The following recommendations to the General Committee were carried:-

- (1) In the opinion of this Sub-Committee it is desirable to secure greater public interest in the game, and that this may be achieved by playing senior matches at 1.30 P.M. on the Oval prior to League football matches.
Resolved in this connection to write to the Football League asking their approval to our approaching the Baseball League with a view to dividing the use of grounds for the respective games; and to write to the Baseball League asking whether they will meet us to discuss the matter.
Mr. West to interview Mr. Marlow.
Mr. Parsons to interview Secretary of Adelaide District Junior Football League.
- (2) That Clubs affiliated with the Association be urged to secure the services of Secretaries who will display the activity and attention necessary from such Official to advance the interests of his Club and of the game generally.
- (3) That it is desirable to create more combined matches in junior ranks annually and that the Programme Committee be asked to leave at least three dates during the season available for this purpose.
- (4) That the President and Chairman of the Association or any other executive officer be asked to attend (subject to the consent of the Clubs) at each respective Clubs Annual Meeting for the purpose of urging upon the Club members the necessity of enlivened interest and greater action, also for the purpose of securing the services of active referees for the coming season.
- (5) That each affiliated Club be asked to appoint a Publicity Officer whose duty it will be to see that the three papers (Register Advertiser and Mail) and other papers if desired, be furnished on Saturday evenings with a brief report upon the matches played by the senior and junior teams of such Club.
Mr. Hodgetts to see Register
Mr. Parsons to see Advertiser

ADVISORY SUB-COMMITTEE.....(2).

- (6) That it is deemed advisable to make arrangements with a Supplying House to reserve on our behalf 40 or 50 sticks on extended credit, say six months; and that they issue such sticks to applicants upon presentation of an order issued by the Secretary of the Association, debit the Association with the cost which will in turn be recovered from such player on easy terms.
Such privilege is only to be available to new players.
Mr. Campbell to see Harris Scarfa Limited
Mr. Hodgetts to see Adelaide Sports Depot
- (7) That the usual semi final and final round be dispensed with in senior grade, the leading team at the end of the remaining rounds to be proclaimed winners of the Premiership. Afterwards all Clubs in "A" Grade and the leading two in "B" Grade to compete in an eliminating round for a special trophy to be presented by *xyz.*
- (8) That it be a recommendation ~~to the Permit Committee~~ that the Permit Committee shall not grant permits generally to players from a defined district where there is no "A" Grade team, to play collectively as a body for any one senior team.
Note. The idea of such resolution is that the Fort Adelaide District which has recently supplied the majority of the North Adelaide senior players, should make an endeavor to form a team representative of their own district.
- (9) It was decided to indicate to the Annual General Meeting of the Association that owing to the extreme difference in the strengths of some of the teams competing in senior ranks last year, that in the event of a repetition during the coming season, the Committee be urged to create a senior and junior sections in "A" Grade.
