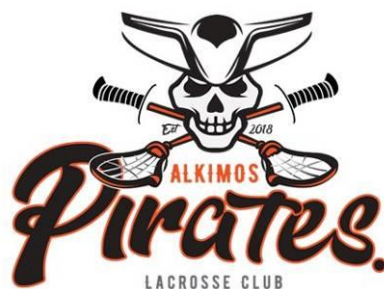

This November, WA is also sending over an Indoor team to the National Championship, lead by Head Coach Wade Hammond. This is the first year since 1980 that LWA has sent a team to the tournament. WA just missed out on the championship game by one goal and the boys are looking forward to next year.

In the coming year, we hope to continue to create and maintain a professional and transparent pathway for athletes and coaches to follow. This will help support our overall goal to create a more sustainable High Performance structure. As we continue to develop and grow, we hope to include as much input from the community as possible.

Thank you to the LWA board for your continual support of High Performance. I would also like to offer a special congratulations to all of the state and international representatives. It is an honour to represent all of you in this position, but we would not be where we are today without the time and dedication of the coaches, managers, officials, players, and community. Thank you so much for your support and passion for lacrosse!

## REPORTS – CLUBS

---

### 2018 ALKIMOS LACROSSE CLUB ANNUAL REPORT

**Simon Danby – President**

#### **Executive Summary**

The Alkimos "Pirates" Lacrosse Club was formed with the vision of growing the game of lacrosse in the Lacrosse WA Perth region. With support from the local Wanneroo council and the potential of a future sporting precinct, the new club found it's home in Alkimos and was granted the fields of Heath Park Eglinton. Through the generosity of the lacrosse community, Alkimos received equipment and cash donations to assist with the establishment process. Governance structures such as Incorporation, club rules, budgets, policies and procedures have all been embedded into club operations. The club has a very positive, family based culture with membership to support a full committee, two senior teams (men's and women's) and a modcrosse competition. The club has finished an extremely successful inaugural year in every context. Financially, the club made a modest operating profit while maintaining the full worth of the donations received in the club bank. Membership grew substantially throughout the year supporting 4 teams of Modcrosse, women's growth from 8 players to 15 and men's sustaining a full quota. The club goal of no forfeits of any fixture games was achieved.

#### **Club Establishment Report**

In August of 2017 we started the journey to establishing a new lacrosse club in Western Australia. A feat that had not been achieved in over 40 years. After creating an Alkimos "Pirates" Lacrosse Club Facebook page and promoting the concept at the 2017 LWA Grand finals and U15's National Tournament, the concept created a movement that gained momentum and transformed an idea into creation. The formation of a new club received wide ranging support through endorsement, gifts of equipment and some much appreciated cash donations from the WA lacrosse community.

On Sunday the 15<sup>th</sup> of October 2017, the first official gathering of people interested in becoming involved in the new club took place at aptly named The Boat, Mindarie with the attendance of over a dozen interested potential members. The club's next meet was the official launch on Friday the 3<sup>rd</sup> of November 2017 at the Shorehaven Café, Alkimos, where over 50 participants came to celebrate the creation of the Pirates and vote in the steering committee.

Efforts by the club to promote and educate the local community about lacrosse through Sunday morning Summercrosse sessions by Alkimos Beach, School Coaching Clinics and exposure at local community events had fortunately provided a number of entirely new participants who were keen to try something new and exciting in their area. This new local and family oriented participation was a primary focus of the Alkimos Lacrosse Club. As with any fledgling club, our biggest challenges involved membership base, resources and revenue. An additional early focus was to establish the appropriate governance structures, a values driven culture and a social atmosphere.

Our very successful School Clinics Program was coordinated by Mark Griffiths and funded through Heathway, Quick Sticks and LWA which saw over 260 hours of clinics run in 15 schools with over 880 students. This program provided the pipeline feeder to our grass roots Modcrosse Program coordinated by Hamish McKay who nurtured the fledgling laxers with an inclusive and fun experience for all ages.

Our 8 junior lacrosse teammates playing in the Senior Men's Division three and Women's Division 2 teams, all played major roles with four girls making the Regional under 15s Lacrosse team played in Melbourne early October. The Men's team won 2 games and drew 2 while the Women's team had all opponents praising their spirit and abilities throughout the whole season.

The club has gained respect from both the WA lacrosse world community and the local Alkimos community with the Pirates supporting a number of events with practical help. Clubs, businesses and groups that provided tangible support to Alkimos included Lacrosse WA, Phoenix LC, Bayswater LC, Wanneroo-Joondalup LC, Wanneroo Modcrosse LC, Wembley LC, East Fremantle LC, Kuljak LC, Butler Bridgestone B Select, Fleet Brothers, Rose Family, Griffiths Family, Toy Family, Jobson family and the Holman Family.

I am very proud of all the committee members who gave their family time to build this club and the wider membership who helped develop a great supportive culture.

