SOUTH AUSTRALIAN ASSOCIATION.

ANNUAL MEETING.

Mr. G. M. Evans, presided over the twenty-third annual meeting of the South Australian Lacrosse Association which was held in the Exchange Hotel on Monday evening. In moving the adoption of the report and balance sheet the president referred to the achievements of the past season, and congratulated members on the keen interest they displayed in the game.

Annual report. The annual report presented by the secretary (Mr. Hodggetta) stated:—"The period under review covers only a little over four months of actual play, but was most interesting. From the inter-State team to the lowest "C" Grade all players appeared keen and enthusiastic. This was as all desired, and we trust that the game will be always be played in as thorough a manner. There were no inter-State matches in Adelaide as it was our turn to visit the Eastern States. A strong side left here in August to play in Melbourne and Brisbane under the able management of Mr. W. Fisk. The first and most important match of the tour was played against Victoria in Melbourne on Saturday, August 12, at the Melbourne Cricket Ground the scene of many a memorable match between the two States, and resulted in victory for the home team with 6 goals to 5, an extremely close game, in which the honors were well divided. Our representatives played a magnificent game, and were really unfortunate in losing. I am pleased to be able to conscientiously chronicle that as true sportsmen they gave their opponents every due credit for their success. South Australia must live up and endeavor to again occupy that high position held by lacrosseurs for so many years.

The Local Competition. "The competitions were again most happily fought out, and the honor of the Champion Team goes to Sturt, a club that was for many years almost invincible. No one will begrudge them the honor. Throughout the season they played as one man, the combination in the forward lines, led by Captain Noblett, assisted by E. Farrell, J. Moffat, L. W. Searle, R. Hill, and H. E. Wicks, was the secret of their success. "Absolute unselfishness" was their motto, and well was it adhered to. Strange to say the only match lost was to the bottom team, East Torrens. To the Sturt Club the committee and all lacrosseurs extend their sincere congratulations. The Sturt players have the honor of being the first club to win the pennant so generously donated by Dr. E. J. Counter. University here gained second place, an advance on the previous season, when they occupied third position. At one time they threatened seriously to replace the premiers, but in the latter part of the competition were not playing as well as during the early games. In G. C. Campbell they had the champion goalkeeper of Australia, and in A. L. Pinch and C. Yeatman two excellent forward players. North Adelaide, after two very successful years, had to be content with third place. The loss of many of the giants of former years to a large extent accounted for this. At times they showed fine form, but were not as good a combination as in 1910. With the proposed retirement of several of the older members the committee will have to try some new blood during the ensuing season, and we trust that they will prove successful. Holdfast Bay began well, and promised to make a bold bid for the championship, but the old complaint, "Lack of the necessary time for training" was heard, and became very evident as the season went on. With a very enthusiastic secretary at the head of affairs in Mr. Cooper we trust an effort will be made this year to overcome the difficulty and that Holdfast Bay will be very near the top of the tree. East Torrens for the second successive season occupy the last line on the scoring table. The season was started with an almost new team, and at times a most encouraging exhibition was given.

"The B grade premiership was won by University B for the second year in succession with an excellent record, and I now have pleasure in conveying to them the congratulations of the association. Their play was an outstanding feature of the B grade matches, all of which were played in a most sportsmanlike manner. The Deaf Mutes were second, followed by Port Adelaide and Holdfast Bay. Space does not permit of separate reference to each club, but I would state that the committee is fully aware that the B grade is the recruiting ground of the association for future inter-State players, and is anxious to do everything possible to make the competition interesting for them. I would like to record in this report the names of the most prominent B grade players:—University.—G. Yuill, C. R. Hains, Millhouse, K. Godfrey, and Lawrie. Deaf Mutes.—W. Parnell, Abbott, Rankine, and G. McDonald. Port Adelaide.—M. J. Naughton and A. Connolly (both "old" juniors, who are doing good work coaching beginners), H. Blackburn, K. Brock, Britter, J. C. Grierson, and W. B. Holdfast Bay.—F. Yuill, B. Cooper, T. Bennett, Miller, and J. Wheeler. North Adelaide.—J. Walker, Tonkin, H. J. Bowen, Dittmar, and L. Brown. East Torrens.—A. Lill, F. Hill, F. Hubbs, D. H. Richardson, and R. Geph. Sturt.—B. Croft, West, G. Smith, and Schultz. Y.M.C.A.—Fry and C. J. Mee.

C Grade.

The C grade premiership was won by Sturt C in a most decisive manner, and they gain also the right to retain the Garland shield for 12 months. A strong combination, well organized by Secretary Ashwin, and captained by Colebatch.

Country Clubs.

