Welcome from the Australian Lacrosse Association

On behalf of the Australian Lacrosse Association it is my great pleasure to welcome players, support staff, officials, parents and spectators to the Footscray Lacrosse Club (FLC) for 2019 ALA Oreana Property Group Senior Men & Women National Championships.

Thank-you to FLC for hosting this event, I would also like to acknowledge FLC's committee of volunteers and all their efforts and dedication to make this event a success, led by President Tim Lane and Chris Miles.

The ALA would also like to acknowledge and thank the officials and their support teams who have volunteered their time to officiate both the men's and women's events. In addition, I would also like to thank all the head, assistant and development coaches who have worked tirelessly to develop and prepare their teams and players.

Over the last few months the ALA have been working tirelessly on a number of fronts to grow our great game with our development team implementing the Quick Stix program into the Sporting Schools Secondary Program. Lacrosse is now one of only 18 sports involved in this program. In 2019 lacrosse, through Sporting Schools lacrosse has been delivered to 7761 primary students and 368 secondary students creating a valuable avenue to showcase our sport and entice non members to join our community.

The ALA has also worked closely with World Lacrosse (formally FIL) at the SportAccord festival on the Gold Coast. This provided lacrosse, and Australian youth players, the opportunity to demonstrate and present our sport and potential format to the International Olympic Committee and other Federated Organisations.

I would also like to take this opportunity to mention the ALA's new strategic plan. The new plan will be released shortly however the ALA will be working towards 4 key objectives under the new plan.

Key Objectives:

Growth - Reach the milestone of 10k members and 100k participants

Cultural Shift – deliver systematic cultural change to enhance the development of lacrosse.

Brand "Lacrosse" – implement a comprehensive brand and marketing plan to promote and position lacrosse with the Australian public.

World Games – bid to host a major World event in Australia

These key objectives all interrelate with a large focus on marketing our game to the wider community and with the focus to grow the amount of people playing and participating in the sport of lacrosse.

Finally, I wish everyone involved in the championship all the very best, and trust that those who come to support will witness some outstanding games.

Glenn Morley
ALA President

Welcome from Lacrosse Victoria

Lacrosse Victoria welcomes all to the 2019 ALA Oreana Property Group Senior Men & Women National Championships being hosted by Footscray Lacrosse Club. We look forward to a spectacular event both on and off the field with the lacrosse community coming together for the peak domestic event for our sport.

We acknowledge the efforts of Footscray to put on a fantastic show for our sport and the dedicated work by all the players, coaches and officials for being selected for this event. It is a credit to make it to the national championships at a senior level where we expect high level skills and competitive games.

Events like this would not happen without the volunteers and their preparation for and the delivery of hosting an event like this. We pay tribute to them and all those that work behind the scenes to ensure the teams get out on the field and that the grounds are ready to go from line marking to changerooms being cleaned.

On behalf of Lacrosse Victoria, the Board thanks the ALA for allowing Victoria to host this event and we wish all participants a fantastic event played in great spirits. Remember to compete with class and honour the game and all participants with respect.

Yours in lacrosse,

Lacrosse Victoria Board

Welcome from the Footscray Lacrosse Club

At Footscray Lacrosse Club we are honoured to be given the opportunity to host the 2019 ALA Oreana Property Group Senior Men & Women National Championships. We have a fantastic opportunity to showcase the greatest game on earth to the western suburbs of Melbourne.

We would like to thank Oreana Property Group for their outstanding contribution to lacrosse in Victoria. Their support is invaluable and has resulted massive increases to the growth & exposure of lacrosse across Victoria.

The Maribyrnong City Council have also been amazing supporters of lacrosse. Their commitment to local lacrosse has been fantastic. The recent facilities & playing surface upgrades that everyone will enjoy is a direct result of Maribyrnong Council's support of the Footscray Lacrosse Club. We can't thank you enough for your support.

We have had great support from our faithful Footscray Lacrosse Club members & supporters. Without their help in the lead-up & during the championships, hosting a National Championships would never be possible. To all of the volunteers who have assisted, thank you & please know that your hard work has not gone un-noticed.

Further gratitude extends to Lacrosse Australia, Lacrosse Victoria & all other member associations for their support the lead-up to the championships & establishing great lines of communication.

To the forgotten team of the championships, the referees & umpires, thank you for your professionalism & dedication to the game. Without you there would be no championships & congratulations on your selections.

Lastly, to all of the players participating, congratulations on being selected to represent your respective member associations. It is a great achievement to be selected to play representative lacrosse. We hope you all play well & do yourselves & your teams proud.