*2018 Association Fairest and Best Winners –  
Mark Griffiths (Division 3) and Kirrily Thomas (Division 2)*

## 2018 BAYSWATER LACROSSE CLUB ANNUAL REPORT

### **Bill Bowran – President**

The 2018 season for Bayswater Lacrosse Club was a busy and successful time for our club.

I would like to thank all of our players, supporters, volunteers, members and committee members.

This season would not have been possible without the help and dedication of all our wonderful Bayswater Lacrosse community who, week in and week out, support our players and help with the running of our club.

A very special thank you goes out to our Club Manager, Natalie Burns for her efforts as club manager and Narelle Tatlow as Finance Director for the support they both have given to committee members to keep our club running.

Bayswater was well represented in a number of State teams for 2018 and we had several players in the Southern Braves team which won the National U15's tournament in Victoria.

We have been fortunate enough to have two talented players from the USA this season, Chase York and Jackson Twomey, who put in time and effort to assist with coaching our Men's 15's and 17's teams along with schools development for our club. This season we saw our 15's boys, coached by Thomas Graham & Max Rowse, work hard throughout the season with most boys playing 15's & 17's throughout the season, and make great improvement to get through to the Grand Final.

Our State League men's team again performed fantastically well to reach the Grand Final and played a tough, never say die game only to go down in the dying seconds of the game, it was a great effort and we should be proud of every one of the players & coaches who helped get them there.

2018 was the year Bayswater lacrosse club re-introduced our State League women's team.

We realise it was a young and inexperienced team however with Liz Shields doing a fantastic job coaching, as always, and worked hard to help improve our players and all the girls really seemed to enjoy the season with great comradery.

Acknowledgements:

Congratulations to Faye Beaman on being awarded her Life Membership to ALA & Merit Awards to Michael & Murray Gates.

Bayswater Lacrosse Club had 2 members travel with the Australian Men's National team who represented Australia in June 2018 in Israel.

Congratulations to our player Thomas Graham & Glenn Morley (Assistant Coach). Along with Adam Jorre de St Jorre (Assistant Coach) for the Danish National Team & Evan Walters for Officiating with ALRA Internationally.

Our junior boys had a great season taking out LWA Runners Up awards for;

Men's 13's – Casey Burton, Men's 15's – Jakson Bowran, Men's 17's – Donal Wild.

*Thomas Graham – 2018 Australian Team member*

A special congratulations to Chloe Tatlow who was awarded with the Association Runner up Best & Fairest for the Women's State League as well as being selected in the Women's LWA All Stars Team, and being a member of our State Senior Women's team and to Jesse Bowland Curtis and Chase York who were selected in the Men's LWA All-Star team at the Lacrosse WA Presentation evening. In our WA State Men's team we acknowledge Jesse Bowland Curtis, Thomas Graham, Warren Brown & Adam Jorre de St Jorre (Assistant Coach).

Our club is forever appreciative of the tireless work put in by our wonderful volunteers. On behalf of Bayswater Lacrosse Club, we are especially thankful to the Committee, players and volunteers who made this year a success, namely;

- \* Yianna & Alexia Christodoulakis in the Canteen along with help during finals from Faye Beaman;
- \* Kieran McCoy & Brett Mayer for their help in maintaining our field marking;
- \* Sue Kirkby, Nicole McKenna, Carole Bowland, Les Wild, Evan Walters, Jesse Bowland Curtis & Julian McGrath for their efforts as referees & umpires;
- \* Matt Tatlow as Bar Manager and Mike Gates and others as regular bar attendants;
- \* Jack Glasbrenner for his work in school clinics and junior development;
- \* Liz Shields, Rachel Anderson, Zoe Day, Maddy Koelmeyer, Chloe Tatlow, Isla Frazer, Julian McGrath, Lloyd Morley, Mike Burton, Thomas Graham, Max Rowse & Jack Glasbrenner for their work in coaching; with a special mention to Liz Shields who was Assistant Coach for the U18 and Senior Women's State teams.
- \* Margaret Morley for making all the amazing Thursday night meals for Senior Men.

A further thank you is extended to all of the assistant coaches, junior umpires, team managers, scorers and timekeepers who tirelessly help our teams get on the fields each week and during finals.

A special thank you to everyone who helped during the finals this season there was just too many to name you all.

*2018 Association Women's State League  
Runner-up – Chloe Tatlow*

It is the commitment of so many that makes Bayswater such a strong club now and moving into the future.

We would not be able to achieve the successes we have achieved without the continued support of our incredible sponsors. I would like to acknowledge and thank all of our sponsors, but in particular:

- Kim from Celebrations at Charlies;
- Matthew & Narelle Tatlow from Perth Stairs
- Mike Burton from Loan Market South Perth
- Loan Market Corporate & Ray White Corporate
- Ray White Real Estate Bayswater
- CH Signs & Print

I lastly would like to congratulate all the Bayswater players who were selected to play for State and National teams this year and those players who were recognized for their outstanding playing achievements.