"It is certain that lacrosse has obtained a strong hold in the country districts, and city teams on Saturdays need never be idle, as enjoyable games are to be had within a few hours' journey. The hospitality of our country opponents has always been of the most generous nature, and they are always very willing to get a visit from leading Adelaide clubs. The following towns have teams:—Jamestown, Crystal Brook, Calowis, Port Pirie, Kadina, Wallaroo, Moonta, Kapunda, and Murray Bridge. Frequent visits were paid during the season to Kapunda and Murray Bridge, and both of those clubs reciprocated the compliment. On the June holiday the Sturt club had a very pleasant game at Jamestown.

Referees.

"The duties of referees have again been most thoroughly carried out by Messrs. J. Larner, W. Fisk, and E. Nicholas."

Other Business.

It was decided that the ensuing season should begin from April 1. On the motion of Mr. J. C. Grierson, and seconded by Mr. J. McDonald, it was unanimously decided to amend the constitution so as to allow the deaf mutes to amalgamate with Port Adelaide, so that an A grade team may be sent from Port Adelaide in addition to B and C teams.

It was also decided that the B grade have the same system of semi-finals as in A grade.

The secretary mentioned that he had received a letter from Victoria stating that arrangements were being made to bring an English team out to Australia in 1913. Another letter from the Victorian Association drew attention to the carnival, which it is proposed to hold in Melbourne in August on similar lines to the Adelaide carnival of 1910.

The newly formed Goodwood club was admitted to the association. At the conclusion of the business Mr. Taylor presented Mr. Hodggetta with a set of fruit knives in recognition of the services he has rendered to the association in the position of secretary. Mr. Evans followed suit by handing him a case of pipes as a personal present. Mr. Hodggetta expressed his deepest thanks to the donors, and assured members that he would at all times be only too willing to help forward the game of lacrosse, the interests of which they all had at heart.

Officers Elected.

The election of officers resulted as follows:—Patron, His Excellency the Governor; president, Mr. G. M. McGowan; chairman of association, Mr. W. D. Taylor; secretary, Mr. H. W. Hodggetta; assistant secretary, Mr. H. E. H. Wilson; treasurer, Mr. W. B. Lang; auditors, Messrs. H. R. Adamson and J. G. Farbridge; committee, Messrs. G. C. Campbell, J. C. Stephens, and A. S. Mann; selection committee, Messrs. G. C. Campbell, G. K. Thomas, and H. A. Wicks.

LACROSSE ASSOCIATION.

ANNUAL MEETING.

Great enthusiasm was displayed at the annual meeting of the Lacrosse Association, which was held on Monday evening in the Exchange Hotel. There was a large attendance. The Secretary (Mr. H. W. Hodgetts) presented the annual report and balance sheet. The review covered only a little over four months of actual play, which was, however, most interesting. From the interstate team to the lowest C grade combination, all players appeared keen and enthusiastic. It was pleasing to note the cordial relations existing between South Australia and all the other States. It was trusted that those who took up the work of the association in the future would endeavour to maintain that satisfactory state of good fellowship. Local competitions had been happily fought out, and the honour of being champion team went to Start. That club for many years had been almost invincible, and nobody begrudged it the position. It was the first club to win the pennant given by Dr. E. J. Couster. It was certain that lacrosse had obtained a strong hold in the country districts, and enjoyable games were to be had by city teams after a few hours' journey. The hospitality of country clubs had always been of the most generous nature, and they were always willing to receive visits from Adelaide lacrosseurs. The referees had carried out their duties most thoroughly. Players were under a deep obligation to them for their continued interest. The balance sheet showed a credit of £11. Carried.

Mr. G. M. Evan (President), in proposing the adoption of the report, complimented the Secretary upon its careful compilation. Mr. Hodgetts was the right man in the right position. He congratulated Start upon having gained premiership honours. They had played clean, unselfish lacrosse. (Applause.) He was glad to support the game, which he looked upon as the one which required most skill. The Victorians were to be congratulated upon their victory against South Australia. The strengthening of the game in the other States was pleasing.

A motion to alter the constitution to allow members of the Port Adelaide and Deaf Mute Clubs to amalgamate was carried, on the motion of Mr. J. C. Grierson, seconded by Mr. J. Macdonald. It was pointed out that neither of the teams mentioned would be able to place a combination in the senior ranks without amalgamation.

The date for the opening of the season was fixed at May 1. The first match will be played on the initial Saturday in May.

There was a discussion about the desirability of playing off semi-finals in the B grade. It was decided that that system should be followed, and the practice of former years should be the same this year in A grade.

The Secretary intimated that it was hoped an English team would be brought out to Australia in 1913. The announcement was greeted with applause.

A letter from the Victorian Association with reference to the carnival to be held at Melbourne this year, was read. The dates had been fixed between August 10 and 17. It was stated that the Victorians would not be able to send a team to South Australia this year.

The newly formed Goodwood Club was granted affiliation with the association as juniors of the Start Club.

