Introduction

What a challenge! A hundred years of proud lacrosse. Supported by the many workers, players and supporters of one of the great clubs. Without them the Malvern Lacrosse Club would never have got off the ground. This history is dedicated to all who have "belonged" to the Malvern Lacrosse Club.

If you have belonged you will probably find your name somewhere in this history. It is not a matter of what anyone did but rather that we all belong to a great club and indeed game. Read this as a memento of the past, present and maybe the future of this great club.

This history is already out of date. We are constantly creating history and even as this is printed I know that there will always be more to add to this document.

May I take this opportunity to thank a few people. First off to my family who have put up with me being locked away trying to compile and update this, to Robert for scanning pictures, documents and odds and ends, to all the people of the Malvern Lacrosse Club for providing the material over a 100 years and finally to all the people in Lacrosse for whom this record is produced.

Finally, if there are errors in spelling of names, incorrect scores or anything else that is felt to be incorrect, please accept that this book was compiled in good faith and no infraction was intended. I will only be too happy to amend errors in later editions.

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

History

The history of a sporting club can mean a number of things - the manner of its original formation and its progress over the years; a compilation of a list of its officers over the years; a compilation of a list of the successes achieved by teams representing the club and the exploits of individuals as representatives of the club in Victorian Lacrosse, in Interstate matches; as representatives of Australia in International matches; the winning of the best and fairest awards; the naming of particular individuals who have brought honour to the club as players, coaches or administrators over a long period. The list goes on.

During Frank Lansbury's time as Honorary Secretary, the stage was reached on a number of occasions when players became blase about winning premierships, and when the taking of photographs of teams was not accepted with any enthusiasm. This accounts for the very small proportion of the total premierships won by the club being represented by photographs. The photographs around the walls of the clubrooms are all that is available of the premiership teams.

Minute books have been kept on the club since its formation in 1903. They are now in the hands of the historian for the Victorian Lacrosse Association, Mr. Doug Fox. The years 1916 to 1930 were never passed on to Mr. Athol Evans (the Secretary of the time) in 1933 and their whereabouts have never been determined. During both World Wars lacrosse was limited and so the periods 1916 - 1918 and 1939 -1945 would have little to record in regard to the competition played.

The early minute book discloses that a meeting of the Malvern Lacrosse Club was held in a room at the Malvern Town Hall on Wednesday, 15th February, 1904. It appears it was well attended by members and intending members; this statement tends to support the fact that the club played in 1903 and this was its first annual meeting. The chair was occupied by Mr. Ed. Edwards (whose son Les Edwards lived in Glen Waverley - at least in 1972 - and was

interested in the activities of the club), and the object of the meeting was explained. The members present formed themselves into a committee to consider a code of rules drawn up by a select committee.

This code, with minor alterations, was accepted by the Committee of the time, and consequently became the rules of the club. These rules (See Appendix 1) remained unchanged until 1963 and governed the conduct of the club for approximately sixty years. The rules were again changed in 1986 when the club became incorporated to protect the committee members from litigation, should any arise, showing a sad state of affairs in the age in which we now live. At the first meeting Mr. Ed. Edwards was elected President, a number of gentlemen were elected as Patrons and Vice-Presidents and all other offices were filled. The Honorary Secretary elected was Mr. J. W. Schafe, who is believed to have been one of the guiding forces behind the formation of the club. He came from the St. Kilda Lacrosse Club and was vitally interested in professional athletics; a number of the original members of the Malvern club were professional runners. Mr. Schafe continued his interest in the club during his lifetime and lived to the age of 82. Frank knew Mr. Schafe well and remembered listening with interest, on many occasions, to his stories of happenings in lacrosse and professional athletics. Apparently Mr. Schafe was regarded as somewhat of a "wild man" in his younger days. He attended the club functions and arranged the printing required by the club from time to time as he owned and operated a large printing firm, then located in Lonsdale Street, Melbourne.

The next Annual General Meeting, according to the minute book, was held at the Malvern Town Hall on Wednesday, 5th April, 1905. The President elected on this occasion was Dr. Hugh Murray, with Mr. Schafe again as Secretary. Mr. Jim Barrie, who returned as a supporter of the club many years later was elected to the General Committee on this occasion. A list showing approximately forty names appears in the minute book, those concerned being club members of that time. A number of these persons were also known to

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

Frank Lansbury and were still associated with the club in 1920 when he first became a member. Amongst the members were Jack and Mel Beattie (killed in the first World War), the Ellis family, one of whom (Jack), played cricket for Australia as a wicket keeper, members of the Page family whose original shop was still running as "Nurserymans" in High Street in 1972, Mr. R. Fripp and his brother Sam who donated the photograph of teams in the early 1900's that hang in the club rooms and Vince Healy who was subsequently President of the club for many years.

