

INTERNATIONAL FEDERATION OF  
WOMEN'S LACROSSE ASSOCIATIONS

# WORLD CUP

1989

Perth, Western Australia

Western Australian Cricket  
Association Ground  
2nd-9th September

Souvenir Programme

\$4.00

The Western Australian Cricket Association is proud to be associated with the Women's Lacrosse World Cup Championship. We congratulate the Lacrosse Associations for the professional manner in which the competition has been organised and wish them every success.

## MESSAGE FROM SENATOR RICHARDSON

As the Australian Government Minister responsible for sport it is my pleasure to extend a warm welcome to all participants, officials and spectators attending the 3rd Women's Lacrosse World Cup in Perth. I also take this opportunity to wish the organisers and competitors alike a successful event.

Women's lacrosse in this country is administered by the enthusiastic and highly motivated officials of the Australian Women's Lacrosse Council led by the President, Mrs Vivienne Grant. As a result of their dedication and efforts women's lacrosse in Australia is growing steadily and currently involves some 4,000 registered participants. This excellent track record and our magnificent facilities are no doubt important factors in the decision by the International Women's Lacrosse Association to award the World Cup to Australia for the first time.

Sport is a vital part of Australian society and in recognition of this, and the benefits of sport and sporting activity, the Federal Government has made, and will continue to make, a substantial contribution to the development of sport at all levels in this country. In this context, I should mention that the Government, through the Australian Sports Commission, has provided a grant of \$30,000 to the Australian Women's Lacrosse Council towards the conduct of the World Cup.

In my role as Tourism Minister I am keen for Australia to host major international sporting events such as the World Cup. This event will do much to assist the Australian Government in promoting our country and enhancing our tourist industry. On this note, I hope that our many overseas visitors will have an enjoyable and memorable stay in Perth and will also have the opportunity to see some of the wonderful sights across Australia.

Again, I wish the many competitors from Australia and around the world a rewarding experience in what will no doubt be an exciting and keenly contested World Cup.

**GRAHAM RICHARDSON**  
Minister for the Arts, Sport, the  
Environment, Tourism and Territories  
Australian Government

## MESSAGE FROM HON. GRAHAM EDWARDS

The sport of lacrosse may not have as high a profile in Australia as it enjoys in some overseas countries, but the fact remains that Australia is the current Women's Lacrosse World Cup titleholder.

Teams from Canada, England, Scotland, Wales and the USA have come to Perth with the aim of wresting that title from Australia on the occasion of the third World Cup.

In the best sporting spirit I wish every player safe and successful competition while predicting that the Australians will be extremely unwilling to allow the Championship to leave these shores.

Of course, in any sport there must be winners and losers but, in the end, players, officials and spectators benefit from top level events of this nature. But even more important, I believe, is the opportunity afforded by these encounters to forge and renew friendships.

It is with this in mind that I extend the warmest of welcomes to all the interstate and overseas visitors to Perth, including the special delegation of observers from Japan, in line with plans for that nation to enter international lacrosse.

Congratulations are also due to the many people behind the scenes who have worked to bring this event to fruition. They may miss out on the on-the-field glory, but they surely deserve our thanks.

**GRAHAM EDWARDS, MLC**  
Minister for Sport and Recreation  
Western Australian Government

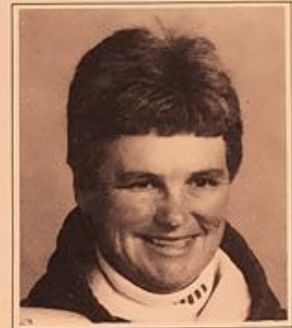

## I.F.W.L.A. PRESIDENT'S WELCOME

On behalf of the International Federation of Women's Lacrosse Associations, I wish to welcome all lacrosse enthusiasts to the International World Cup gathering.

These prestigious games occur once every four years. It is truly an honour to represent one's country as a player, as a coach or as an umpire. Each country is represented on the I.F.W.L.A. Council, Rules & Umpiring Committee and on the Tours & Tournament Committee. These individuals serve without remuneration, giving of their time, effort, wisdom and experience. These Committees meet formally at the I.F.W.L.A. Annual Conference. While representing the uniqueness of their home countries, these members also strive to do that which is best for the game internationally, respecting and giving full consideration to others views.

To all those who have served on the I.F.W.L.A. Board from 1986 to 1989 — I wish to thank you for your service on behalf of myself, of all players and of the game of lacrosse.

Planning a World Cup takes three years of organization, promotion and sustained and dedicated work. Great Britain will always be remembered for her tremendous effort in establishing the first World Cup. United States in 1986 staged a superb tournament.

These eleven days we are witnessing superb organisation, the World Cup by which all future tournaments will be measured.

