## AUSTRALIAN WOMEN'S LACROSSE COUNCIL PRESIDENT'S MESSAGE

On behalf of the Australian Women's Lacrosse Council (AWLC) it gives me great pleasure to welcome all players and officials who will be competing in the 1996 Senior National Championship in Perth.

During the next seven days Western Australians will have the opportunity to see some of our greatest lacrosse players in action, in what promises to be a high standard of competition.

Many people will recall the success of the U16/U21 National Championship in WA last year under the capable leadership of Robbie Watkins, and I have every expectation that this event will be equally memorable. Those who participate can be assured of a well organised championship, and coupled with that is the promise that you will be welcomed by a community which has earned a world-wide reputation in lacrosse circles for its friendly hospitality.

I wish all teams an enjoyable and successful competition, and hope you all experience the true spirit of fun and participation in the week ahead.

*Fiona Clark*

## WESTERN AUSTRALIAN WOMEN'S LACROSSE ASSOCIATION PRESIDENT'S MESSAGE

It is a pleasure to welcome players, officials and supporters to the Australian Senior Women's Lacrosse Championship.

Australian Championships have a special significance and Western Australia is proud to host this event. I am confident it will run smoothly.

I thank Robbie Watkins, the Championship Co-ordinator, and her assistants for their endeavours to ensure the best possible environment exists in which to conduct this Championship.

It is particularly pleasing to host this, our second, AWLC Championship at the Western Australian Women's Lacrosse Association headquarters.

To all teams I wish you good matches and good camaraderie. Remember to make your own luck.

To those who are participating for the first time I trust the Championship will provide special memories. To those who are "old-hands" I encourage you to take the time to make a new friend and renew old friendships.

To everyone I urge you to enjoy both the warm hospitality of the Western Australians and the beauty of our City.

May the games be played in the best of spirit and you have a fantastic week returning to your normal lacrosse revitalised, full of vigour and enthusiasm for this game we all love.

*Jenny Townsend*