The third annual meeting of the club was held in the Malvern Town Hall on 11th April, 1907. On this occasion a Mr. P.R. Joske was elected as President, Mr. Schafe again being elected Secretary. It is interesting to note that in those days many influential people, including a number of gentlemen with Knighthoods, were either Patrons or Vice-Presidents of the club. Mr. W.B. House was elected President at the annual meeting of 19th March, 1908, Mr. Schafe being re-elected as Secretary. Frank remembered Mr. House, who died in 1941, as an elderly gentleman with a beard such as was worn by the male sex in 1973. His initials were W.B. and he was aptly known as "Weather Board" House. At the meeting held in 1909 reference is made to the increase in membership and a suggestion that sticks be obtained to be given to juniors from the local state schools (Spring Road and Toorong Road). The sixth annual meeting was held in the Malvern Town Hall on 2nd March, 1910, when Mr. House was elected President and Mr. Schafe again secretary. One item of note in the minutes of this meeting reads " The D Team commenced splendidly but unfortunately dissent arose in their ranks and spoiled whatever chance they might otherwise have had in the Premiership". (Apparently things were no better in those days!) Annual general meetings continued to be held each year (27th March, 1911; 16th April, 1912; 10th April, 1913; 16th April, 1914; 31st March, 1915) but as previously mentioned, records from 1916 to 1930 are missing. Details of all annual meetings from 1931 to date are available in the respective minute books. In 1931 the meeting was held in the Pavilion at the Malvern Cricket Ground (where the club still runs to-day) on Wednesday, 11th March. Mr. V. P. Healy was President and occupied the chair; there being

thirty-one members, including Frank Lansbury, present. Mr. Healy was elected President for the ensuing season and Mr. Fred Smith as Honorary Secretary. Also at this meeting Mr. Healy was elected as a Life Member and presented with a gold medal. Mr. Healy presented the photograph of the 1929 teams, which hangs in the clubrooms, to the club. Mr. Vern Waring retired as Honorary Treasurer and Mr. Ron Heywood was elected to this position for season 1931. Hugh Wadsworth first appeared on the scene in 1931 being appointed trainer for this season. Several members of the club (including Messrs Fisher, Jenkins and Chambers) were cleared by the club to assist with the formation of the Glen Iris Lacrosse Club (which later became Camberwell/Glen Iris or C.G.I. and is now Camberwell Lacrosse Club) during the season, all of them being resident in Glen Iris, which at the time was a new suburb. The details of every annual general meeting could be included but these formative ones seem appropriate here.

The Games

Box lacrosse was played at the Wattle Park Palais, St. Kilda in 1932 and Malvern's senior team of Messrs R. Brierley, W.J. Edwards, H. Wood, C. Foster, G. Knowles, H. Beattie and R. Lamont was successful in winning the premierships covering the series of matches that were played. Box lacrosse continued for a further few seasons but was abandoned because of the injuries to players as a result of playing on wooden floors with no protective equipment. An interesting item here is that in season 1932 relations between Malvern and Williamstown clubs were far from friendly and a complaint was made to the Association by Malvern regarding a match at Williamstown on 2nd July, 1932, when six members of the Malvern A Team were alleged to have received serious injuries because of the roughness of the game.

Mr. Ord Glenn, who had served as Secretary of Malvern for several seasons commenced lacrosse at Ballarat in 1932, and annual visits were made to that city by members of Malvern to play against Ballarat. Malvern is credited with having assisted in the formation of lacrosse in that city. The game became very popular in Ballarat but unfortunately World War II led to its demise. A team from Ballarat played in the Melbourne B Section competition in 1932 and performed very well. This must have been very difficult for the players as Ballarat would have been at least a half-day trip by train during this period.

Many happy times were enjoyed by club members who made the club visits to Ballarat at the end of the various seasons and many strong friendships were cemented between the players of both bodies.

A gala dinner was held by the club in the Malvern Town Hall on 3rd October, 1932, and the souvenir programme (see Appendix 2) produced for this occasion forms the basis for the listing of the names of members of winning teams over the years. It is also interesting to note that although formed in 1903, it was 1917 before the club was successful in winning a premiership and certainly at that time there

was no indication of the fantastic successes that were to follow the winning of this first A Grade premiership. The cost of this celebration dinner, by the way, was 2 shillings and sixpence (about 25c) and no alcohol was allowed.

