PRESIDENTS ADDRESS

Ladies and Gentlemen,

The presentation of the Annual Report signals the columnation of our season for 1988. The reports which follow provide the details of our activities for the year.

1988 has been on the surface quite successful, if one looks at the results on the playing field. However, I am quite disappointed in the response to circulars and the lack of support by clubs to the administration of the V.L.A.

Our Association can only be administered by an Executive if _

1. it rides rough shod over the feelings of the clubs, or
2. it receives input from the clubs on which it can then act.

As we did not choose to follow the first course of action we looked to the clubs for input and it is in this area that the clubs have let not only the association down but also themselves. I can only hope that 1989 will see a different attitude from the clubs and that the game of lacrosse will be placed ahead of parochial club requirements.

To the finalists for 1988 I wish to congratulate you all for the manner and the standards displayed. The 1988 season columnated with one of the best games of Lacrosse seen for many years in the State League Grand Final.

I congratulate the Premiership teams and remind all clubs that what was done by Surrey Park this year is possible if the application and desire is applied.

To Victorian team coaches Bill Stahmer, Paul Mollison, Joe Downie, their players and support groups I would, on behalf of the association, say thank you and also congratulate you all for your efforts.

We saw the inauguration of an Under 19 World Championships in Adelaide in July, and Victoria was well resprented by twelve players, a Coach and a Manager.

My congratulations and thanks to all for the manner in which they conducted themselves not only as Australian reps but also as representitives of the Victorian Lacrosse Association Inc.

To the receipients of Best and Fairest awards I extend my congratulations and single out Gary Tillotson who not only won the Vince Healy Trophy for Best and Fairest in Victorian State League, but was also

successful in winning the Australian Lacrosse Council Issaccson Trophy as Best and Fairest for 1988.

To the Department of Sport and Recreation the committe of the Melbourne Cricket Club and the Management of Olympic Park I extend my thanks for their support and assistance during 1988.

To the members of my Executive Committee, Paul Mollison, Rob Jackson, Lester Young, Mark Kinderman, Roger Barnes, Mike Hilsberg and Graham Sharpe and the others who gave of themselves on committees I extend my sincere appreciation for your support. It was not possible, because of illness and/or absences due to business etc., to hold an Executive Meeting each month of this past year and I ask that all clubs make the effort to ensure that the Executive Committee is fully manned prior to the commencement of the 1989 season.

It is with some regret that I vacate the chair after only two years, however I have had to re appraise the future over the past 2 - 3 months and for the first time in many years Lacrosse has had to be relegated to second place.

To all the people who have provided support and assistance over the past two years, I give my thanks and ask that, the same support and assistance be given to my successor.

Alan F. Chiron.
President.

OBITUARY

It is with deepest regret that we record the loss of a staunch and willing worker for lacrosse in Charles Gregory

In the 30's Charles played for Caulfield with his brothern Reg. In the years after the war Charles's priorities were attending to the needs of the family and making his way in life. In the 60's son John started playing with Malvern and a short time later took up referees duties which no doubt rekindled Charles interest in the game.

Charles was very unobtrusive and a great organiser and there are many State players, coaches who can testify to his expertise in arranging team dinners at his own home. In 1970 when the Association couldn't get a Secretary Charles stepped in and offered his services for this most important post. No doubt one of his greatest thrills was to manage the Australian team to play the Baltimore Lancers. A referees assessor for many years, his home was always available as a meeting place.

To all the family sincere regrets from the Lacrosse fraternity.

GENERAL SECRETARY'S REPORT

Ladies and Gentlemen,

On behalf of the Management Committee I am please to submit for your approval this 110th Annual Report, summarising the Associations activities for 1988.

Attached, are the reports from the :-

Senior Records Secretary
Junior Records Secretary
Investigation Committee
Box Lacrosse Committee
Lacrosse Victoria

Included, are reports from the :-

Yale University - Visits Committee
Indoor Soft-Lacrosse Committee

1. ADMINISTRATION

(a) Management Committee

The Management Committee met seven(7) times during the year, two(2) meetings were not minuted for lack of a corum and one(1) was cancelled due to members being in Adelaide.

The minutes of the mens and the womens association were exchanged and a number of joint efforts were carried out. These types of interactions are improving the communications between the V.L.A. and the V.W.L.A. and must continue for lacrosse to benifit.