Thank you again for all your support this season, we look forward to a fantastic 2019.

## 2018 EAST FREMANTLE LACROSSE CLUB ANNUAL REPORT

**Tony Martella – President**

Season 2018 followed on from the previous success of 2017 in as much as we were competitive across all grades, winning three of five Grand finals entered, as well as continuing to grow and improve the junior recruitment and development programs undertaken.

As club members, we all primarily undertake roles as volunteers, as a way of giving back and helping perpetuate an ongoing future and for the sport itself. ***“What could I do to make the club better?”*** remains the motivation at the heart of why we volunteer and become involved as participants as we do. This is the expectation and standard that drives my efforts.

Any eventual ‘success’ achieved ultimately comes from the overall commitment to achieving positive results, working together and a unity of collaboration amongst club members.

### **Results**

To the club teams across all the grades, I was not only extremely pleased, but also gratified by their effort and work that each demonstrated and achieved in season 2018. Additionally, the EFLC Board was working hard behind the scenes in making sure objectives were met.

The fantastic junior development work undertaken, including in school and after school, learn to play lacrosse and our mozzies programs was outstanding. The levels of participation and involvement has been not only remarkable but also amazing in seeing so many young, energetic and engaged young players and most importantly becoming a part of our club and the game.

The future of the club and sport lies within regeneration and continual replenishment starting at the very youngest of participants. I’m not only excited, but also greatly encouraged by our work undertaken in this area by all of our development team which bodes well for 2019 and beyond. To all involved in the development team, well done and thank you.

### **Our premiership teams in 2018 were:**

Women's State League, Women's 13's and Men's 13's (undefeated season),

Women's 17's and Men's Division 3 were also Grand Finalists

This was especially pleasing and a positive step in reaching an important KPI of our existing strategic/operational plan.

Across the teams, areas of participation levels, introduction of new players, volunteer support, junior recruitment, school's programs, was very much apparent. It was another great effort by those involved.

**Women's State League** - It was particularly pleasing to see this team continue to be the benchmark for the competition with a fourth successive premiership. The State League team has been without doubt the standout performer for EFLC especially in recent years.

Coached by Tegan Brown and ably assisted by Jeff Kennedy and Charlie Weymess. The State League team demonstrated the desire and application needed to succeed and to be successful. Number 5 remains a real chance for 2019.

Especially pleasing was the development and growth of the young playing group with special mention of Madison Copeland for her stand out season and individual performance. This core of young players also formed the backbone of the State League team and the resultant Premiership. This bodes well in playing depth and team succession for many future years.

**Men's 13's** – Co-coached by Mitchell Kennedy and Gerard Wills.

Great cooperation and support was evident within the playing group, parents and supporters. This helped make the season run very well and resulting in an undefeated season.

**Women's 13's** – Co-coached by Kirsty Graham and Olivia Wills.

As with the boy's team, another competitive and rewarding season. A great job done by two first year coaches with this group.

### **Significant Milestones**

- Madison Copeland,
  - RAC Sports Star Nominee 2018 and
  - Hyundai Junior Sports Star nominee 2018
  - ALA U18 All Stars
  - LWA Senior All Stars RAC Sports Star Nominee 2018

- LWA Women's 17's Fairest and Best
  - *Note: Madison is the youngest player to have taken out both Junior and Senior winner in the same year.*
- Cam Evangelho,
  - Lacrosse WA's Association Awards night, (Joint) winner of the trophy for State League Fairest and Best\*
  - RAC Sports Star Nominee 2018
  - Cann-Griffin Trophy for highest point scorer for the season.
  - LWA All Star Team.
  - ALA Senior All Star Team.
  - Cam Evangelho also capped off arguably his most successful year so far, as a joint winner of the O.C.Isaachsen Trophy for 2018 Best Male Player in Australia. \*  
(\*Congratulations also to Brad Goddard)
- The Women's State League team continues to be the benchmark of excellence and success for the sport with four consecutive premierships. Five is very much alive in 2019!

### LWA

Special thanks to our club members involved with the ongoing work and support with LWA:

Greg Peacock – LWA VP

Bev Leavy – LWA JLC member.

Tim Kennedy – Senior Club Umpire

### Special Projects/Development

As all clubs are acutely aware, the need for junior recruitment and participation remains the most important strategy for whole of club.

Next year, the continuation and extension of the 2018 Schools Based Programs will be the major development program and initiative EFLC will engage with. In addition, and as compliment, the implementation of a Saturday Modcrosse competition will take place as a priority.

### Members

Congratulations to worthy recipients in this year's club Awards. Dean Borserini – Certificate of Merit and Charlie Wemyss – Life Membership. Two worthy winners and well deserved.

