## President's Welcome . . . .

On behalf of all Lacrosse enthusiasts in Western Australia, it is my extreme pleasure to welcome the visiting players, officials and supporters from Victoria and South Australia, to the 1965 Australian Lacrosse Championships being held at the Perry Lakes Stadium.

As each State only has the opportunity of expressing an Australian Championship's welcome once every nine years, it will be readily appreciated how mindful we are of this great privilege. This is the fourth occasion that we have organised Australian Championships, and the Chairman of our Carnival Committee and all his loyal committeemen, join me in expressing the hope that this 1965 Series will not only be memorable to the players who participate, but also to the officials and supporters who will be renewing friendships and creating many new ones.

I personally welcome delegates of the Australian Lacrosse Council who will meet in Perth during this series and take this opportunity of expressing the sincere appreciation of all Western Australian supporters of the game for their untiring efforts in administering our sport.

This year will be the first occasion that Western Australia has had the privilege of witnessing interstate competition in Women's Lacrosse, and to those enthusiastic officials from South Australia and Victoria who have so willingly assisted Western Australia in establishing Women's Lacrosse, we say "Thank you!" We trust that the happy associations the girls will make will grow from year to year and that our Western Australian girls will participate in matches in the other States in the near future.

The Games Stadium will provide a delightful setting for our Championships, and all we can hope is that Western Australia will provide the usual traditional sunny weather to make the series complete.

The best of luck to all and may the best team win.

LAURIE TURNBULL.