The Australian Women's Lacrosse Council, led by President Vivienne Grant, has risen to a premier position in the world of lacrosse. The World Cup Organizer, Fiona Clark is almost superhuman; dynamic without being dictatorial, charming and highly organized. She, together with her Committees, her right-hand assistant, Mrs Rae Reid, A.W.L.C. Secretary, is to be congratulated for the 1989 World Cup.

A truly outstanding person personally and professionally, therefore, I wish to dedicate this page of the World Cup Programme to:

### "FIONA CLARK — IN APPRECIATION."

Six countries have competed in the first three World Cup tournaments. It is incumbent upon us to share the game we love with people in other countries... The I.F.W.L.A., in addition to rules, umpiring, tours and tournaments, has the responsibility to assist in the promotion and development of women's lacrosse: If **you** are one of those interested in supporting lacrosse throughout the world, please find a time to confer with me. In the next six months, the I.F.W.L.A. will be presenting clinics and demonstration games in Asia, Scandinavia and Eastern Europe.

It gives me distinct pleasure to announce that Sweden and Czechoslovakia have become Associate Members of I.F.W.L.A. and Japan has become a full member.

And, very importantly, I wish that we all take a moment to thank the first three Presidents of the I.F.W.L.A. for their immeasurable contributions to our game.

We all owe our appreciation and gratitude to:—

President — Margaret Boyd O.B.E. (England)  
 President — Jane L. Vache (U.S.A) (Deceased)  
 President — Elizabeth Blaydes (England)

And who shall win "THE GOLD"? This World Cup?

I say to each of you: if you have made just one new friend from another country... you've won the gold... for there is nothing more golden than... friendship.

In great appreciation of the opportunity to serve the I.F.W.L.A., I remain,

Sincerely yours,

JACKIE PITTS

### I.F.W.L.A. Officers

PRESIDENT: Jackie Pitts  
 VICE PRESIDENT: Jenny Kyle  
 TOUR & TOURNAMENTS  
 VICE PRESIDENT: Lanetta Ware  
 RULES & UMPIRING  
 SECRETARY/TREASURER: Angela Tammaro  
 PRESIDENT ELECT: Maureen Watson

### I.F.W.L.A. Member Associations

**Australia** President Vivienne Grant  
**Canada** Chairman Joanne Stanga  
**England** President Yvonne Nield  
**Scotland** President June Caithness  
**Wales** President Margaret Turner  
**U.S.A.** President Sue Lubking  
**Japan** Chairman Mina Fujimori

# AUSTRALIAN WOMEN'S LACROSSE COUNCIL LTD.

It gives me great pleasure to welcome everyone to this, the third World Cup of Women's Lacrosse, organised on behalf of the International Federation of Women's Lacrosse Associations by the Australian Council.

Our thanks are extended to the World Cup Committee, led by Fiona Clark, who have done such a marvellous job of organising this event. I am sure that the many hours and enormous effort contributed by the people involved will be rewarded by what is certain to be a very successful World Cup.

It is with great pride that the Australians, along with the teams from Canada, England, Scotland, the United States of America and Wales, take to the field of the Western Australian Cricket Association Ground for this Series. This playing venue is of world class standard and the matches to be played under floodlights during the Series is a first for a Women's World Cup.

We welcome the visiting teams to our shores and in particular we welcome Canada and Wales who are both competing in Australia for the first time.

The sport of Women's Lacrosse is spreading to new areas and it is very pleasing to have observers here from Japan. We look forward to the time when they will compete at this top level also.

Whether you are a player, official or spectator, we hope that you will enjoy this World Cup Series and that the interest generated and friendships made will help to strengthen the bonds between our countries, as well as promote the growth of Women's Lacrosse.

VIVIENNE GRANT,  
PRESIDENT.

## WESTERN AUSTRALIAN WOMEN'S LACROSSE ASSOCIATION

The W.A.W.L.A. is delighted to have been given the honour of hosting the third World Cup in Women's Lacrosse.

With our successful submission to the A.W.L.C. in 1986 the past three years have seen much activity towards the staging of this prestigious event.

To those who have worked tirelessly for the success of this championship, the World Cup Committee, members of our Association and all those who have supported our efforts, be proud of what you have achieved... your dream has become a reality.

To the players, officials and spectators we welcome you all to our beautiful city, and know you will enjoy the friendly relaxed atmosphere which abounds in Perth.

FIONA CLARK  
PRESIDENT (W.A.)

All Australian Lacrosse Supporters

## WORLD CUP CO-ORDINATOR'S WELCOME

I am pleased and honoured to welcome our lacrosse neighbours of the world to Perth, Western Australia for the I.F.W.L.A. 3rd World Cup.