It should be also noted that the honour board hanging in the club rooms, which contains details of the premierships won from 1918 onwards, was made and donated to the club by Mr. P. J. (Mick) Remeus, an ex-player and strong supporter of the club at that time (1932).

The "Joel Fox" shield donated to the Association by a supporter and administrator of the Malvern Club was won on three consecutive occasions and became our permanent property. It was donated back to the Association by the club for perpetual competition in A Grade and has been known as the Joel Fox Memorial Shield since that time.

Several players from Malvern (including Mr. Alf Evans) sought and were granted transfers to the Camberwell Club (at the time Glen Iris and Camberwell were separate clubs) in 1933 mainly because of residence in the area. It should be remembered that cars were not the normal mode of transport at the time and playing for a team close to home could have been advantageous.

In 1935 steps were taken to again introduce the game to local state schools and a Mr. Frank Baxter, a prominent player with the club at that time, took over coaching of Spring Road, Gardiner and Tooronga Schools. At the time he was lessee of a milk bar at the then new picture theatre in Glenferrie Road (Embassy). A substantial number of players were recruited to the club in 1936 following the successful introduction of the game into the schools and included such notables as Noel Jeffrey, Gordon Anderson, Jack and Herb Addison, Don Drummond, Jock Liddell, Bob Leslie, etc.

In 1937 an invitation was received from the East Torrens team in South Australia to send a Malvern team to play a social match in Adelaide at the end of season 1937. This

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

invitation was the first of the Malvern - East Torrens visits that continued except for World War II until the mid 1980's, a period in excess of forty years.

Also in 1937 the club was perturbed about playing of a final against Williamstown at Williamstown and sought to have the game played on neutral ground. Following several special meetings, it was finally left to the members of the team to decide whether to take the field or not and the match was eventually played and won at Williamstown. It is regarded as one of the roughest matches ever played in Victorian lacrosse and resulted in many spiteful incidents, including an attack on players and supporters after the game had concluded. Police were called in to break up the melee that followed.

World War II, which broke out in 1939, made deep inroads into the ranks of lacrosse players and there were a number of clubs that did not resume at the end of the War. Senior lacrosse was suspended in 1941 and 1942 and only junior age teams functioned during those years. The Malvern Club, with the help of players from other clubs that were not able to field teams, continued to function during the war period when games were played on friendly or limited competition basis. Perhaps it was fortunate that several of the more interested people were still about to see the club did not disappear out of existence. At the end of the war many of our good players returned to the game and continued as players for some years after.

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

Malvern

Over the years there have been numerous incidents concerned with the winning or losing premierships and occasions when success has eluded Malvern by small margins. However, it is impossible to detail any of these occurrences without a record of the results of every match played. Such records have not been kept over the years. There have been many games won by only a one goal margin and games won in extra time that is required to be played when a draw results in a semi-final. Those who have taken part in these games are the ones who will remember the exciting incidents involved in their playing careers; incidents that can be discussed when players meet in later years.

The number of great players produced by the club are numerous and it is impossible to name them all or the player considered the greatest, without offending a number of others. There are also many people who were not star players but their abilities as administrators have been invaluable. Similarly there have been, and still are, many people who have never played the game but through association have rendered the club great service. The late great Frank Lansbury started this list and it is important for the history we keep it going

V. P Healy

Prominent A Grade and Interstate player and President of the club for approximately twenty years.

J.W. (Jack) Schafe

The club's original Secretary for at least five years who contributed greatly to the formation of the club and remained its strong supporter during his lifetime.

R. (Bob) Coldstream

Prominent A Grade and Interstate player. President of the club for twenty four years; President of Victorian Association 1955 to 1966; President of Australian Lacrosse Council for several years; in many ways responsible for the first visit of an Australian team overseas. Spent many years as a Committeeman of the club and gave many years to Association affairs. He was a Life Member of the Victorian Amateur Lacrosse Association.

R.A. (Ron) Heyward

Prominent A Grade player in the late 1920's, an Interstate representative and Honorary Secretary of the club for a number of years. Although not as well known as a number of the earlier greats, performed a lot of tasks for the club and introduced new players to the game.

