And our Friendly Way Holidays don't try to organise you. You go where you want, when you want. Saving as you go with our joint air fare and accommodation booking.

Come splash in the sun on the Great Barrier Reef. Or the dazzling Gold Coast with over 30 hotel/motel/apartments to choose from.

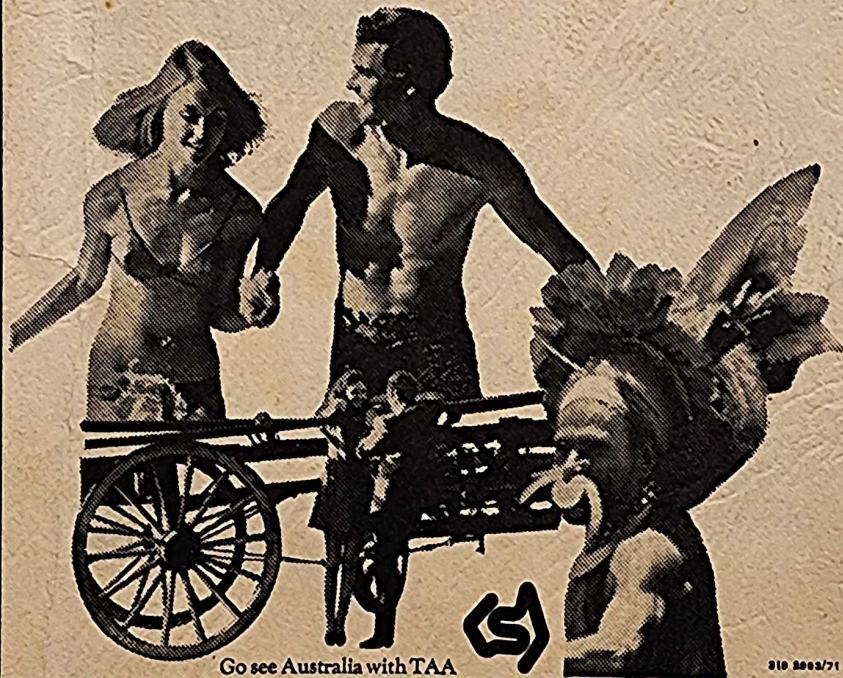

Or ski the white slopes of a sky-high mountain. Then there's apres-skiing. Some people think that's the best part.

We have holidays to make an adventurer's heart go thump. Papua-New Guinea with its breathtaking scenery. Central Australia. Red heart of the outback.

And then we have places to unwind in. Ye olde Tasmania, our green and pleasant isle. Western Australia and flowers in the springtime. Come and get it. Just call your Travel Agent or TAA.

PRESIDENT'S WELCOME

Once only, in every six-yearly period, the Interstate Senior Lacrosse Championships are held in each of the lacrosse-playing States, Victoria, South Australia and Western Australia. Hence it is with very considerable pleasure that we extend to the visiting contingents from the S.A.L.A. and V.A.L.A., both players and supporters, a warm welcome to what promises to be a very keenly contested series.

All States were evenly represented in the World Touring team, which, in the early part of this year, performed so creditably, both on and off the field, in U.S.A., U.K. and Hong Kong and it is fair to suppose that we will see some of the lessons learnt from that tour being practised during this 1972 Australian Championship Series. Further, with the World Series to be staged in Victoria in 1974 to celebrate the centenary of lacrosse in Australia, it is equally fair to suppose that spectators will be seeing in action, during the current matches, some of the players around whom will be built the team to represent Australia two years hence.

This is the first occasion on which the Men's and Women's Senior Championship Series have been staged coincidentally in the same State and it is the sincere hope of all West Australians that the programme of matches played and the social functions arranged will lead to the cementing of old friendships, and the making of new, for all lacrosseurs and those who provide such unflagging support for this very fine game.

Harold V. Horner
President, West Australian Lacrosse Association
President, Australian Lacrosse Council

HISTORY OF GARLAND - McHARG CUP

After the visit of the Canadian Lacrosse Team in 1907, a cup was presented by Mr. Garland (a Canadian) and Mr. A. McHarg (a Victorian) for competition between the States. The matches took place each three years until 1968, but are now played on a bi-ennial basis. Victoria have won the cup twelve times, S.A. five times and W.A. once.