The staging of this tournament has been made possible through the generosity of our sponsors and funding from both the State and Federal Government; this support of Women's Lacrosse is appreciated and valued.

To my hard-working committee, and all those involved in the detailed administration and planning, I extend my grateful thanks for the efficient and enthusiastic manner in which the conduct of the event has been undertaken.

Maggie Boyd's concept of an International Federation formed to develop the game world-wide has been fully realised; we welcome Japan as our 7th member nation. To all those undertaking the Developmental World Tour Post Cup we commend you, and thank you for spreading the word of Lacrosse. Our sport can only continue to grow when people like Jackie Pitts and her "Pioneers" give of themselves to help others.

I trust that outstanding matches, sportsmanship, friendship, fun and generous hospitality will be hallmarks of this tournament. I hope that everyone has a marvellous stay in Perth, and I thank the I.F.W.L.A. for affording Australia the opportunity to host this prestigious event.

**FIONA CLARK**  
WORLD CUP CO-ORDINATOR 1989

## WORLD CUP CO-ORDINATING COMMITTEE

CO-ORDINATOR: Fiona Clark

SECRETARY: Rae Reid

TEAM LIAISON: Fran Reid

Tanya Adams

TOURNAMENT ORGANISATION: Peter Reid

MARKETING & PROMOTION: Ron Adams

PUBLICITY: Jane Rowlands

 **QANTAS**

**"Official International Carriers  
to the World Cup"**

## WORLD CUP TEAMS LIAISON OFFICERS

### Role of Liaison Officers:

To ensure smooth co-ordination of events concerning the Teams during the running of the Cup.

### Special Duties:

- Formally liaise with Team Managers on a daily basis.
- Transport team on a daily basis.
- Assist Managers with tasks related to Noalimba, WACA etc.
- Ensure Managers are aware of meeting room times etc.
- Advise on any information required re Noalimba, WACA, local resources etc.

**WORLD CUP CO-ORDINATOR  
FIONA CLARK**

Fiona is a Trained Nurse/Midwife. Educated at Firdene Girls School, Surrey, England and played with Epsom & Ewell Club. She came to Australia in 1970. Currently plays A Grade for East Fremantle and has been State President since 1985.

Was Australia's IFWLA Delegate 1987, '88 and '89. Has represented W.A. in the years 1980, 1983, 1985-1987, selected in 1989 but did not compete. Her interests are - Lacrosse Administration! and in her "spare" time, travel, languages, tennis and cocktails.

**CANADA  
FRAN REID**

Fran is 32 years old and a Bank Officer with the R&I Bank of W.A. She has played lacrosse for the Fremantle Club some 23 years, played Interstate U-16's years ago, Senior State team member from 1981 to 1988 when she retired from this type of competition.

Fran was also a member of the 1982 Australian Team to compete at Nottingham - this selection she feels was a 'fluke'. Her interests are - Family, home and pets, lacrosse, reading, sewing and knitting but not necessarily in that order.

**ENGLAND  
SONYA FORSYTH**

31 years of age. Married with a small daughter. Played lacrosse with Fremantle Club since 1968. Represented Western Australia at both Under-16 and Senior level 1980-1984. Interests are - Home and family, lacrosse, spectating most sports

**USA  
SUZANNE HUNT**

24 years of age. Hairdresser. Played lacrosse for Bayswater Morley Club for 11 years. Junior State Representative 1980, '81, '82, U-19 in 1984 and Senior President's Team 1988. Interests are - Netball and Indoor Cricket.

**AUSTRALIA  
NICOLE BADHAM**

24 years of age. Physical Education Teacher. Club lacrosse for East Fremantle since 1983 in the A Grade. State lacrosse for W.A. 1986 - 1989, a member of the 1988 Australian team which toured England.

**ENGLAND  
JAN BALINKSI**

Nickname "INDIA", 30ish. Jan started playing lacrosse with Nollamara Lacrosse Club in W.A., moved to Victoria in 1980 and played for Williamstown until 1984. Played again 1985-87 for Nollamara and Williamstown in 1988 - returned to W.A. in 1989 and is once again playing for Nollamara.

Jan is a Contract Fencing and Sales Supervisor. Her interests are - Reading, Reading, Reading! and being the Treasurer of the Nollamara Lacrosse Club.

**SCOTLAND  
KERRY TUANA**

30 years of age. Sales Manager. Club lacrosse for East Fremantle since 1980 in the A Grade Competition. East Fremantle Club President 1988 and 1989. W.A.W.L.A. Vice President 1989. State lacrosse representative 1982, 1984-1987 and Co-Captain 1989 Team.

Interests are - Squash, Indoor Cricket, Golf, Music and collecting stamps and coins.