*EFLC "Mozzies"*

Sadly, acknowledging the passing of Greg Delfs, Allan Sweetman and Barry Press, may they rest in peace.

### **EFLC Board and it's members**

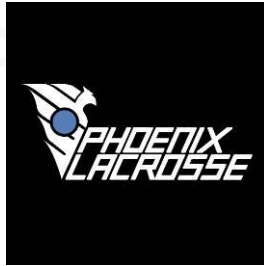

As is to be expected, some of the current Board will not be returning in 2019. New Directors are likely, and several others have expressed interest in coming on for next year. To those leaving thank you for your efforts and to those new arriving I look forward to their support and input.

To the 2018 Board, all the club members and supporters, I thank them for their commitment and efforts in another successful year that was season 2018. I look forward to next season with great anticipation and enthusiasm.

2019 will be the start of what we hope will be another successful and rewarding season. I look forward to getting back to the club as soon as preseason.

*2018 Australian Team members –  
Ryan Spark, Mitchell Kennedy and  
Brock Beall*

## 2018 PHOENIX LACROSSE CLUB ANNUAL REPORT

### Colin Moir – President

2018 has seen the Phoenix Lacrosse Club experience some fantastic moments during the season, after being faced with the heart break of losing our entire women's program in the space of just a few weeks. The emotional process the club had to work through just to ensure our viability for 2018 alone has been a credit to all involved.

We have had many contributors to the operating of the club, with strong assistance from players, parents and families in general. I would like to thank our hard working committee, they have been fantastic with their time and commitment, ensuring we steer the club through this phase of uncertainty as we aim to find ways to improve across the board and lead us toward stability, surety & growth.

A special thank you to our amazing Canteen Crew who kept the hordes happy with great food and service during the season. To our Coaches, Referees, Managers, Officials, Grounds Markers and Helpers – In the busyness of getting teams on the park & managing the club, we sometimes lose sight of the value that you all bring to your role and your commitment to the club. However, please know that your efforts are appreciated and today we offer you our sincere thanks for your involvement & contribution this year.

On the field we had another strong showing from our juniors coming through. This is the result of previous year's efforts in development and the hard work being done to continue this important (and vital) part of the Club's future. We were able to field:

#### **Men's**

1 x 11's, 1 x 13's, 1 x 15's, 1 x 17's and 1 x Division 2.

As presented in the Phoenix Vision Document, next season we aim to continue development with our junior numbers and push for a 2<sup>nd</sup> 11's team, and a Men's Division 3 team.

The club had some great personal achievements from our playing group – both seniors and juniors, with representation in the following LWA Teams:

- Girls U15's Flames Team
- Boys U15's Braves Team
- Girls U18's WA State Team
- Boys U18's WA State Team
- Women's Senior WA State Team
- Men's Senior WA State Team (Head Coach)

Our club had 3 x teams reach finals this season which was a tremendous effort.

After a few seasons out of D2, our Senior Men's Team made it to the preliminary final.

Our 17's had a great year, making it all the way to the preliminary final as well.

And the 15's had an incredible season, remaining undefeated and claiming both Minor Premiership and Premiership (the first time the boys have achieved this feat in 29 years). This 15's team also blooded 10 players from our 13's team, giving them invaluable experience for next year when they step into full time 15's.

Our 13's Team had a wonderful year and really showed their improvement in the second half of the season. With some great team play and increase in their game IQ – the kids all rose to another level and should be set to go for 2019.

*Phoenix Division 2*

Off the Field – The club had a smooth year. Whilst our membership based dropped due to not fielding any women's, I believe this has created a necessary and fantastic opportunity for the club to take a step back and have an honest look at where we are at, and where to from here.

Sometimes through adversity, opportunity arises. The Management Committee created a 'Planning Team' of 4 x members. The purpose of this subcommittee was to allow the Management Committee to continue the day to day operations of the club, whilst the planning

committee would look at how the club can step out of past challenges into a future that will provide a sustainable and enterprising club.

The Planning Team has been meeting weekly for nearly 3 x months and believe that what has come out of that is a document that articulates what Phoenix has always stood for, and a blue print that will guide the growth of a club enterprise that values people, the game and the community it creates.

A key to the club's viability and ability to thrive in the future is the need for the creation of a club 'enterprise' which by nature will require more and better structure, processes, & policy – which in turn will provide valuable guidance for people when they step up to volunteer.

### Looking to 2019

We have continued our Planning Sessions for 2019. We will be looking at a range of areas the club intends to focus on, as detailed in the Club Vision Document:

- Phoenix Lacrosse Club's Purpose – why do we exist and why do we do what we do?
- Ongoing Junior Recruitment and Development
- Fielding teams in D2, D3, 17's, 15's, 13's and 2 x 11's Teams
- Review of Club Facilities and Improvements
- Financially sustainable growth plan
- Continued enjoyment, fulfillment and social engagement with new, existing and past members and players

All in all, it's been a very active and challenging 2018 for Phoenix Lacrosse. It is a privilege to be the President of a club that is going through an exciting phase of its existence and creating a very bright future.

