PRESIDENT'S MESSAGE

It is with the greatest of pleasure that the South Australian Lacrosse community extends to its visitors a most hearty welcome for the 1981 Australian Lacrosse Championships.

We live in an era when Lacrosse has lifted its horizons far beyond the former confines of local competition. The opportunities these days for Lacrosse enthusiasts whether player, official or supporter are unbounded.

In August 1980 Australia hosted the Rutgers University after competing in the World Box Lacrosse Championships in Vancouver Canada in July, 1980. In March, 1981 the World Championship Box Lacrosse Team — The Coquitlam Adanacs from Canada toured Australia and played both Box and Field games. In addition to these Senior Lacrosse Championships now being played, Junior Championships will be conducted in Melbourne later in the year. An under 19 Australian High School Team has just returned from a four weeks Lacrosse tour of the United States and at these present Championships the Australian selectors will be commencing the preliminaries to select the best Australian Team to play and, we hope win, the World Field Championships to be played in Baltimore, U.S.A. in June, 1982. Added to this we expect the Oxford University to be making a Lacrosse tour of Australian in August this year.

What an ambitious and enthralling programme and accomplished only by the efforts and dedication of players, officials and supporters throughout Australia who represent the active Lacrosse Community.

It is our hope that our visitors, so many of whom have worked for the success of these events in their own State, will now renew friendships and relax among their friends in Adelaide, to enjoy a series of matches which will live long in memory. For the South Australians I hope that this Lacrosse week in Adelaide proves to be the outstanding success the planners deserve.

DON HOBBS,
President,
South Australian Lacrosse Assn.

Australian Lacrosse Council Golden Jubilee

Adelaide, as the venue of the 1981 Australian Lacrosse Championships, is also honoured to celebrate the fiftieth anniversary since the Australian States united in one Lacrosse body, called the Australian Lacrosse Council.

To present day players, the year 1931 would be veiled in the mists of time. On the other hand, there are many spectators at these Championships who will remember this milestone of 1931.

The originally planned purpose of the Australian Lacrosse Council was to control the conduct of the Australian Championships. Little did the officials of those days visualize that this embryonic body would, in 1981, be immersed in a web of far wider responsibilities such as organising overseas tours, arranging trips to Australia by international teams and clubs, controlling three codes of lacrosse in the form of Field Lacrosse, Box Lacrosse and Soft Lacrosse played over the whole calendar year, organising the participation of Australia in the four yearly World Championships, codifying all Lacrosse rules and arranging coaching seminars, controlling Australian Championships at Senior, Colts and Junior levels, maintaining contact with Federal Government Departments for sports/accreditation and development programmes, maintaining official representation on the International Lacrosse Federation and controlling the movement of players internationally.

The officials of the A.L.C. have, by their endeavours over those fifty years, achieved results out of all proportion to the few self sacrificing officers, the limited facilities and the problems of communication and the whole lacrosse community is in their debt.

To celebrate this Golden Jubilee two events have been planned to coincide with the 1981 Australian Championships in Adelaide.

The first is Veterans Lacrosse played under the Lacrosse Rules existing to 1965. The second is a Golden Jubilee Dinner to be held in the East Torrens Clubrooms on Thursday, 2nd July to which all old players and ladies are invited.

I welcome all old players and supporters to join in and support these nostalgic events and by your participation I hope you can revive the pleasures of your younger days.

President,
Australian Lacrosse Council

SYMONDS CUP

Since 1939 the two States have competed for possession of the Symonds Cup, a trophy donated by Mr. and Mrs. H. S. Symonds, of Adelaide, to perpetuate the memory of the late "Bob" Symonds who was killed in an air crast at Dromana in 1938.

S.A. has won the Cup 19 times and Victoria 14 times with 3 Draws.
