## **A.W.L.C. PRESIDENT'S REPORT**

On behalf of the A.W.L.C. it gives me great pleasure to welcome all teams, officials and supporters to Melbourne for the 1993 Senior National Championship.

We are particularly delighted that England is touring Australia, and for the second year in succession will bring an International flair to this event through their participation. The Victorian public are indeed fortunate to have the opportunity to see this world class team in action.

1993 sees the emergence of New South Wales for the first time in a National Championship. This is most pleasing, and is testimony to the current development of Women's Lacrosse in this country.

The Nationals promise a feast of high level competition, and I congratulate and thank all those who have been involved in the planning and organisation of this championship, particularly Gail Sedgeway, the Co-ordinator.

I wish all those competing every success, and hope that during the next eight days this broad spectrum of participation will be equalled only by a spirit of friendship, sportsmanship, goodwill and a true sense of pride.

**FIONA CLARK**

A.W.L.C. President

## **V.W.L.A. PRESIDENT'S MESSAGE**

It gives me great pleasure, on behalf of the V.W.L.A., to extend a warm welcome to all players, officials, guests and supporters to the 1993 Australian Senior Womens's Lacrosse Championships.

In particular, we welcome the England team, currently ranked No.2 in the world and the New South Wales 'composite' team both of whom are participating in the Nationals for the first time.

This promises to be a most exciting week of women's lacrosse, and I thank Vic Health, the City of Brunswick and all V.W.L.A. members and supporters who have worked tirelessly to make possible, the staging of this tournament.