*2018 Premiers - Phoenix Men's 15's*

## 2018 SUBIACO LACROSSE CLUB ANNUAL REPORT

### Michael Wann – President

Our 2018 season was an enjoyable season with solid progress and mixed results. Our thanks to our faithful volunteers, coaches, parents, members and players who maintain their support of our junior development and club involvement to sustain our presence and growth objective.

We welcomed the opportunity to host players and parents as loan players (predominately East Fremantle), as well as very appreciative of the support of Wembley in welcoming our players, parents and coaches in 2018. This has been very important to growing (or maintaining) our game by providing positive lacrosse experiences and opportunities for players and parents.

Our thanks to the ongoing support from LWA and in particular Roxanne Leavy and Murray Gates. Roxanne and Murray continue to go above and beyond their allocated duties. Their care, passion and time commitment is acknowledged and appreciated.

Our thanks to the Australian Lacrosse Network (ALN) for promoting and covering lacrosse locally, nationally and globally.

We satisfied our constitutional requirements and financial obligations. We have completed our AGM and are on track to achieve Government of Western Australia (Dept. of Commerce) requirements relating to The Associations Incorporation Act 2015 that commenced on the 1<sup>st</sup> July 2016.

#### ***Our highlights***

##### *1. Increase in Junior men player numbers and teams.*

Our Mod-X program continues to go from strength to strength, with several families committed, as well as fielding a full team and a bench in the Wembley modcrosse competition. We will be looking to refresh our modcrosse offering in 2019 by reducing the number of on field players, reducing complication and reducing the size of the field to improve their modcrosse experience by inspiring participation (as less on field players allows and encourages more on field time, space, running and opportunity to develop skills and confidence) and increasing number of teams (by reducing the number of on field players with shorter fields).

Our thanks to Betsey Newman for her involvement and championing modcrosse with Rosalie Primary School. Also Andrew McTaggart for his passionate and tireless leadership as our Director of Development over many years.

We were excited for our mid-season inclusion of a Men's 11s team, though our numbers were limited due to policies and process (driven by Insurance requirements) related to playing first year players who are overage and lacked confidence to play Men's 13s. These players trained with our 13s to retain their involvement, build their skills, understanding and confidence.

We fielded full teams in Men's 13's and Men's 15's. The improving players' development, performance and results attributed to the commitment and efforts at training from players and coaches. The inclusion of loan players from East Fremantle seeking to gain 15s experience to prepare them for national representative team competition worked well in boasting the experience for all players. Thanks to Dan Ryugo and Louis Saare as coaches.

Our few Men's 17s along with coach Ashby Dennis combined with the Wembley team as loan players. Our thanks to Wembley for their support and sharing the common goals for us to all do what we can to keep players involved.

2. *Increase in Senior Women player numbers, performances and results.*

We were fortunate to have an Increase in player numbers and our State League Women's team played in the finals. State League consistently played with 13-14 players and the team finished in 3<sup>rd</sup> position, their highest ranking for many years. We welcomed 4 players from other clubs to play with us. We respect, appreciate and commend them on their courage and confidence to seek opportunities with us.

Erin and Shannon Mitchell won silver with the U18 State Team and Erin also made the Australian All Stars.

Travis Roost coached the winning Senior Women's state team which included Courtney Ackland. Courtney made the Senior All Star team with Travis the All Star Coach.

Congratulations also to Courtney Ackland for making the WA Senior All Star team for 2018.

We congratulated and wish Shannon Mitchell and Kate Churchward all the best on their selections in the U19 Australian Squad. This team will be selected in January and we wish them well.

3. *Representation in and contribution to State and National teams.*

We were very pleased and proud of all our players and coaches who performed in or are trying out for State and National teams.

4. *Increase in home games.*

Our club, community and game benefited in many ways from the increase in home games (from 2017). We welcomed the opportunity to host 3 rounds of Women's fixtures, increased number of Men's home games due to retaining all State League and Division 2 home games (last year half were played at Phoenix) and increase in number of fixture games and hosting of the Anzac Day game.

We hope to host a pre-season Gala Day for all clubs and all grades across Women's and Men's in 2019.

5. *Sponsorship.*

We are thankful for the significant contribution from our major Sponsor, Hartac. Our appreciation and gratitude goes out to Paul and Phil.

6. *Development Officers.*

We were fortunate to engage and maintain the involvement of 7 Development Officers for the majority of the season. We thank them for their enthusiasm, energy and passion for the game. We appreciate their willingness to support LWA and other clubs to support a key objective of growing the game by attending schools beyond our zone.