We hope that everyone involved enjoys watching the best players in the country show their skills at Footscray Lacrosse Club. Please enjoy our facilities & our great sport. I look forward to seeing everyone during the week & of course, Go Vics!!

Tim Lane

President – Footscray Lacrosse Club

Welcome from the Maribyrnong City Council

Sport, especially team sport, plays a vital role in the City of Maribyrnong. It brings together people from all walks of life, promotes health and wellbeing and encourages team work.

Sport often works as the backbone of our diverse community, crossing language barriers and adding to our inclusive culture. It makes me proud that there is such a thriving sport and recreation community here in our City, with the National Lacrosse Championships being played here and contributing to this culture.

At Maribyrnong City Council, we work hard to ensure everyone has the opportunity to improve their health and well-being through physical activity. This includes offering the Active Maribyrnong program, which delivers year round events for our passionate sport-lovers.

We also offer health and well-being opportunities at the Maribyrnong Aquatic Centre and through our community centres.

I would like to congratulate all teams participating in the Australian Lacrosse Association's Senior Men and Women National Lacrosse Championship, each individual's hard work and dedication has created a successful team that contributes to a sporting spectacular that will be enjoyed by many.

I wish everyone the best of luck in the tournament.

Cr Martin Zakharov

Mayor

Maribyrnong City Council

The Australian Lacrosse Association would like to acknowledge and thank our sponsors and partners:

Sport Australia for their continuing support of lacrosse.

Acland Travel, East Malvern VIC for support and expertise in travel arrangements.

Sports Centre, for supply of uniforms and apparel to ALA 2019 programs and teams.

Living Choice, providing support in developing and growing the game of lacrosse.

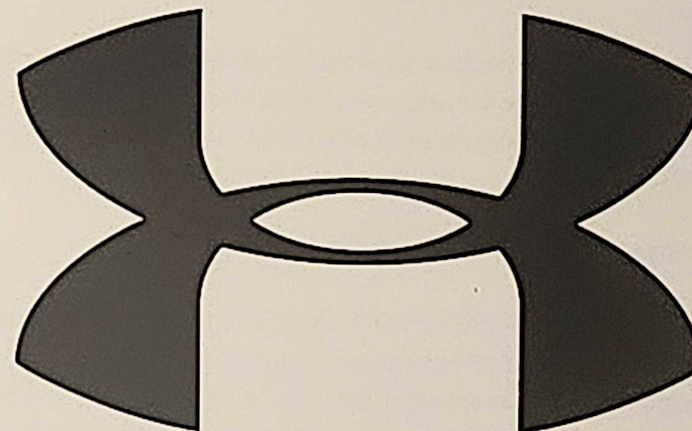

Quest Apartment Hotels, support in providing affordable accommodation for lacrosse teams and the extended lacrosse community.

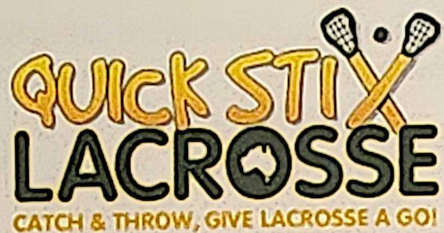

Australian Lacrosse Network (ALN), Ongoing support in providing live streaming of ALA events and promoting the game across the country.

The Australian Lacrosse Association would like to acknowledge and thank Under Armour for their support of the 2019 U19 Australian Women Lacrosse Team.

UNDER ARMOUR

In 2018 the ALA launched the Quick Stix Program which is a program to introduce new participants to lacrosse in a safe and engaging environment. This program is similar to AusKick football and Hotshots tennis. Quick Stix has two main programs:

Quick Stix Involve which is conducted in schools

Quick Stix Invade which is conducted at clubs

Quick Stix Involve programs are currently running in schools all over Australia through the Sporting Schools Program. Since the start of 2018 through the Sporting Schools Program the ALA has delivered 386 Quick Stix programs at 299 schools with over 15000 students playing lacrosse. That is 15000 students who may be interested in joining a lacrosse club!

Quick Stix Invade programs are the best way to get new juniors playing lacrosse at your club. The Quick Stix Invade programs lets students move on from learning the basic skills of lacrosse to playing small games at clubs. The Quick Stix Invade program is an important part of the whole Quick Stix program and will help grow our game and clubs' membership.

We need your help to promote Quick Stix to schools to drive interest to lacrosse and to establish club ran Quick Stix Invade programs.

To find out how to get involved or just to find more information please visit the Quick Stix website www.quickstixlacrosse.com.au and click on the club tab or email growthcoordinator@lacrosse.com.au.