Alan Chiron has made note of his dissappointment in the Clubs in regard to responce, not only to the mandatory things in the Operations Manual like registration lists but also to circulars and minutes. Some of the reasons for this include, the ages and inexperience of most Club Committee personnel and the lack of importance that Club Committees place on association communications. A Management Committee or sub-committees can not be perceived as to having a crystal ball, it must rely on information (even if only a few lines) back from the Clubs as to their opinions, this also includes team sheets in on time.

There was one(1) Special General meeting of the Association this year with the attendance fair by most clubs. Two(2) clubs were not represented at all.

There was also a meeting of Club secretaries with the V.F.U. Player Accident Fund representative where each was provided with information and all the relevent "Claims Material". This meeting was held in conjunction with V.W.L.A. Club secretaties some of whom fullfill both roles.

(b) Finance Committee

One wonders why a standing Committee that should play such an important role cannot produce one piece of strategy in three years of existence. This is not due to the willingness of the few who have nominated for the Committe, but the lack of nominations from the people with buisness background who could the generate enthusiasm to attack such topics as -

Puchasing a shop for the uses of Lacrosse administration.
Generation of sponsourship prospects
Employing a full time V.L.A. Administrator
Advising on investments of V.L.A. funds

(c) Planning Committee

As with last year this Committee did not meet. No directions were given to the Deputy President due to the under manned Management Committee and the said person conveyning both the By-laws Committee and sitting on the Permit Committee. Some topics which need to be looked at very soon are,

- A playing home of lacrosse, maybe the Punt Rd. Oval after the road widening. Discussions must take place with the M.C.C. now if we are to have any chance.
- The planning of new clubs with lacrosse personnel who already live the in new estate areas. (i.e. Mill Park, Werribee etc.)

(d) By-Laws Committee

Notice of Motion's for alterations to the Association By-Laws have been prepared by this Committee for consideration at this A.G.M., as has many other alterations and additions to the Committee By-laws. We were quite fortunate to have on the By-Laws Committee this year two long standing members of the Permit Committee which provided the experience to improve the by-laws considerably.

(e) Permit Committee

The general running of the fixtured games was attended to on Tuesdays at lunch times by the Permit Committee and on behalf of the members of the association, I thank you for your dedication to your daytime meetings.

I am told that the Operations Manual and additional changes to the By-Laws are continuing to improve the functions of this Committee, which is terrific.

Also that the submitting of score sheets is as bad as it has ever been and is the major cause of unavailable and late ladders.

It will be a consideration of the incoming Management Committee to take steps to remedy this continuing situation. The suggestion of raising the fine may not even be enough to deter offending Clubs and that the approach of the V.W.L.A. may be the only answer, that is loss of match points. It definitely works because the V.W.L.A. have their scores in the paper every Monday.

Many thanks to Peter Stiglich who has sat on this Committee for the past 4 years and has acted as Secretary for the past 3 years. Peter is unable to stand for this Committee in 1989 due to work commitments.

(f) Investigation Committee

This Committee was required to meet on 9 occasions this year.

Appreciation of the Association is extended to the Investigation Committee members for their Wednesday Night attendances to matters involving many clubs of all senior grades and two in the under 17 grade.

The majority of reports came from State League; there were 9 reports in senior games and 2 reports in junior games.

It is pleasing to see that this is 6 reports less than last year.

Many thanks to Wes George who acted as Chairman/Secretary again this year, and to the M.C.C. Club for the use of their club rooms on each Wednesday Night.

(g) Match Committee

Again this year, prior to the season, the Match Committee had discussions with the V.W.L.A. for preliminary planning of the fixtures and the Finals Schedule. It was unfortunate the Melbourne Cricket Club did not allow the women to play their finals over the same weekends as the men at the Albert Cricket Ground.

There were two U/13, one Div. 1 and one Div. 3 team withdrawals this year.

The fixture was provided in the Magazine. All rounds, mens and womens, and all Special Events information was provided in the EVENTS CALENDAR.

Many thanks to the members of this Committee for their long hours and late nights to grade teams and to produce our fixtures and finals schedule.