7. *Commitment and contribution of volunteers*

Our special mention to Helen Heppingstone, Anna Forest and Dan Ryugo for going above and beyond in their time commitment and investment to the club.

8. *Completion of Operational Plan 2015 to 2018*

Many of the objectives and action plans have been executed with mixed results. We will renew our strategy and operational plan so we can align and maintain our structure, focus and activities from 2019.

***Our areas for improvement and focus in 2019***

1. *Low number of Junior Women players.*

We fielded only fielded one Junior Women's team for the length of the season. Our thanks again to Wembley for their support and sharing the common goal for us all to do what we can to keep players involved and maintain great lacrosse experiences for players and parents. We have increasing concern in being able to field teams in 2019 with the inclusion of the Women's 15's grade (currently only 13's and 17's).

Our key actions:

- Refreshed development strategies that have a greater focus on our local schools.
- Tailoring our programs to align with the school curriculum and assessments, and customer needs by engaging with our customers (local schools) to really understand what they need, works and can be better.

2. *Decrease in Senior Men and Division 2 players.*

Division 2 players returning to Phoenix as they re-entered their Division 2 team was a big positive for Phoenix and lacrosse overall. Some players from the previous season did not return mostly due to work commitments. Low number of Division 2 resulted in most games being played with a reduced number of field players (e.g. 8 a side) and some forfeits.

*2018 LWA All Star – Courtney Ackland*

The reduction of player numbers and experience did impact our numbers and on field experience. On too many occasions we needed to reduce on field player numbers to proceed with games. We thank all clubs for their support in reducing or providing players.

Our key actions:

- Ongoing engagement with past senior players and encouragement of junior players to play up in Division 2 in 2019.
- Establishing working relationships with local university to understand the opportunities for how we can design and deliver providing lacrosse options to suit their various sports programs and student (customer) segments.

*2018 Australian Team member – Isaac Cahill*

*3. Smaller, shorter, quicker and more involved formats to increase attractiveness and participation of lacrosse.*

We will be looking to trial smaller, shorter, quicker and more involved formats (e.g. half size field, 5 v 5 or 6 v 6, less players per team (more teams), shorter time periods) to understand the attractiveness and benefits for new and experienced players.

Observing the success of other sports to test and implement short formats of sports (e.g. 20/20 cricket) and in response to some perceptions and a reality that some forms of lacrosse are quite complex for prospective and new players, parents and spectators; reduced "ball contact" or "in play" time players have on larger and segregated fields; increased participation by having less players on a field; increased speed of transition and playing both ends / more positions.

Our key actions:

- Coordinate with interested players, teams and club during off season.
- Hold 2019 Gala Day at Rosalie Park for all clubs and teams.
- Test with our modcrosse teams.

*4. Losing sight of what clubs and developing players, coaches and teaches need to understand, develop and grow lacrosse.*

An area of concern observed and expressed during our AGM relates to the recent survey distributed by the Australian Lacrosse Association (ALA) and review of publically available information from the ALA website, that there is overweighted focus on the long and growing list of Australian representative teams at the expense of supporting the development and promotion of local and club lacrosse by the governing body. This does not appear to have proportional alignment with the ALA's Constitution Objects and Strategy for Lacrosse in Australia 2015 – 2018.

While scattered throughout endless online channels there is no single source for this information in Australia. In acknowledging and appreciating the materials available through Quick Stix Program, these materials are restricted and not freely available. We believe this should be a core responsibility and area of focus, overarching the association and governing body as illustrated by many other sports.

Our key actions:

- We are embarking on plan and process of developing and making freely available documents and videos that aligns to the pathways and needs of a players, parents, teachers or volunteers that will assist in understanding, coaching, teaching and developing the fundamental skills, positions, team play and tactics for the various forms of lacrosse.
- Working with local schools and university to develop and tailor modified lacrosse programs that can be delivered over a part of full term (4, 8 to 10 week programs) for them, with them or by them.
- Update our website and provide materials as they are finalised.

## 2018 WANNEROO-JOONDALUP LACROSSE CLUB ANNUAL REPORT

### Dean Stampalia – President

The 2018 season for Wanneroo-Joondalup Lacrosse Club has been that of a much anticipated and exciting one; with the completion of our brand-new facilities, ever-growing member base and attitude around the club, it was evident that we were in for another stellar year.

Having the opportunity to take on the role of president at such a time within our club's history has been a very enjoyable and uplifting one. It has done nothing but solidify my trust and love for this wonderful club that I have had the pleasure of being a part of from a very young age.

*2018 Australian Team member – Lachlan Walker*

Throughout the year we have had a multitude of junior and senior members selected to represent the state and country in both playing and official roles as well as trialling for upcoming Australian teams; the presence of our members at a national and international level is quite inspiring and continues to make me proud to be a part of Wanneroo-Joondalup.