A.L. (Alf) Evans

Has the distinction of playing in the greatest number of A Grade premierships in Victorian Lacrosse, and possibly Australian Lacrosse. He played in the following premierships - 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1944, 1945, 1946, 1947, 1948, 1950, 1951, 1952, 1953 and 1954 (total 17).; Captain on eight of these occasions. The Malvern Lacrosse Club Incorporated

T. (Terry) Allington

A player with various teams of the club for many years and successfully coached junior teams. Also coach of the senior team for some five years and represented on the Association for many years. He has an unsurpassed record of coaching junior and senior Interstate Victorian teams and also a team that played overseas in 1972, achieving great success. He served as President of the Malvern club for a period of five years and has occupied other executive positions with success, both at club and Association level.

N. R. (Noel) Jeffrey

Played in twelve A grade premiership teams, including the period 1950 to 1959 of ten consecutive premierships. He represented the State on a great number of occasions and held a number of Executive positions both within the club and the Victorian Association. It was his fund raising efforts that enabled the Victorian contingent of the Australian team to make the overseas trip in 1962. He continued his fund raising efforts for

several years to assist in financing the activities of the Association. Now permanently resident in America, he is greatly missed by the club in many ways. His address at the time of writing is, 68 Linden Tree Lane, Orga, Wa, USA 98279.

Brad Skepper

Another great defence player, feared by most of his opponents. Represented Australia and Victoria. Worked extremely hard on junior recruitment and starting the women's teams at the club. Served as Committeeman for several years.

Paul Cook

Regarded as one of the greatest attack/midfield players. Represented Victoria, in both junior and seniors, on many occasions and Australia. Coached junior teams.

To my mind the greatest player ever to come out of Malvern. However, some may disagree but with 8 Fairest and Best State League trophies it is hard to contest. At the time of writing this Paul had accumulated 1136 goals, 589 assists, 142 penalties, 554 votes in 440 games from Under 12 to today in State League.

One Hundred Years of Success

Frank Lansbury 1906 - 1989

Considered by most to be the greatest member of the Malvern Lacrosse Club. He was a member of the club from 1922 until he passed away in 1989, a period of 67 years. A feat that will be extremely hard to surpass by anyone in any sport.

The following is a history of Frank's achievements :

Player	1922 - 1946

Secretary	1936 - 1976

Member of V.L.A. Permit Committee and Chairman for <i>Forty Years</i>	
V.L.A. Junior records Secretary	1968 - 1969
V.L.A. Fellow Award	1989

Frank was responsible for the creation of the Under Age Saturday morning competition which commenced in 1946.

During World War II, together with several other stalwarts such as Bill Griffiths (Surrey Park), Russell Smith (Coburg), and Bill Tickner (Melbourne University) was responsible for keeping the game alive on limited scale by the playing of social matches between scratch teams composed of players from various clubs.

Frank first played in 1922 at age 16. At that time there were no under age teams and it was necessary to play with adults. Frank's father took Frank and his brother to watch games from an early age and they learned the game by borrowing racquets from senior players at the half time of matches. Bob Coldstream was Frank's most favoured player in this regard. A number of other of the well known players of the game in latter years went through the same procedure, eg. Fuzzy Knowles, Wally Edwards,

George Unkenstein, Jim Guy etc. Due to Frank's long association with the club he knew many of the club's greatest players and personalities, even the players of the 1918 A Grade premiers team. When asked the reason why lacrosse occupied so much of his life Frank replied "... it brought me into contact with many wonderful people and I would not have missed the experience for the world. In addition, of course, the club has achieved such fantastic success during my association and the memory of all the premiers wins has helped to make the whole thing worth while". Frank named the following A Grade teams as the greatest :

1935

Beattie J.L.	Forward
Brierley R.J.	Goals

Hoyle K.	Attack 1954
Campbell T.	Forward 1954

The only way in which the club has maintained its strength and success over the years has been the sustained effort to recruit junior players. When Frank first took over as Secretary of the club in 1936, there were three

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

teams only. That is, A, B and C grades and very little was being done at that time to encourage juniors. One of Frank's first jobs was to arrange, with the help of Jack Beattie in particular, for the introduction of the game into the local State Schools. Reference has already been made to the coaching by the late Mr. Frank Baxter and the lift which the club received when a number of players from the schools joined the club. Over the years since, it has always been the endeavour of the club to see that this recruiting has been continued. Frank was especially interested in this area and always encouraged the club to pursue the schools.