**WALES  
TANYA ADAMS**

Tanya is 30 years old and married to Ron, she is an Occupational Health and Safety officer with the Authority for Intellectually Handicapped Persons. She has played lacrosse with a High School team then Bayswater-Morley for 18 years. Played Junior and Senior Interstate lacrosse, State Selector for several years. Australian Team Selector 1988-89.

Her interests are - lacrosse, running, aerobics, cycling, gym, music, and much to her husband's disgust has two adorable poodles, Hughie and Benny.

Thirst quenching drinks for sporting people.

Official suppliers of fruit juice to the 1989 World Cup.

# THE AUSTRALIA

## LACROSSE IN AUSTRALIA

With the formation of the Victorian Women's Lacrosse Association in Melbourne in 1936 Australia's Women's Lacrosse history began. By 1938 we had affiliated with the All England Women's Lacrosse Association, and in 1940 were seeking affiliation with the United States Women's Lacrosse Association.

The second World War forced sport aside and it wasn't until 1961 that moves were made simultaneously in both Victoria and South Australia to revive Women's Lacrosse. The following year the Australian Women's Lacrosse Council was formed. Western Australia joined the Council in 1965, to be followed thirteen years later by Tasmania.

National senior and junior championships are held every year, while an under 19 event is held every two years.

Australia is looking forward to defending the World Cup in Perth and anticipate spirited competition during the week. On behalf of the Council I would like to pass my congratulations to the Australian team members and recognize the dedication and hard work they have put into training in the past few months. The other two key people in this event who deserve the recognition and thanks are our Australian Coach Noel Smith and Manageress June Clerk. Both Noel and June and the team members have lived and breathed lacrosse for the past few months and we in Australia hope they will be rewarded for their efforts.

Thanks must go to the selectors who had the difficult task of ensuring the best possible team was chosen. To Australia's physiotherapist, Virginia McDonald and to both umpires Sandy Grant and Bridget Joscelyne, Australia's best wishes go with you.

We acknowledge those individual people, groups and sponsors who supported the Australian team. Once again, on behalf of the Council, to the Australian team, our support goes with you for a successful defence of the Cup.

**VIVIENNE GRANT**  
36 years of age.

Represented and Captained Victoria, Represented Australia, has been President and Secretary of the V.W.L.A., Life Member of Williamstown Club and Victorian Association. Played and has been involved in Women's Lacrosse since 1968.

Part-time Medical Receptionist and Mother of Duncan 11, and Belinda 9.

Interests are — Making Chocolates, spending time with family and friends, most sports.

**PRESIDENT**

**NOEL SMITH**  
38 years of age.  
Boiler Maker.

Has played men's lacrosse for the past 22 years with the Williamstown Club in Victoria.

Coached Newport Ladies Team for five years. Coached Victorian State Team for five years. Coached Australian Team to a win at the 1986 World Cup.

Interests are — Camping/fishing with family and friends.

**COACH:**

**JUNE CLERK**  
Williamstown Club in Victoria.

Australian Team 1977, 78, 81, 83, 89.  
Interests are — Reading, dining with friends, watching all sports.

## LACROSSE IN CANADA

# OUR CANADI

### Indian Heritage

Lacrosse, known to natives of North America by many different names such as Baggataway or Tewaathon, has played a significant role in the community and religious life of tribes across the continent for untold years. Its origin, lost in the antiquity of myth, Lacrosse remains a notable contribution of the Native culture to modern Canadian society.

The exact nature of the Native games of Lacrosse varied as they served different purposes at different times. Regardless of its specific nature, Lacrosse was characterized by a deeply spiritual involvement and those who took part did so with dedicated spirit and with the highest ideals of bringing glory and honour to themselves and the tribes to which they belonged. This is a somewhat universal sporting truth which centuries later dominated the thinking of one Pierre de Coubertin.

It was in the early 1800's that the Montreal townspeople became interested in this activity of the Mohawk tribes. In the 1840's the first games of Lacrosse were played between the townsfolk and the Natives. The action and skill of the game soon won the hearts of the locals and, though it was many years before any significant wins were logged against the Natives, the game of Lacrosse was quickly winning the loyalty and interest of the newest North Americans.

By the late 1850's and early 1860's non-Native Lacrosse clubs were being formed. In the 60's the game was given more structure and stability by the European settlers, and the transition was led by Montreal's Dr. George W. Beers. In 1867 Dr. Beers set out to create a national body to govern the sport throughout the newly formed country. This became North America's first national sport governing body, dedicated to the standardization of rules and competition, and the running of national championships to promote good fellowship and unity across the country.

