**TITANIUM STIKS**

If you're ready to take your game to the next level, you have to start with Titanium. The TITAN, made from a ALPHA BETA Titanium Alloy, Ti-3Al-2.5V, has a minimum yield strength of 105,000 psi. The TITAN is three times stronger and 40% lighter than Aluminum.

The Titan Defender weighs 13.5 oz., which translates to improved performance and greater agility. The Titan Defender was the Stik of choice during the 1992 National Championships.

Titanium should be your choice. Get off the sidelines and take your game to the next level.

## WELCOME FROM THE PRESIDENT

The Australian Senior Lacrosse Tournament and Championship is the peak event in our national lacrosse calendar. It provides the opportunity for teams from each State to compete against each other and compare their performance against other States at this elite level.

The concept of the Australian Championship between full member States (South Australia, Victoria and Western Australia) being played within the Australian Tournament which provides the opportunity for involvement of developing States and international teams has now been well accepted.

Welcome participants in this Tournament are the New South Wales team and our international visitors from Kean College Lacrosse Club in the USA.

Many people have put in a lot of effort to make this a successful event. The players from all competing teams who have given the commitment of State team training, in addition to regular club training. Team coaches and managers drawing together one team comprising players conditioned to competing against each other. Referees who aspire to perform at the highest levels which requires physical fitness, as well as an intimate knowledge of our complex rules and the qualities required to apply them without fear or favour. Event organisers who have a multitude of tasks from ensuring the fields are marked to catering for the needs of both competitors and spectators.

While only one team can hold the winner's trophy aloft at the end of the competition, everyone who has participated will enjoy the camaraderie and fellowship which is special to lacrosse and all will be pleased to be able to reflect in future years on an enjoyable 1993 Australian Senior Lacrosse Tournament.

## PRESIDENT'S WELCOME

**O**n behalf of the Western Australian Lacrosse Association may I extend a warm welcome to Perth to all visiting teams, officials and supporters for the 1993 Senior Lacrosse Championships.

I feel sure that you will enjoy an excellent standard of competition as well as experience the friendships that develop through our sport of Lacrosse.

May all teams perform well, players reach their aspirations and may the best team gain their deserved success.

ROSS WHITEMAN J.P.  
President

Geoff Taylor  
President  
Bayswater Lacrosse Club (Inc)

Michael Ferguson  
President  
Wembley Lacrosse Club (Inc)

**O**n behalf of the Bayswater and Wembley Lacrosse Clubs, we have great pleasure in welcoming players, officials and supporters from the various States of Australia to the 1993 Australian Senior Lacrosse Championships. We also extend a special welcome to players and officials from the Kean College Lacrosse Club from the United States of America who this year will be participating in the Championships.

The organising committee comprised of members of both our Clubs has put in a great effort in organising both the competition and social aspects of the Championships.

Although the main purpose of the Championship is to compete for the title of Australian Champions, it represents a unique opportunity to mix with lacrosse people from other States and Countries and to renew old, and to make new, friendships. We trust that during the week you will all find time to participate in the social activities which have been organised.

We all know that there can be only one team to leave these Championships with the title of Australian Champions. However, as these Championships are the showcase of Australian lacrosse, we hope that the competition to decide the title of Australian Champions will be fair, fierce, close and, above all, enjoyable.

We wish all players and teams the best of luck.