The advent of Saturday morning lacrosse has helped in a large degree to keep the club at strength and the efforts of such people as Bill Daw, Ron Alaimo, Graeme Minniece, Geoff Treloar etc. in this area have been invaluable to the club. There have been literally hundreds of juniors pass through the Malvern Lacrosse Club over the years and it is only a small number who continue to take an interest in the game once they leave the junior ranks. It is interesting to note that there are fewer clubs to day than before World War II. Clubs such as Ballarat, Canterbury, Deaf and Dumb, Hawksburn, Melbourne High, Coburg, Mitcham, and the list goes on, cease to exist.

Club Captains

The format of the club has always been to have a Captain, the leader of the players. While players of today may not be aware, it is a gentlemanly honour that the Captain of the A Grade, nowadays State League, leads the club as the Captain of the entire Club. It probably stems from the English manners of their sporting clubs of days gone by. The behaviour of the Captains of the Club is therefore expected to be an example to the other players within the club both on and off the field. The list that follows unfortunately has gaps. In time we may rectify this problem. For now here is the list :

Victorian Representatives

The following players are listed as best they can in first to last sequence. While the order may be inaccurate, the players have, according to the Malvern archives, played where indicated. For the Senior Victorian representatives, the dates are unavailable for most of the players, therefore, in the interests of uniformity the few dates available have been omitted. Rather leaving the actual dates to the memory of the players and their friends and leaving the fact they represented Victoria to be the main item.

Appendix 1 - Memorabilia

The following pages are images of some of the historical memorabilia that is still available for viewing. In this edition the images are in black and white. Perhaps in future editions of this document they will be in colour.

Whilst the images are not as clear as hoped, the flavour of what they stood for is still there. Over time I hope these will be improved.

Some of the images cover two pages. It will be obvious when this happens but where possible notes have been inserted to mention the coverage.

The Malvern Lacrosse Club Incorporated

The Age - 16 May 1978

Here is an extract from a report written by Alan Attwood.

Any sports club would be pleased if one of its members made it into an Australian side.

If two got in they'd be even happier.

But seven members of an Australian side all coming from the one club ...?

Well, that's exactly what happened to the Malvern Lacrosse Club.

Seven club members have been selected to represent Australia at the World Lacrosse Championships in Manchester, England, in early July and then at the Commonwealth Games in

Edmonton, Canada, in August.

They're a versatile bunch, too. In Manchester they'll play field lacrosse, which is played outdoors with 10 players and up to eight substitutes.

In Edmonton they'll take on the Canadians and English at box lacrosse; which is similar to ice hockey in that it's played indoors with only six playing and six substitutes.

At the last World Championships, held in Melbourne in 1974, Australia was beaten in the finals by America. This year the Australians are confident they can win.

Of the Malvern contingent, three - Norm Haley, Alan

Bower and Benny Barker - will be playing overseas for the first time. Of the others, David Joy, the Malvern club captain, is the most experienced.

Joy played in the 1974 World Championships and toured the US in 1976, with Keith Daly and Doug Carter. The last of the Malvern seven is Graeme Antrim, who is co-captain of the box lacrosse team. He played for Australia against England in 1972.

Incidentally, the Malvern Club doesn't seem a bit embarrassed about its surfeit in the side ... they were last heard muttering something about the Guinness Book of Records.

CIRCULAR:

50th YEAR OF LACROSSE.

The year 1953 sees the completion by the Malvern Lacrosse Club of 50 years as a member of the Victorian Lacrosse Association.

The successes achieved by the Club, particularly over the past 30 years, are unique in Amateur Sport. Such successes have only been made possible by the loyal support given by old players, and the various Executive Officers who have held office from time to time. Many well known names in all ranks of life have been players with the Club.

The Committee of the Club has, therefore, decided that the occasion demands a fitting celebration and it has arranged to hold a RE-UNION SMOKE SOCIAL, the venue to be No. 9 Darling Street, South Yarra, THE DATE - THURSDAY, 17th SEPTEMBER, 1953, commencing at 8 p.m.

It is felt that this event can be made a memorable occasion if all past and present players give us their support. It will also be realised that literally hundreds of players have passed through the Club over the years and that complete records are not available in relation to members of the Club from its inception to the start of the first World War. We would, therefore, greatly appreciate advice of the name and address of any old players you may know or may be able to contact prior to the night in question.

A charge of £1 1s. per head will be made to defray the cost of supper, hire of artists, etc. We feel that a congenial evening can be provided and that the charge is not excessive under the circumstances.

In order that an accurate estimate may be obtained of the number likely to attend, you are requested to complete the form appended hereunder and return same to me before Thursday, 10th September, 1953. Telephone advice will suffice if more convenient.

YOUR SUPPORT WILL ASSIST TOWARD A SUCCESSFUL EVENING.