Officers elected—Patron, His Excellency the Governor (Sir Day Bosanquet); President, Mr. G. M. Evan; Chairman of Association, Mr. W. D. Taylor; Secretary, Mr. H. W. Hodgetts, jun.; Assistant Secretary, Mr. H. E. H. Wilson; Treasurer, Mr. W. B. Lang; Auditors, Messrs. H. R. Adamson and J. G. Partridge; Committee, (three retired), Messrs. C. C. Campbell, J. C. Stephens, and A. S. Mann; Section Committee, Messrs. G. C. Campbell, G. R. Thomas, and H. A. Wicks.

Many references were paid at the annual meeting of the Lacrosse Association on Monday to the yeoman services of the secretary (Mr. W. H. Hodgetts), who was elected for his fourth term of office. The President (Mr. G. M. Evan) paid a tribute to Mr. Hodgetts' untiring energy and enthusiasm. He was keen and thorough, and the association should be proud to have him. On behalf of the committee the Chairman (Mr. W. D. Taylor) presented the secretary with a set of fruit knives. The President handed him a pipe and case, and remarked that although he was not aware the other presentation was to be made, he had made up his mind to show how much he valued Mr. Hodgetts. The Secretary, in responding, referred to lacrosse as a sport he loved and had the greatest respect for.

SOUTH AUSTRALIAN ASSOCIATION.

The twenty-third annual meeting of the South Australian Lacrosse Association was held at the Exchange Hotel, on Monday evening, when Mr. G. M. Evan presided over a large attendance of players.

The secretary (Mr. H. W. Hodgetts), in his annual report, stated that from the interstate team down to the lowest C grade, all players appeared to be keen and enthusiastic. There was no inter-State friction in Adelaide, as it was their turn to visit the eastern States. It was pleasing to note the cordial relations existing between that and all of the other associations, and the hope was expressed that those who took up the work of the association in future would always endeavour to maintain the satisfactory state of good fellowship which existed both on and off the field. The local competitions were again most happily fought out, and the honor of champions went to Start, a club that for many years was almost invincible. "Absolute unselfishness" was the motto, and it was well observed. It was certain that lacrosse had obtained a strong hold in the country districts, and city teams of old Saturdays need never be like, as enjoyable games were to be obtained within a few hours' journey. The hospitality of their country opponents had always been of the most generous nature, and they were always willing to get a visit from leaving Adelaide clubs. The clubs had been most fortunate in their choice of representatives on the association committee. The duties of referee had again been most thoroughly carried out by Messrs. J. Larner, W. Fiss, and E. Nicholas.

The President, in moving the adoption of the report, congratulated the secretary on the completeness of the account of the season's play. He extended his congratulations to Start, the premiers, who by keen, skilful and unselfish play, which should be the keynote of success in any club, had won the pennant presented by Dr. E. J. Couster. No better game than lacrosse could be supported. They congratulated Victoria on winning the interstate tournament last year but could promise the representatives of the other States keen contests when the carnival came round again.

Mr. W. D. Taylor seconded the motion, which was carried.

The treasurer's report showed a credit balance of £11.

On the motion of Mr. J. C. Grierson, seconded by Mr. J. Macdonald, it was unanimously decided to amend the constitution in order to allow the Deaf Mute Club to amalgamate with Port Adelaide, so that an A grade team might be sent from Port Adelaide in addition to the B and C teams (election of officers)—Patron, His Excellency the Governor; President, Mr. G. M. Evan; Chairman of Association, Mr. W. D. Taylor; Secretary, Mr. H. W. Hodgetts; Assistant Secretary, Mr. H. E. H. Wilson; Treasurer, Mr. W. B. Lang; Auditors, Messrs. H. R. Adamson and J. G. Partridge; Committee, Messrs. G. C. Campbell, A. S. Mann, and J. C. Stephens; Section Committee, Messrs. G. C. Campbell, G. R. Thomas, and H. A. Wicks.

It was decided that the season should open on April 1, and that the first matches should be played on the first Saturday in May.

The question of introducing the semi-final system into the B, as well as A grade, was discussed, and it was decided that that course should be adopted.

The secretary said it was hoped that arrangements would be made to secure the visit of an English team in 1913. The Victorian Association would hold a carnival at Melbourne in August next on similar lines to that held at Adelaide in 1910.

It was agreed that the newly formed Goodwood Club should be admitted to the association.

Mr. G. M. Evan was re-elected president of the S.A. Lacrosse Association on Monday evening for the 15th time.

The annual meeting of the South Australian Lacrosse Association Mr. H. W. Hodgetts, who was re-elected secretary for the fourth year in succession, was presided over by the chairman (Mr. W. D. Taylor), on behalf of the association, with a handsome set of silver fruit knives. The president (Mr. G. M. Evan) personally presented Mr. Hodgetts with a case of pipes. Both presentations were made as tokens of appreciation of Mr. Hodgetts' services to the association.