### Rise to Prominence

Lacrosse reached its height of popularity in the early 1900's. The Olympics of 1904 and 1908 saw Lacrosse chosen as part of the program, due to its popularity in Canada, the United States and Great Britain. The sport, so much a part of the community life, provided one of Canada's gold medals in 1904 in St. Louis, Mo. — the first Olympics to which Canada sent an official delegation.

The Olympic program of those early years was determined a great deal by the host country. Therefore when the venues shifted to European sites, Lacrosse, not popular on the continent, was dropped from the program of competition. Though its career in the Olympics was short lived, Lacrosse still remains the only team sport in which Canada has won more gold medals than the rest of the world combined.

### Modern Lacrosse

Although men's box lacrosse has retained the most popularity in Canada over the last few decades, in 1979 the first women's teams were formed in Toronto and Vancouver. In 1982, Canada sent a women's team to the first World Cup in Nottingham, England and was proud to finish third in the tournament. In 1983, the Women's Program of the Canadian Lacrosse Association was formed with the participating provinces of Ontario, British Columbia and Quebec. In the following three years, Manitoba, Saskatchewan, Alberta and Newfoundland founded associations.

Since this time, the National Team has toured Scotland and Wales (1984), the USA (1985), hosted the Celtic Team (1988) and will host the USA in 1990. The team participated in the second World Cup in Philadelphia, PA in 1986, and are happy to be in Perth for the third World Cup of Women's Lacrosse.

We applaud the outstanding job the World Cup Organizers have done and we look forward to an excellent tournament and an enjoyable stay "Down Under".

**JOANNE STANGA**  
28 years of age.  
Assistant Corporate Librarian.

#### Lacrosse Experience:

Box Lacrosse — 4 years  
Field Lacrosse — Provincial Team 3 years, Canadian Squad 1 year

# OUR ENGLISH

## LACROSSE IN ENGLAND

The Lacrosse Association in England was founded in 1912, but long before that — in 1876 — lacrosse had been demonstrated in front of Queen Victoria by a visiting party of Canadian and Iroquois Indians.

There are now nearly 900 Individual Members, 119 Schools, and 70 Clubs and Colleges affiliated to the AEWLA.

In 1986 a new 3 year Development Programme funded by the Sports Council and the National Westminster Bank, was begun under the direction of Janet O'Neill as the National Development Officer. This has been successful in giving lacrosse a much higher media profile and in 1987, as part of the AEWLA 75th Anniversary Celebrations, the mini-game of pop-lacrosse was officially launched at the London Youth Games. Since then hundreds of players of both sexes and all ages, including mentally and physically handicapped groups, have been introduced to pop-lacrosse. As the result of the success of this programme the Sports Council and NatWest are to continue funding the next phase of the Development Programme through a network of Regional Development Officers. The main priority is to encourage the progress of players from pop-lacrosse through to field lacrosse. There is concern that as Physical Education Colleges take in fewer lacrosse players, and some drop it from their curriculum altogether, the number of field lacrosse players and coaches will begin to fall unless action is taken. The AEWLA and the men's association, the ELU, have co-operated in the formation of the British Lacrosse Coaching Foundation to administer a new joint coaching award scheme. This will replace the separate award structures which previously existed in the men's and women's game and will train coaches at all levels.

International play began in 1912/13 with England playing Scotland and Wales and these matches continue every season for the Brailsford Trophy.

In 1934 the first English team played and coached in the USA, and in 1935 the first US touring team came to Britain. In 1969 the combined teams of England and the USA came to Australia to coach and play, and in 1972 we welcomed the first Australian touring team to England.

1972 also saw the founding of the International Federation of Women's Lacrosse Associations, the brainchild of one of the English game's most esteemed players, Maggie Boyd, who became its first President.

10 years later in 1982 the first World Cup was held at Trent Bridge Cricket Ground in Nottingham. Since the 2nd World Cup in Philadelphia in 1986, England have played and beaten 4 of the other competing nations including a 3-0 series win over the USA and a drawn 3 match series with Australia.

We look forward to the challenge of the 3rd World Cup in Perth, and we wish the exciting first-ever World Developmental Tour which follows every success.

**YVONNE NEILD**  
Secretary at Oakham School.  
Previously player for North Reserves and Midlands Territory.  
Midlands Secretary 1977-1987.  
Midlands Chairman 1987-1989.

## LACROSSE IN SCOTLAND

Lacrosse was played in Scotland by girls at St. Leonards School, St. Andrews as early as March 1890.

The first Headmistress, Dame Louisa Lumsden, on a visit to the White Mountains, N.H. in 1884 watched the Canqhawaya Indians play against the Montreal Club. She felt the game would be suitable for girls and was instrumental in introducing lacrosse at St. Leonards.

