* No registration list received from Heidelberg Technical School.
Total made up by adding all players whose names appeared twice or more on the Match Report.

For the first time for many years a new club entered the field. No Club has withdrawn over the past four years. So with registrations on the upward trend, an actual increase of 67 players on last season, Lacrosse appears to have 'turned the corner' after having been in the doldrums over the past few years. It now depends entirely upon ourselves to keep this improvement moving.