(h) Sponsorship

The official airline of Lacrosse for Victoria, "Australian Airlines", again provided assistance with our teams travelling interstate.

On behalf of the V.L.A. Management Committee and Membership, I would like to acknowledge the following sponsors for their support and assistance to the Association and to the 1988 Senior, Under 17 and U/15 state teams.

AUSTRALIAN AIRLINES
COMMONWEALTH BANK
DEPARTMENT OF SPORT AND RECREATION
OLYMPIC PARK MANAGEMENT COMMITTEE
LANCER SPORTS (E. & G. TOOMEY)
V. F. TRAINORS PTY. LTD.
STX AUSTRALIA
ROTA
THE LACROSSE SHOP

Many thanks to all our sponsors for your support.

(i) Department of Sport and Recreation

Details of the Departments involvement are covered under the heading of Lacrosse Victoria.

(j) Grants Committee

No Grants of Assistance were allocated this year. It was decided that any application from existing Clubs should be submitted with a Balance Sheet for the past two years.

(k) Melbourne Cricket Club.

The V.L.A. extends its appreciation to the Management and Staff for their assistance in providing the "Delegates Room" for meetings.

(l) Vicsport

The V.L.A. attended regularly the VICSPORT meetings.
Our delegate this year was our President, Alan Chiron.

(m) Junior Committee

This Committee did not meet this year. Ray Shannon has asked for direction and tasks.

(n) In Passing

The 1988 14TH Annual Golf Day at Cranbourne was a great success and attend by 71 enthusiasts in fine and warm conditions.

VLA CUP Best Gross Score	L. WHITTING	85

HIGHEST GROSS SCORE	C. FLOOD	
HIGHEST SCORE ON ANY ONE HOLE	C. FLOOD	

Many thanks you to Terry Allington and Phil Humpheys for an enjoyable and well organized day.

2. PLAYING ACTIVITIES

(a) Domestic

There were six(6) State League and one(1) Division One game played at Olympic Park No. 2 this year. All were played on Saturday nights because all the Friday nights had been booked in January. If we are to continue the promotion of our game at this venue, or any other night time venue, we will have to book for Friday nights pryor to Christmas, as the Saturday night attendances this year were well down on the Friday night attendances of last year. Also at this venue was a Victorian Under 22 Team vs. U.S.A. Under 19's where the visitors ran out winners 14-12.

The Victorian seniors met the Australian Under 19's for two matches, the 4th July Local International's Annual game, the U.S.A Under 19's for a game and Yale University for a game all pryor to the Australian Championships in Adelaide. Many thanks to Bill Stahmer and Alan Gandy for their efforts with the senior state team and assistance with the visiting teams this year.

State League and Division 1 finals were played at the Albert ground, with attendances of approximately 400-500 for each weekend. The Grand Final of each of these grades were of a very high standard and very exciting games to watch.

The State League section saw 3rd place team Malvern beating 4th place Chadstone. Williamstown 2nd place were beaten by 1st place Surrey Park. Malvern then beat Williamstown in the preliminary final. The Grand Final between Surrey Park and Malvern provided a spectacular display of skills, fitness and excitment with the lead changing many times during the game. It was a very releived Surrey Park coach in Dennis Trainor after the game since his previous two attempts had resulted in losses, 87 with Chadstone and 85 with Surrey Park. 1981 and 84 had been wins for him with Surrey.

Division 1 finals saw 4th place Malvern account for 3rd place Williamstown. 2nd place Eltham were beaten by 1st place Surrey Park. The preliminary final between Eltham and Malvern saw Eltham overcome the more exeperienced Malvern. The grand final between Surrey Park and Eltham was a very tight contest with Surrey proving to strong in the end.

I would like to thank the referees and the referees assessors for their contribution to the game during 1988. I would also like to congratulate Gordon Elder on officiating his 10th consecutive State League grand Final.

Full details of all grades are in the Record Secretaries Reports attached.

(b) Interstate

The Senior Championships were held in Adelaide where Victoria were defeated in the final by W.A.. The team, Coaches Bill Stahmer, Gus Garnsworthy and Managers are to be congratulated for their committed efforts.

Congratulation to all players selected in the Allstars :-

R. Ansell, P. Brown, J. Butkiewicz, J. Campbell, D. Gibson,
B. Skepper.

(c) International

YALE UNIVERSITY

Yale were hosted by the Footscray Club. There were two games at Footscray, one against Victoria and one against Footscray.