CIRCULAR

75TH YEAR OF LACROSSE

The year 1978 sees the completion by the Malvern Lacrosse Club of 75 years as a member of the Victorian Amateur Lacrosse Association.

The successes achieved by the club over these years are unique in Amateur sport and have been made possible by the support given by old players and the many Executive officers who have held office from time to time. Many well known names in all ranks of life have been players with the club.

After due consideration the Committee of the club has decided that the occasion demands a "get together" celebration the venue to be at the Fitzroy Football Club social club which is located at the old St. Kilda football ground (or St.Kilda Cricket Ground) at the St.Kilda Junction. THE DATE - MONDAY 21ST AUGUST, 1978 - commencing at 7.00 pm.

This event can be made a memorable one if past and present players are prepared to give it their support. Naturally there are few if any of the people who played with the club in its early days now remaining; however I have a fairly comprehensive record of players from 1939 onward. If you feel that there may be some players whose names and addresses I may not have, your advice in this regard would be appreciated.

A charge of \$10 will be made to defray the cost of a smorgasbord type meal and the evening will be devoted solely to "chit chat" amongst those in attendance. Drinks available at bar prices.

To enable a reasonably accurate estimate of those likely to attend, you are asked to complete the form appended hereunder and return to me before Monday 14th August, 1978. Telephone advice will suffice if more convenient.

YOUR SUPPORT WILL MAKE FOR A SUCCESSFUL EVENING.

(C.F. LANSBURY)
President.

I will be attending the Re-Union celebration to be held on MONDAY, 21ST AUGUST, 1978 at 7.00pm and enclose my payment therefore.

One Hundred Years of Success

Still Going Strong After 26 Years

By Ken Knox

Just 26 years ago, a small boy with an oversized lacrosse racquet ran out on to the Malvern oval to try his hand at a game he knew very little about.

Next Saturday the same player will run out again with the Malvern players to start his 27th season of lacrosse.

He is Noel Jeffrey (pictured above), now one of the most lacrosse-wise sportsmen in Australia.

Noel has come a long, long way since that first game back in 1935, and has built up a remarkable record during his years with the Malvern club.

He has been captain of the club for the past two years, and is the only player to have two wins in the Vince Healy Memorial Trophy, for the State's best and fairest player.

Five-Year Gap

He won this award first in 1934, and just to prove lacrosse players can keep going for years, won it again two years ago.

Jeffrey first represented Victoria in 1951, and was chosen again in the State team last year.

In 1959 he was captain of the Victorian team that played the touring American side.

He has been selected twice in all-Australian teams, and has played in no less than 14 consecutive grand finals for Malvern. His club won 12 of them — 10 consecutively.

Last year Malvern were

grand finalists, but lost to Caulfield in a replay after the first match had been drawn.

Lacrosse slumped in Victoria just after the last war, when good equipment was almost impossible to buy.

Growing Sport

Now it is growing fast. Last year there were 50 teams playing each Saturday during the winter. This year there are 56.

Even the youngest players are catered for in Victorian lacrosse. This year there are five teams playing in the under 12 section, and 15 in the under 14 competition.

The inter-club season will start on April 22.

With two teams in the top section, Malvern had mixed luck, the Black team started off well by defeating M.H.S.O.B. by 19 goals to 1.

Although the scores indicate an easy win, the Malvern forwards had to work hard to beat solid, experienced back-line. Most of the 7 goals thrown by W. Daw came from good passing and teamwork of three of the younger players, Martin Coad and Minniece, all of whom are certain to be an acquisition to the team, especially Graham Minniece, who could quite well be one of the best all-rounders seen at Malvern.

The Red team had the misfortune to meet Caulfield in their first game and were soundly beaten by last year's premiers. One good feature of the game was the switching of back man Ron Alaimo on to Caulfield's star forward who had thrown 12 goals up to half-time, but in the second half was kept down to 3 goals.

Malvern "A" lacrosse

MALVERN Lacrosse Club No. 1 "A" team won a hard fought game against Surrey Park.

New team members Martin and Minniece repeated their promising performances of the previous week.

Goals were not easy to get, but the forwards under new captain, Trevor Campbell, took full advantage of any chances to score.

Leading by four goals at half time Malvern Blacks gradually gained further advantage as the game proceeded and ran out winners by 12 goals.

Other scores: "A" section No. 2 team (4), lost to Williamstown Fearon (12); "B" team (14) defeated Williamstown (2); "C" team (7) defeated by Footscray (8); under 16 No. 1 (21) defeated Williamstown City (0); No. 2 (3) defeated by Caulfield (15). Both Under 14 teams won.

