## PRESIDENT'S WELCOME

It gives me much pleasure to welcome the 1983 visiting Scottish Women's Lacrosse Team and the Touring Australian Team to Victoria.

In view of the great success of the 1982 Australian Team at the 1st World Series and the British Tour which followed, I am sure that all those who attend the 1st Test will witness a Match of the highest standard, a match in which I am sure the skills of Women's Lacrosse will be displayed to their fullest.

A very warm welcome is extended to all who attend the International Matches and we wish each Team good luck and every success.

Vivienne Grant,  
President,

Victorian Women's Lacrosse Association