Many thanks to Neville Aldridge and Alan Chiron for refereeing the midweek games.

U.S.A UNDER 19 TEAM

After much chasing around by Alan Chiron, nearly all of this team was billeted. Many thanks to the lacrosse fraternity for coming to the rescue with assistance in billeting, unfortunately not all were able to be accommodated and nine had to be placed in a motel.

(d) Box Lacrosse

The 1987/88 summer saw its second season at the Footscray Indoor Sports Centre, unfortunately the final season in this building as it was sold at the end of our season. Six (6) teams took part in a competition played over thirteen(13) weeks, seven(7) prior to christmas and six(6) after. This proved just as succesful as the past 5 years with a pre-xmas season.

In "Senior A" the Renegades 1st place were beaten by the Seals 2nd place 15-9 in the semi-final the Renegades then defeated the Mohawks 29-10. In the READ CUP (Senior A Final) the Renegades reversed the semi-final result and defeated the Seals 17-15.

In "Senior B" 1st place Vikings beat the 2nd place Warriors 14-8, the Warriors then beat the Panthers, then in the L.W. TAYLOR CUP (Senior B Final) the Warriors reversed the result and defeated the Vikings 14-11.

Details of the seasons results are appended to this report.

(e) Intervarsity

There was no official competition this year as Adelaide Uni. and Flinders Uni. failed to provide teams.

(f) Gymkhana

Surrey Park played hosts to the event again this year, providing grounds , canteen facilities and organizers.

The Under 15 section was won by Eltham.

The Under 13 section was won by Footscray.

The Under 11 section was won by Surrey Park.

Our appreciation is extended to A.L.R.A. for their contributions to the event.

Congratulation Surrey Park on an excellent day.

(g) Indoor Soft Lacrosse

The 1987-88 summer, mixed Indoor lacrosse season was played at the Footscray Indoor Sports Centre over six Sundays. Ten(10) teams and 102 players participated in a most enjoyable competition. The eventual winners of the competitions were

Group 1 - Mongoose
Group 2 - Chaddy.

Many thanks to the players that refereed games.

(h) Referees

Congratulations to Gordon Elder and Noel Gilbert on their selection to the Senior Championships and to John Nolan on his selection to the Under 19 World Championships. Comiserations to Graeme Reddaway on his unfortunate withdrawall from the Under 19's after a fire at his home.

On behalf of the Association, I sincerely thank all the referees for their dedicated contribution to the game.

Thanks are also extended to Noel Gilbert(Secretary), Graeme Reddaway(Allocations Officer) and Lloyd Holmes(President) of A.L.R.A. Victoria for their valuable services this year.

(i) Best and Fairest

These results are included in the Senior Records Secretaries report.

3. GENERAL

(a) Australian Lacrosse Council

The Board Members of A.L.C. have been kept busy this year, with two Australian Championships and the Under 15 Tournament. Plus the Under 19 World Series in Adelaide as well.

With Phil Humpreys as President, and George Tillotson as Executive Director, A.L.C. has two very able representatives from Victoria.

(b) A.L.C. Certifict of Merit

At the 1987 A.L.C. A.G.M. , A.L.C. Certificates of Merit were awarded to

Robert Joy
Joe Downie
Paul Mollison.

(c) V.L.A. Past Presidents Trophy

At the 1987 A.G.M. the Past Presidents trophy was awarded to Michael Hilsberg for his long association with the V.L.A. and A.L.C. Lacrosse administations, International and National Visits Committees, Finals Committees, Malvern L.C., one year at Altona L.C., a number of State Teams as a player, a Coach and Manager, an Australian Team representative and the position of Executive Director of the S.A.L.A.

(d) Life Membership

At the 109th Annual General Meeting, the V.L.A.'s highest award was bestowed on Robert E. Jackson for the many and varied services to Victorian Lacrosse which includes a number of years on the V.L.A. Management Committee, Delegate to A.L.C., International and National Visits Committees, Finals Committees, Match Committee, Manager and Selector of a number of State Teams.

(e) Magazine

Edited and published by Lacrosse Victoria, the bi-monthly magazine has been of interest to the 700 odd subscribers. Many thanks to George Tillotson for his efforts.