Originally the team consisted of 8 players and the table below indicates the changing size of the teams and the names of the positions.

Date	No in team	Positions
1890	8	No record
1895	10	4 forwards, 4 backs, Centre & Goals
1901	10	Full forward, 2H.RA, LA, C, RD, LD, CP, Full back, Goals.
1907	10	As above but Goals became GK.
1912	10	IH, 2H, RA, LA, C, RD, LD, CP, P.GK
1913	12	As above plus 3H & 3M.

St. Leonards contributed greatly to the development of lacrosse in other schools, in other areas of Britain and in the U.S.A. In an article in the 'Baltimore Sun' dated 1955, Rosabelle Sinclair, a St Leonards Senior (Old Girl) is attributed as having introduced lacrosse to Bryn Mawr School in Baltimore in 1926. Her pupils took the game into the Colleges in the East and the game spread quickly as a result.

St. Leonards has had a considerable and valuable association with lacrosse and has essentially been a parent of the Women's game in both Scotland, other parts of Britain and America.

In more recent times Scotland has continued to do well in International matches. They were fourth in the Brine 1982 World Lacrosse Tournament, third in the second World Cup in America in 1986 and are looking forward, with almost a century of Lacrosse behind them, of doing well in the coming World Cup in Australia.

24 years of age.  
Teacher.  
West London Club. West of England, Capped for Scotland in 1988 and is interested in sports and travel.

No. 16

# OUR U.S.A.

## LACROSSE IN THE U.S.A.

### A Brief History of the USWLA

Founded in 1931, the USWLA has grown from the initial four Associations to the present 22, functioning under 6 Districts. Lacrosse is now played from coast to coast, border to border, with new Associations ready to join in 1990.

The National team realized its first great success in 1975 when it toured to Great Britain and defeated England for the first time ever.

In 1982, at the First World Cup in Nottingham, England, the USA defeated Australia in a stirring final to become World Champions.

Four years later in 1986 at Swarthmore, Pennsylvania, the tables were turned; the Australians defeated the USA to win the second world Championship.

And now, it is 1989 with the Third World Cup in Perth, Australia. Can the USA make it to the finals again? There are 20 people in the official USA party who say "YES" and 14 more at home willing them to the #1 position once more.

PRESIDENT

**SUSAN W. LUBKING**  
President USWLA

Graduate of Cheltenham High School, Wyncote, PA. and Ursinus College, Collegeville, PA. in 1960. She completed her M.Ed. degree at Temple University, Philadelphia, PA. in 1981 and now works towards her Ph.D. Currently she serves as presidential Associate for Athletic Administration at West Chester University, West Chester, PA. She has coached field hockey and lacrosse there since 1978 and has been Associate Athletic Director. She has also taught at Harcum Junior College, Bryn Mawr, PA. and was past president of the Philadelphia FHA; co-director of Philadelphia Lacrosse Camp and Merestead Hockey and Lacrosse Camp. She is also a member of Ursinus Hall of Fame. Susan enjoys tennis and swimming; gardening and her family of 3 grown children.

# OUR WELSH

## LACROSSE IN WALES.

### Development of Lacrosse in Wales

Lacrosse was played in Wales in the late 1920s by ten schools and a few clubs and colleges. After the Second World War the number of schools playing the game declined.

It is the advent of 'Pop' lacrosse, play days, more tournaments, T.V. coverage, travel to other countries for national, club and school teams that have combined to increase the interest in Wales. Increasing numbers of players are attending trials for the national teams, junior schools are wanting to try 'Pop' lacrosse, comprehensive schools are trying field lacrosse at play days and consequently including the games in their school programmes, universities are beginning again to field teams.

All this is good news for Welsh Lacrosse and some exciting things are happening. We have some 19 schools up and down the country wanting to play 'Pop' or field lacrosse and recently we have taken the 'Pop' game into a school for the disabled where a wheel-chair version is being pioneered. Mixed lacrosse is being played at all levels and is proving very popular.

Lacrosse in Wales, in particular, is ripe for development. We have some dedicated helpers but we need more and we need funding to help us: ★ to take the game to all who want to play,

- ★ to stage tournaments and international events;
- ★ and to host a future World Cup in Wales.

**MARGARET TURNER**  
Retired Teacher

Penarth Club, selected West 1947-1958,  
Wales 1945-1959 (Captain 1954-1959)

Teacher

Putney Club, Middlesex, South Squad, North Squad Wales 1985-1989.

Interests are: Cooking, sports, decorating.

## FOR THE UNINITIATED...

Women's lacrosse is thought to have begun in the 1880's, in an English preparatory school, playing the same rules as applied to the men's game at that time.

