## Welcome

### WLA PRESIDENT - Shelley MAHER

2003 is a very exciting year for Australian lacrosse, beginning with this, the 31<sup>st</sup> Senior National Championship. For the first time, this Championship is being conducted concurrently with a new initiative, the WLV Down Under Cup. Women's Lacrosse Victoria is to be congratulated for establishing this event.

As well as witnessing state and international teams in action, we also have the opportunity to see the U19 Australian team take the field in their final 'home soil' preparation prior to competing in the USA National Draw (New Jersey), followed by the event they have been training for over the past 2 years, the U19 IFWLA World Championship (Baltimore 27 June - 5 July).

On behalf of all Australian lacrosse enthusiasts, WLA wishes all teams the best of competition, camaraderie and challenge as you play for the title of National or Down Under Cup champion. We also take this opportunity to congratulate all members of the U19 Australian team on being chosen to represent their country. We wish the team every success and trust that you will wear the 'green and gold' with pride and professionalism at all times.

### WLV PRESIDENT - Anne KINGSTON

On behalf of Women's Lacrosse Victoria I would like to welcome everyone to the 2003 National Championship and Down Under Cup. The National event will see Victoria, South Australia, Western Australia and NSW compete. In the Down Under Cup, teams from New Zealand, Japan, and the United States will compete against the U19 Australian team. These events promise to be a fantastic week of lacrosse that will be enjoyed by all involved, whether as a player, official, umpire, volunteer or spectator.

Thanks are extended to all the members of the organising committee, especially Shelley Maher, for their hard work in preparation for this week and for all the work that will be undertaken throughout the week. Thanks are also extended to Footscray Hockey Club for providing the facilities for this lacrosse extravaganza.

I wish all of the participants the best of luck for the week and hope that you all perform to the best of your ability.

### MAYOR - CITY OF MARIBYRNONG - CR Gerard WHITE

It's with great pleasure that I welcome you to the City of Maribyrnong for the 2003 Women's Lacrosse National Championships. Footscray is well-suited to host this championship - not only will you be playing at the recently-renovated Footscray Hockey Centre, but Melbourne's West is considered to be the powerhouse of Women's Lacrosse in Victoria.

I understand this is the first time the National Championships and the Victorian Down Under Cup will be running concurrently. It's an honour to have such a high calibre of lacrosse players not only from Australia, but also New Zealand, Japan and the USA.

I hope you all enjoy your time here, and good luck to everyone taking part.

## Player Oath

On behalf of my fellow lacrosse players, I promise that during the Women's Lacrosse Australia Senior National Championship, we shall endeavour at all times to play within the rules and spirit of the game

We will treat our opponents with respect and cooperate with our coaches and team mates

We will accept the decisions of the umpires in the true spirit of sportswomanship and will uphold the good name of lacrosse

## Umpire And Officials Oath

In the name of all umpires and officials, I promise that during the Women's Lacrosse Australia Senior National Championship, we will uphold the rules of the competition and apply them with consistency, fairness and integrity, for the good of the game and in the true spirit of competition

### The Down Under Cup

This event has been created to promote international friendship and exchange, as well as providing greater opportunities to promote and develop the game.

The Trophy has been crafted by a local lacrosse enthusiast, Rob Speakman, and painted with indigenous designs by Daryl Naylor to symbolise friendship and camaraderie – the essence of this event.

The overall design represents the coming together of two groups of people – depicted by the different colours of the goannas. The goannas are heading towards a common meeting place, depicted by the dots in the right hand bottom corner of the design. The colours are traditional to the indigenous world and represent the traditional, culture and lore of aboriginal Australia.

The Down Under Cup logo represents the contribution, involvement and unity of various people – depicted by the many handprints. The handprints also represents diversity yet connection. Once again using traditional colours of the indigenous world.
