

Some Hints on the Game (Cont'd. from Page 2)

Out of Bounds - Team touching ball last loses possession except for a goal shot when the player nearest the ball as it goes O.O.B. gains possession.

Penalties: Technical Fouls - Goal crease interference (see P.2) and Offside where 3 attack and 4 defence must be on either side of the midfield line. Penalty is loss of possession or 30 seconds.

Personal Fouls - Illegal stick check. Hitting a player below knee or from behind or on the helmet or body. Also slashing and tripping count as personal fouls. Penalty - suspension from 1 to 3 minutes. Scores level at end of game - an extra 10 minutes is played. If scores are still tied, a replay is necessary. This applies to Finals only.

VALA LACROSSE PROMOTIONS SUB-COMMITTEE

This Sub-Committee was set up by the VALA at its July 1974 meeting to consider ways of promoting Lacrosse in Victoria. If you have ideas, contact the Co-ordinator, Roy Freeman, on 56-3357, or Jack Couch, Mike Hilsberg, Dave Scott, Neil Traeger or Tom Taylor.

Today is the first result of the Sub-Committee's work.

Some Recommendations: All Clubs to have one A-Grade team only in A and A Reserve Grades.

All these Clubs endeavour to field U-16 teams and U-16 matches be curtain raisers where possible to A-Grade matches.

Support the Royal Children's Hospital Appeal more vigorously.

SOME HINTS ON THE GAME

Teams of 13 players are normal, but in finals, 15 may be played if both sides agree. Ten players from each team are on the field at any one time, leaving 3 to 5 on the bench. There are generally 3 attack (A), 6 midfield (M), 3 defence (D) and one goalie in a team of 13.

Goals are six feet square. A circle nine feet in radius designates the goal crease. Attacking team members incur a penalty for stepping in the goal crease or defenders for taking the ball into the crease.

The ball is solid rubber about the size and weight of a cricket ball. The match is played over 4 quarters of 25 mins. each. At the start of a game, and after a goal is scored, play is recommenced by a "face-off" or "draw" in the centre. Only the 6 midfield players are allowed in the midfield area until a player actually obtains possession of the ball in his racquet.

\* Two Fearon - Alan Rolley and Rod Cordell, and two Malvern - Graeme Antrim and Jeff Kelly, players who have won the F & B Award, will be playing in today's Grand Final.

There are 3 dual winners of the Award - Noel Jeffrey, Alan Rolley and Rod Cordell.

This is the 8th successive year that Fearons and Malvern have met in a Grand Final.

Major winners of premierships in A1 Lacrosse are Malvern (34), Caulfield, Essendon (currently disbanded), Fearons and MCC.

Williamstown, although one of the oldest Clubs in Lacrosse, won their first A1 Premiership in 1963. It's a slow process Chadstone Cardinals!

Club Secretaries have been requested to list school teachers who are or have been Lacrosse players (with 'phone no.) for the Promotions Sub-Committee to contact - has your Secretary got your name?

Have a major fund-raising project each year to assist the junior promotion fund (and possibly equip the school teachers).

In 1973, Coburg defeated previously unbeaten Eltham in the C-Grade Grand Final. Both teams are to be congratulated on reaching the B-Grade Grand Final this year.