A team consists of twelve players on the field and four substitutes. There may be a maximum of four substitutions in each half, and four at the half time break, for each team.

Reading from the goal, the players are traditionally known as:

Goalkeeper, Point, Cover Point, Third Man, Right Defence, Left Defence, Centre, Right Attack, Left Attack, Third Home, Second Home and First Home.

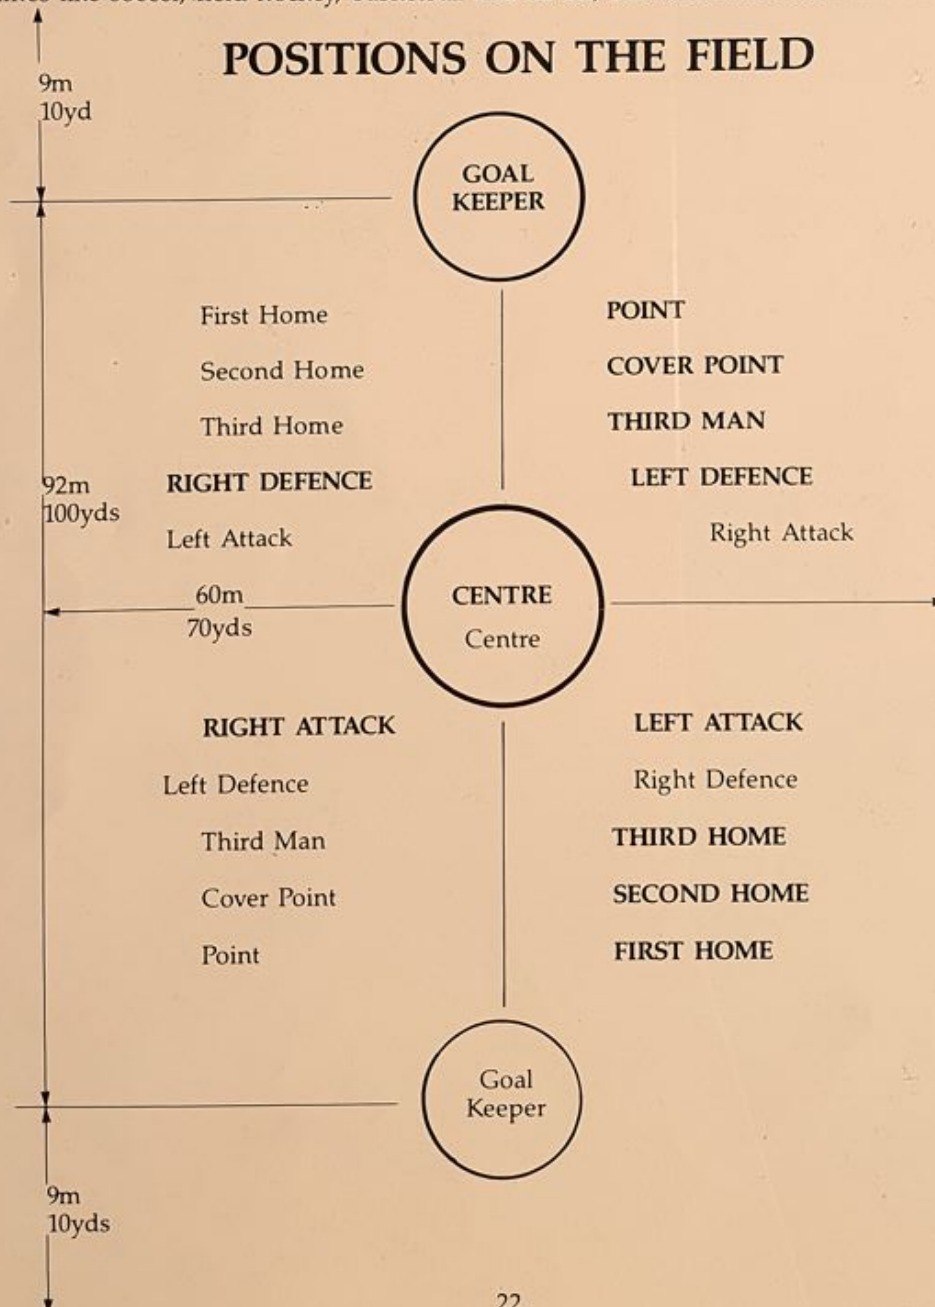

Players are free to move where they wish on the field except:

- on an umpire's whistle for an infringement, injury, substitution etc., when they must "stand" until "Play" is called:
- in or over the goal circle with any part of the body or crosse.

The play behind goal is a feature of lacrosse and reminds us that the original game, played by Indian people of the North American continent, used a single pole as the target.

