## Welcome – Australia Lacrosse Association

On behalf of the Australian Lacrosse Association Ltd (ALA) it is my great pleasure to welcome players, coaches, support staff, officials, families and spectators to Adelaide in South Australia for the 2017 ALA Senior Men's and Women's Lacrosse Championship.

National Championships play a major role in the development of our country's elite athletes and the ALA Senior Championship provides that platform and opportunity for them domestically. This ALA competition also provides the grounding and opportunity for Australian Lacrosse athletes to gain entry to their appropriate National team and represent Australia in the Federation of International Lacrosse (FIL) world events. This year we have men's and women's teams competing from Member Associations South Australia, West Australia, Victoria as well as from a combined New South Wales / Queensland (who are eligible to win in this Championship contest) and a welcomed men's team from New Zealand.

Lacrosse has been a respected sport in Australia and this is a wonderful opportunity for the ALA to recognise the professionalism, commitment and talents of the coaches who train, prepare and lead the players into and through this contest. The calibre and success of Australian players over the years in the international arena is testimony to the coaching programs and dedication of all those involved. Likewise I recognise the excellent performances consistently provided by the men's and women's officials over prior years and I am sure again this year. I particularly commend all support staff, officials and administrators whose collective impact has contributed so much to maintaining the high standard of lacrosse competition in Australia.

The ALA recognises with gratitude the continuing support of the Australian Sports Commission for this event and their long term support for lacrosse in Australia.

The Senior Championship enjoys a special place on the Australian lacrosse calendar and the excellent organisation and friendly hosting will undoubtedly be greatly appreciated by all attendees.

On behalf of the ALA Board I wish all competitors the very best of contests to be played in a spirit of fairness and good sportsmanship. I trust that those who come to support the contests will enjoy some outstanding games. The women will compete for the Joy Parker Cup and the title of women's National Champions. In the men's event they will compete for the Garland-McHarg Cup and the title of men's National Champions.

May all matches be contested in the true spirit of competition and camaraderie, and may all participants enjoy and grow with yet another positive lacrosse experience.

Yours in lacrosse,  
Mike Slattery  
ALA President

*Mike*