During the year we also had the pleasure to present Dennis Holman with a life membership for his invaluable effort and time spent nurturing our club from the ground up. Dennis is a stalwart member of our club and puts in a countless number of hours to our Modcrosse program which is the lifeblood of our club; youth filtering through to our Lacrosse teams are vital to the club's survival and Dennis, along with the coaches and support staff within our Modcrosse competition continue to do an amazing job to make that happen.

This year we had a strong presence within the competition as we had at least one team within each grade, even boasting two Men's 13's, Division 3 and Division 2 men's teams. I would like to

congratulate all the teams that participated this year, including our Modcrosse competition, without which we would see far fewer numbers within our Lacrosse community.

Within grand finals this year we had our Men's 17's men's side come away with a win, beating Wembley to go back to back and keep our streak alive.

Our Division 2 ladies made it to the grand final, but were unfortunately defeated by Wembley. It was great to see them lay it all on the line and leave it all out on the field nonetheless.

Division 3 (Blue) managed to reclaim the flag defeating the reigning premiers East Fremantle in a tight and thrilling game of lacrosse which could have gone either way at any point in time.

Though a massive highlight of the season would be both of our Men's Division 2 team's playing in their respective grand final. The old boys managed to come away with it to go back to back in an amazing undefeated season, though not without our amazing colts team showing their tenacity and pushing them to the very end.

*2018 Division 2 Premiers – Wanneroo-Joondalup Blue*

As the season comes to an end, I would just like to say thank you to everyone for a great year, I hope to see all of you next season and continue to etch the Wanneroo-Joondalup name into Lacrosse history.

## 2018 WEMBLEY LACROSSE CLUB ANNUAL REPORT

### Amanda Plummer – President

Wembley had a reasonably successful season on the field with premierships for both seniors and juniors, many making finals.

One big accomplishment is that we are proud to say we are the only club fielding a grade in every team and some grades multiple teams. That was largely due to a huge drive in recruitment in the past few years. Our last season saw our newly recruited members plummet. This was largely to do with the huge amount of confusion surrounding the delivery of the Quickstix Program from ALA. We also had a new board member doing this role and taking in a whole lot of new instructions and sometime lack of information and pathways caused some concerns that were not addressed. Going forward the club will be looking into a sustainable program that we can offer the services and obtain coaches with or without funding packages.

We had a huge success with the Senior Nationals hosted at Floreat. We wanted to support the hard work and dedication of the teams, especially those that wanted to see the Senior National Championship be one that is recognised as a true spectacle. I think we managed to do so. Film network helped the atmosphere as well as having ALN on board.

Also having ALA support staff in Steve Campbell made a lot of difference!

*2018 Women's 17's Premiers - Wembley*

Main focus for 2019 for Wembley will be in strategic recruitment and a volunteering program where we can get more hands on deck to support bigger roles.

## 2018 ALRA (WA) ANNUAL REPORT

### **Evan Walters – President**

It has been a busy season all around for a great deal of players, spectators and especially referees in WA.

We started the season early with our Under 18's in Adelaide this year, but unfortunately we were unable to send any referees to this event, but still managed to get quality referee assessors there in Peter Mulcahy and myself.

The Senior Championship was well represented again from WA with David McRae, Steven McRae, Kim Panton and Tim Kennedy refereeing and Ian McRae Deputy RiC and Peter Mulcahy and Laslo Tiszavolgyi assessing. David McRae being named All Star Referee and Head Referee in the final (congratulations David).

We had a very good contingent of 3 referees attend the World Championship in Netanya, Israel along with 2 referee assessors. Congratulations to Blair Fraser, David McRae and Steven McRae for refereeing in a very testing environment of heat, along with Peter Mulcahy and Evan Walters assessing referees at a very busy Championship for the assessors.

The finals were held at Bayswater club and supported well by the referees in doing their usual CBO duties for all junior games along with good performances in all senior grades. Congratulations to all that took the field for these games.

The U15 Tournament was held in Victoria at the Altona club and well supported by 2 junior up and coming referees in Jon Taylor and Leslie Wild, along with them and supporting them both at this time was Carole Bowland and Blair Fraser.

It is a bit disappointing to have club/player/parent referees running games on weekends who are not accredited to the rules of the game (junior modified rules), ALRA along with the Men's National Technical Committee (MNTC) have spent a great deal of time making available the referee exam and putting it onto the ALA website. We encourage people to sit the exam yearly (this is what is required by all ALRA officials each year before they can officiate).

The numbers are dwindling slowly in our ranks and we encourage anyone who is willing to pull on the stripes to give it a go, we mentor and coach our referees each weekend at junior and senior grades.

We look forward to 2019 being another great season of lacrosse in WA with junior women trying for the Under 19 team and the start of the selections for the men's Under 19 team for 2020 in Ireland.

To everyone involved in lacrosse in WA, we wish you well from all at ALRA(WA).