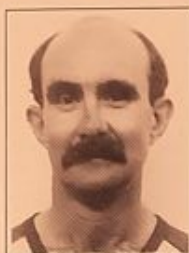

There should be no body contact, and the umpire will penalize crosse checking or shooting at goal which might endanger a player. Nor may a defensive team adopt a loose man defence in front of goal because of the danger to that unprotected player facing a shot on goal.

The sports fan may see similarities in positioning, attack, defence, tactics and general field play, to that of other running games like soccer, field hockey, basketball and so on, but none can match the end speed of lacrosse.

## UMPIRES

AUSTRALIA

**ALEXANDER (SANDY) GRANT**  
38 years of age.  
Teacher (Mathematics/Science/Computers)

Victorian State Umpire.  
Began umpiring in 1976 and has umpired approximately 450 matches (including Club, State and International), State Umpiring Coordinator 1978-81, National Umpiring Director (A.W.L.C. Ltd) 1981-89. Internationally rated umpire, World Cup Umpire 1982, 1986, 1989.

Involved with Camberwell Club, Victoria since 1979, held various positions. Delegate for Victoria to A.W.L.C. since 1983. Umpired various interstate championships since 1985, gained international umpiring rating 1989.

## HISTORY OF THE WORLD CUP

The International Federation of Women's Lacrosse Associations was founded in 1972 by Miss Margaret Boyd OBE (England) who became its first President. Since then all international tours and World Cups have been played to IFWLA rules.

The inaugural World Cup was held in England in 1982 on the hallowed ground of Trent Bridge. All member countries of the IFWLA competed, i.e. Australia, Canada, England, Scotland, U.S.A. and Wales, in a round-robin tournament conducted over a six day period. The final day saw play-offs for all positions... Canada took bronze, Australia silver and the U.S.A. gold.

Members of the IFWLA were given the opportunity to act as World Cup hosts, and in 1986 U.S.A. took up the challenge. The 2nd World Cup was conducted in Philadelphia, amidst the beautiful setting of Swarthmore College. Another week of exciting matches in glorious sunshine saw Scotland take home bronze, and a repeat of the 1982 final, with Australia reversing their defeat just 4 years earlier.

Australia was afforded the privilege of hosting the 3rd World Cup, and decided to break with tradition, and have only 3 years between events. The reason for this was that with the Commonwealth games being held in 1990, it was considered that sports funding might be at a premium in that year.

Perth is to be host city to the 1989 World Cup, and for the first time in the history of lacrosse Japan will be present as Observers, having become the 7th member nation to be affiliated with the IFWLA.

In 1993 lacrosse followers throughout the world will gather in Edinburgh, Scotland for the 4th World Cup.

## 1993 WORLD CUP

MARY McCOSH — 1993 WORLD CUP CO-ORDINATOR — SCOTLAND

In Scotland we are already making plans for the World Cup Tournament of 1993. We expect to hold it at HERIOT-WATT University which has excellent facilities and lies on the outskirts of Edinburgh. We plan to time the tournament for the beginning of August, just prior to the Edinburgh International Festival.

Edinburgh and Scotland have a great deal to offer at this time of the year, and so we look forward to welcoming not only the teams, but, hopefully many supporters as well.

## GREETINGS FROM JAPAN

Hello Australia! We are very happy to be accepted as a member of the International Federation. Japan's Women's Lacrosse in 3 years has gained 350 players since its establishment. And each one is working hard on improving.

We are honoured to have been invited as delegates to this conference. We hope in the 1993 World Cup to participate as a team.

## WESTERN AUSTRALIA

Welcome to Western Australia. We hope you enjoy your stay and take home many fond memories of our State.

Western Australia is a land of contrasts and is the largest of all the Australian States. Because of its sheer size, it offers a variety of climates ranging from sub-tropical in the north, to a temperate climate in the south. The Perth region experiences a very pleasant Mediterranean climate.

The Indian Ocean to the west is the State's main water playground while the colder and more relentless Southern Ocean is responsible for forming up the beautiful but very rugged southern coastline. The latter is complemented by the hilly lush rain forests in the South West which eventually run into the undulating farmlands to the east of Perth.

The harsh reality of the outback is experienced in the eastern regions of Western Australia where lifeless dry deserts abound. Contrast this to the North West which displays its awesome beauty in the mountain ranges, waterfalls, tropical rainforests and inland waterways.

Western Australia's extreme length is 2 382 kilometres (1 491 miles) and its extreme breadth is 1 609 kilometres (1 007 miles).

**WESTERN AUSTRALIA'S POPULATION:** 1,500,000

**SIZE:** 2,525,500 square kilometres

**COASTLINE:** 12,500 kilometres

**SUNSHINE:** Average 8 hours sunshine per day