(f) Presentation Night

After declining enthusiasm to an evening affair the presentations of Premiership Trophies and Best and Fairest awards was held at the Albert Ground following the State League Grand Final. The presentation was well attended by all players and spectators, with all clubs being present to accept Pennants.

4. CONCLUSION

I have enjoyed my three years as secretary in so much as the satisfaction of the Operations Manual and the challenge of a newly structured Management Committee. The Manual will always be a chore to upgrade the pages as they are required but this is far outweighed by the value in which it should help Club Committees.

The most disappointing thing about my three years is the lack of time available to work on new projects. All time and energies seem to be swallowed up into the daily runnings of the Association and the associated paper work. My computer is the only reason I have been able to complete three years and it is a purchase that the V.L.A. must make. There are some 5 years of data stored on disc to make the duties of secretary more efficient.

Our Standing Committees must respond to the deficient areas of our game or we are going to be left further and further behind. If you remember the growth of soccer about ten years ago, the explosion of basketball in the past two years and the present planning of the National Baseball competition we must get off our backsides and help ourselves. It's a fact that kids won't become any easier to recruit with all these high profile sports to choose from, so each Club must do their own little bit and recruit a good supply of juniors and at least get some publicity in their local papers.

The whole idea of the night games at Olympic Park No. 2 over the past two years, has not only been to expose players to the synthetic surface, but also to increase the publicity possibilities and to gauge the attendance figures and costs as to whether we could sustain our own venue. It is obvious to me now that at this point in time we do not have the support for such a venture.

Earlier this year a Club Treasurer was voicing his disapproval to the night games and also the financial burden on Clubs. I informed the said Treasurer that if the night games attendances could be built up to 500-600 Adults per game, that each Club could look forward to a healthy little rebate at the end of the season as happened in 87. It is unfortunate that attendances this year were lower than last year and the result being a cost to the Association(Clubs).

I would sincerely like to thank the Record Secretaries, Barrie Moore 14 years and Frank Lansbury 21 years for their valued services. It is obvious that these two men will not hold these positions for ever and that someone else will have to take over one day. Our Treasurer Lester Young for his 5th year in the position. To the Deputy President Graham Sharpe and other Members of the management Committee Rob Jackson, Roger Barnes, Mike Hilsberg and Mark Kinderman thank you very much for your contributions this year.

It is unfortunate the Alan Chiron is not standing for a third term but I understand completely. Alan has been fully committed in his role as President and his two year term has produced varied changes and improvements in the running of Association.

Paul Mollison
General Secretary

As for previous years Lacrosse Victoria has continued its programme of promoting lacrosse throughout Victoria.

Utilizing the services of experienced players and ex-players SOF-CROSSE clinics have been conducted at a large number of schools in both the metropolitan and country areas under arrangements made (a) with individual schools (b) with organizers of the Melbourne Sports Network and (c) as an active participant in the Victorian Sports Experience Program conducted under the successful Australian Sports Commission's AUSSIE SPORTS scheme.

Experience has shown that SOF-CROSSE is one of the most popular of the "modified" sports played under the V.S.E.P. with usually in excess of 200 participating during each clinic. (refer attached newspaper cuttings). It also continues to attract several teachers in each of the seminars conducted by the Australian Council for Health, Physical Education and Research with assistance of lecturers acting on behalf of Lacrosse Victoria.

Despite some difficulty with human resources Lacrosse Victoria is able to meet most requests for clinics largely as a result of the co-operation and assistance of several members of the V.W.L.A. and on occasions by members of the V.L.A. Lacrosse Victoria is extremely grateful to those who have assisted them in their efforts.

As part of its promotional activities Lacrosse Victoria undertook to provide SOF-CROSSE information on a "free" basis to school children in receipt of a publication printed by Five Mile Press - Free Stuff for Kids. Subsequently requests from over 200 children have been received from children in all Australian States and are being processed.

In addition to the above activities Lacrosse Victoria has continued to work on behalf of its member Association in the submission of grants to Government for assistance. It also continues to be a "contact point" for people seeking information on a wide range of activities concerning the VLA Inc and V.W.L.A. Inc.