# KULJAK LACROSSE CLUB (Inc)

## 2018 KULJAK LACROSSE CLUB (INC)

### Graham Hill – President

Kuljak commenced 2018 with its Annual Breakfast at the Hillarys Yacht Club. Over 50 members and partners enjoyed a delicious breakfast and an opportunity to meet with fellow lacrosse followers.

A slide show of over 200 lacrosse pictures was displayed. Two new members (Tom Pope and Julian McGrath) joined Kuljak on the day.

In April the club held its AGM on the Anzac Day fixture prior to the Men's State League game between Subiaco & Wembley in Subiaco Club rooms.

It was the best attended AGM for many years and the meeting decided that next year's AGM was to be held at the Anzac Day game hosted by the Wembley Lacrosse Club.

**Election of Office Bearers** – President - Graham Hill, Vice President - Bill Barton, Secretary - Terry Ambler, Treasurer - Ian Toy and Committee - Peter Smirk.

The meeting also passed the revised Constitution and new Bylaws. The main change being that the term of office for Club President is no longer restricted to a 2 year term. Now elected annually like the other Club Office Bearers.

The Annual Kuljak Dinner was held at the RAAF Bullcreek Retirement Village and again it was a well-attended event with members and lacrosse friends enjoying an excellent 3 course dinner. Team reunions were members of East Fremantle Lacrosse Club and Nollamara Lacrosse Club who met 40 years earlier in the 1978 A grade Grand Final.

*Colin Mounsey, Allan & Ken Stewart enjoying the Kuljak Dinner*

Also celebrating 50 years since the A Grade Grand Final were members of the Nedlands-Subiaco Lacrosse Club 1968-69 team. It was great to see Alan Longbottom come along after many years

away from lacrosse and enjoy the company of some old team mates. Alan joined Kuljak as a Life Time Financial Member. Joining Alan as new members at the dinner were Jeff Kennedy, Charles Wemyss, Adam Delfs and Tim Kennedy.

Guest speaker Blair Fraser, referee for the Men's 2018 World Championship in Israel, gave us insight into his experiences as a referee at the games. Tim Kennedy enlightened us on how the Australian Lacrosse Network has developed into the place to follow (Facebook) Australian lacrosse.

Those attending enjoyed a lighter moment when the Kuljak All Star Aged Team 2018 (see picture) team was announced.

*L-R: Ken Stewart, Don Rudderham, Allan Stewart, Colin Mounsey, Graham Rose , Brian Griffin, Graham Hill, Doug Killick, Don Whisson, Alby Paul, Bill Brown and Frank Poat*

In September, Kuljak Club President Graham Hill presented Most Valuable Player medals (funded by Kuljak Lacrosse Club) to **Brad Goddard (Wembley)** and **Sarah Mutch (East Fremantle)** at the Grand Final Day at Bayswater Lacrosse Club.

The year closed with Kuljak announcing that ten new members joined over the past 12 months making 2018 the best growth year since the clubs inception.

Kuljak membership is open to everyone so if you are in your twilight years as a player join up. If you no longer play and wish to stay connected to Western Australian lacrosse join up and enjoy the company of other likeminded people.

# 2018 LWA HISTORIAN REPORT

## Ian Toy - Historian

I am pleased to advise that this year has seen a success in adding the historical collection.

The major contribution came from Malcom Stokes who made the decision to clear out his shed and discovered a large amount of Western Australian lacrosse material he had collected and stored. Graham Rose also provided a box of material.

The task ahead is to sort through the material and decide what should be retained and added to the collection. I am sure someone has items that are at risk of being destroyed. Why not have a look and consider donating?

I have identified the coming year (2019) as an opportunity to remind everyone that 60 years ago, Western Australian Lacrosse experienced a major event when the University of Virginia and Washington & Lee University combined team toured Australia. The collection already has a large number of items from the visit but more items are most welcome.

Names of the USA and Western Australian players are:

# 2018 WA LACROSSE FOUNDATION REPORT

## Murray Gates – WALF Director

The board of the LWAF is made up of Mr Evan Walters (President LWA) and Mr Murray Gates (Director of Administration, LWA), Mr Bruce Banyard (Director of Men's Lacrosse, LWA), Mr. Michael Ferguson and Mr. Cameron Blair. The board has no vacancies.

Interest rates remain historically low in the current investment marketplace and given that our charter is to be foremost prudent in our investment strategy, we continued to invest in solid Term Deposits and in turn received a small interest payment with the ANZ. Our base capital has been preserved by these interest payment(s).

During 2018, the Foundation received one application for funding.

For future reference the current LWA website provides guidelines for applications and the application form itself.

The LWAF is always open to ideas that promote Lacrosse in WA for the benefit of all clubs in particular or the game in general. We encourage the Lacrosse community to examine these guidelines before making an application.