Selectors side with Malvern 16/5/78

Members of the Malvern lacrosse team picked to represent Australia at the Edmonton Commonwealth Games (from right) are: Keith Daly, Norm Hely, Graeme Antrim, Doug Carter, Benny Barker, David Joy and Alan Bower.

Any sports club would be pleased if one of its members made it into an Australian side.

If two got in they'd be even happier.

But seven members of an Australian side all coming from the one club . . . ?

Well, that's exactly what happened to the Malvern Lacrosse Club.

Seven club members have been selected to represent Australia at the World Lacrosse Championships in Manchester, England, in early July and then at the Commonwealth Games in Edmonton, Canada, in August.

They're a versatile bunch, too. In Manchester they'll play field lacrosse, which is played outdoors with 10 players and up to eight substitutes.

In Edmonton they'll take on the

By ALAN ATTWOOD

Canadians and English at box lacrosse; which is similar to ice hockey in that it's played indoors with only six playing and six substitutes.

At the last World Championships, held in Melbourne in 1974, Australia was beaten in the finals by America. This year the Australians are confident they can win.

Of the Malvern contingent three — Norm Hely, Alan Bower and Benny Barker — will be playing overseas for the first time. Of the others, David Joy, the Malvern club captain, is the most experienced.

Joy played in the 1974 World championships and toured the US in 1976, with Keith Daly and Doug Carter.

The last of the Malvern seven

is Graeme Antrim, who is co-captain of the box lacrosse team. He played for Australia against England in 1972.

Incidentally, the Malvern Club doesn't seem a bit embarrassed about its surfeit in the side . . . they were last heard muttering something about the Guinness Book of Records.

The rest of the Australian side is: From WA — John Ballarine, Peter Camm, Geoff Knox, Ross Turn; From SA—Warren Hobbs, Evan Jones, Don Wright, Ray Duthy, George Johnson, Noel Speck, Paul Lynch, Rod Fritt; From other clubs in Victoria — John Butkiewicz, Rob Walton, Boyan Smith, Greg Garnsworthy, Ray Taplow, Tom Hardy, Geoff Fox and Steve Ellis. Coaches: John Carter (SA), Alex Inglis (V) and Frank Poat (WA).

A tribute to Ron Alaimo

Lacrosse hero

RONALD David Alaimo, lacrosse player. Born September 9, 1942. Died October 23, 1993.

RON Alaimo was a larger-than-life figure on and off the lacrosse field.

To the Malvern Lacrosse Club he was an inspiration.

In his working life he was a driving force and a leader.

To his family wife, Judy, and three daughters he was wonderful and thoughtful.

President of the Malvern Lacrosse Club, Mr Keith Chamberlain, said Mr Alaimo was a former president of the club, a treasurer, a coach and a "feared player".

"You only had to mention his name and people would know who you were talking about," Mr Chamberlain said.

"He played for the club and represented Victoria as a player in the '60s.

"He was elected president of the club just a week before he died."

Mr Chamberlain said Mr Alaimo was a very good player.

"There are a lot of guys who are playing for Australia now who he coached," Mr Chamberlain said.

Family friend Mr Mike Slattery said Mr Alaimo was a inspiring figure for his children when at the club and all the juniors he coached.

Mrs Judy Alaimo said her husband had worked for a firm that had sent him to China to teach carpet-laying. He had also supervised the carpet-laying in the Sydney Opera House and Wrest Point Casino.

About 600 people from around Australia attended Mr Alaimo's funeral at St John's Church in Mitcham on Thursday.

The Malvern Lacrosse Club Incorporated One Hundred Years of Success

One-time world record holders Malvern Lacrosse Club have ended a dry spell with a classy grand final win over Williamstown. ANDREW BELK reports.

Malvern wraps it up

COULD Malvern Lacrosse Club be on its way back into the pages of the Guinness Book of Records?

While club secretary Keith Chamberlain was ecstatic about the club's 22-14 League 1 grand final win over Williamstown on the weekend, he does not think so.

"The club actually has a couple of plaques hanging on its walls from the Guinness Book of Records people. We have had 38 premierships since 1903," he said.

"We won 10 in a row from 1939 to 1948 and then another ten in a row from 1950 to 1959. It was a world record in A grade sport for a while but I don't think it could be repeated in competition this close."

The former world record holders have had a stint out of the winning circle after winning their last League 1 premiership in 1989.