It is essential therefore that it is kept up to date with matters of interest as far as they concern the public and member clubs.

A very important and time consuming task is the preparation and publication of "The Lacrosse Player". Through the assistance of Keith Chamberlain envelope labels are produced at little monetary cost but considerable difficulty continues because of the lack of co-operation of some clubs in providing magazine lists and of importance clubs and recipients failing to keep Lacrosse Victoria up to date with the correct addresses of their members. Of some concern is the apathy of clubs in meeting dead-lines and providing articles of general interest to the lacrosse fraternity. To the regular contributors "THANK YOU".

As part of the development plan prepared for the next 3 years efforts planned for the next 12 months include the development of Mod-crosse in conjunction with the continued development of SOF-CROSSE. MOD-CROSSE will occupy an important place in overall development being the transitional game between SOF-CROSSE and Lacrosse. Regional school competitions are being investigated.

Provision has also been made for the conduct of Level 0 coaching courses to aid the development of suitable skills to teach MOD-CROSSE.

Reports on the activities of Lacrosse Victoria are regularly reviewed at regular meetings of the Directorate comprising delegates - Mr. L.W. Taylor (Chairman), (VLA), Mr. A. Chiron (VLA), Mrs. J. Jackson (VWLA) and Mrs. S. Green (VWLA). Reports on clinics on known sof-crosse activities are provided to clubs for action as appropriate.

It is most important that clubs utilize this information for recruiting purposes. It is unfortunate however that Lacrosse Victoria is unable to provide precise information of purchasing of equipment as it only has access to the records of its own activities.

The financial situation of Lacrosse Victoria remains satisfactory with income being derived from Government Grants, Equipment Hire and Sales, Clinics and Subsidies provided by member Associations. It is strongly urged that clubs and their members utilize the services of "The Lacrosse Shop" for the supply of the complete range (Brine and STX) lacrosse equipment and reduce the dependance on Associations for its operation.

George Tillotson
State Director

Average 21 teams were entered, three less than the 1987 season.

Club financials and two queries for 1986 were as follows:

JUNIOR RECORDS SECRETARY.

1987-88 BOX LACROSSE LEAGUE

There were 6 teams and 80 players who took part in the second season of competition at the Footscray Indoor Sports Stadium. With additions of the scoreboard and 30 second clocks and modifications to the gates, many thanks to Gary Smithwick, Steve Mravlek, Greg Mollison and Richard Tonelli, the standard of play has continued to improve.

INVESTIGATION COMMITTEE REPORT.

Gentlemen,

This Committee was required to meet on 9 occasions this year to adudicate on 15 matters made up of 4 appeals, 1 charge of threatening a Referee, 3 charges of striking, 1 charge of striking a Referee, 2 charges of unsportsmanlike behaviour to a Referee.

As a result of our deliberation,

1 appeal was upheld

3 disallowed

3 reports were unsubstantiated

On the remaining 8 reports a total of 25 weeks penalty were imposed with 6 weeks of this time suspended. The offences were spread over all grades as follows -

State League	4
Division 1	2
Division 2	2
Division 3	1
Under 17	2

The attendance at our meetings were:-

I. Ternes 5 K. Waite 8 B. Tricky 7 D. Morgan 4 J. Williamson 3
W. George 8 R. Jackson 6.

Our grateful thanks to the MCC Club firstly for the use of the Albert Park Pavilion and then when that was no longer available for arranging the use of the Lower Delegates Room at the M.C.C.

W. GEORGE
CHAIRMAN

4. INTEREST RECEIVED

This year the total interest received was divided amongst the various funds in approximately the same proportion as the funds are to total V.L.A. funds.

	%	
Capital Projects Fund	50	3200
Box Lacrosse Fund	5	320
Development Fund	4	260
Player Insurance Fund	5	320
Special Events Levy	6	380
General Fund	30	<u>1702.12</u>
		6182.12

5. INTERSTATE TEAMS EXPENSES

There has been a slight change to the format of this section. Total costs are attributed to each team rather than lumping the various costs together.

6. MEMBERS FUNDS

Movements were recorded in the members funds during the year as follows.

	<u>GENERAL FUND</u>	
16263	Balance at 1 November 1987	21816
	<u>ADD</u>	
5553	Surplus for the year	(2406)