Saturday's grand final was tight for the first quarter with Williamstown answering all of Malvern's early moves. Ex-Australian representative Jarrad Klemm was particularly effective out of centre against Craig Bell while wily Willy keeper Collin Harper continually blocked Malvern attempts.

However Williamstown began to fail under the relentless pressure. It was obvious Malvern's game plan was to attack and they succeeded in shutting down nearly all Williamstown's usual set-ups.

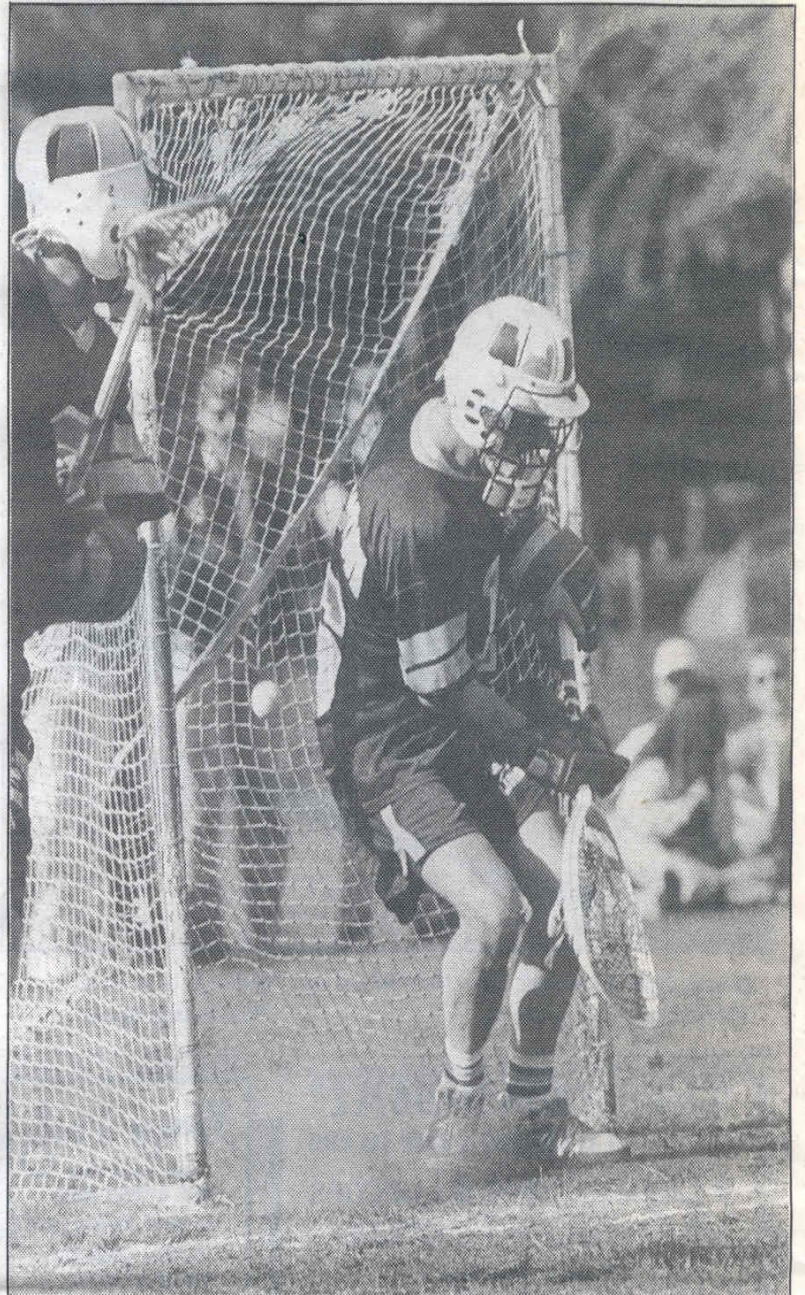

A couple of quick goals from Malvern's Glen Meredith and Adrian Slattery early in the third quarter sealed Williamstown's fate.

The hapless baysiders had trouble gaining possession and converting it into points with Malvern keeper Anthony Bosisto too fast and too smart to fall for play from behind the net.

Collin Harper fell for a couple, however, when Doug Mumford put one over the head of the Willy keeper after getting him on his knees with a great fake low shot while Jeff Campbell and Shannon Bell both got goals from misleading approaches.

La fast: Lacrosse balls have been clocked at 160kmh. Unfortunately, Williamstown keeper Collin Harper can only do 159 kmh.
