### MESSAGE FROM THE PREMIER

Welcome to Melbourne for the 2016 Australian Lacrosse Association National Championship and for international matches between Australia, England, New Zealand and Hong Kong.

Victoria is the sporting capital of the world and Melbourne was recently crowned the Ultimate Sport City of the Decade.

Victoria hosted Australia's first interstate lacrosse match in 1887, when the locals defeated South Australia at the MCG. The MCG also hosted Australia's first international lacrosse match, when in 1907 a crowd of 30,000 watched Australia defeat a more experienced Canadian team 5-3.

I am sure that Australia's lacrosse players will show the same skill and determination during this tournament. In particular, I wish the Australian women's team all the best for what I am sure will be a tightly fought international test series against England.

I encourage all our interstate and overseas visitors to experience the best of everything that Victoria has to offer.

The Hon Daniel Andrews MP  
Premier

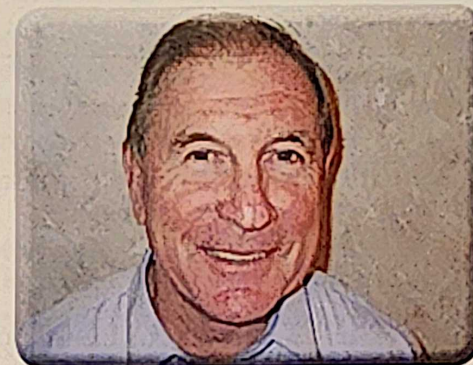

On behalf of the Australian Lacrosse Association Ltd (ALA) it is my great pleasure to welcome players, coaches, support staff, officials, families and spectators to Victoria for the 2016 ALA Senior Men's and Women's Lacrosse Championship.

National Championships play a major role in the development of our competing lacrosse athletes and the ALA Senior Championship provides that pinnacle and opportunity for them domestically. This ALA competition also provides the grounding and opportunity for Australian Lacrosse athletes to gain entry to their appropriate National team and represent Australia in the Federation of International Lacrosse (FIL) world events. This year we have England women's team, National teams from New Zealand competing in the Men's and Women's Championships. Further we have a combined women's team from NSW/Queensland, with this participation being for the first time in recent years, and the debut of Hong Kong women's team. We also have the men's Australian U19 team competing in the men's event, prior to competing in the FIL U19 World Championship in Canada in July 2016.

However this year it is even more challenging and exciting with the Senior Women's Test Matches being contested between Australia vs England. This will be at the conclusion of the Senior Women's Championship and overlaps with the Senior Men's Championship. Full details of all these contests and schedules are on the ALA website [www.lacrosse.com.au](http://www.lacrosse.com.au).

Lacrosse has been a respected sport in Australia and this is a wonderful opportunity for the ALA to recognize the professionalism, commitment and talents of the coaches who train, prepare and lead the players into and through this contest. The calibre and success of Australian players over the years in the international arena is testimony to the coaching programs and dedication of all those involved. Likewise I recognise the excellent performances consistently provided by the men's and women's officials over prior years and I am sure again this year. I particularly commend all support staff, officials and administrators whose collective impact has contributed so much to maintaining the high standard of lacrosse competition in Australia.

The ALA recognizes with gratitude the continuing support of the Australian Sports Commission for this event and their long term support for lacrosse in Australia.

I would like to extend my thanks to the ALA Event Team for their organization and hosting of this event - in particular John Morgan (ALA Event Manager), Paul Mollison (ALA High Performance Director), Jan Jackson (ALA Competition Director) and their hard working staff and volunteers. These Senior Championships enjoy a special place on the Australian lacrosse calendar and the excellent organisation and friendly hosting will undoubtedly be greatly appreciated by all attendees.

On behalf of the ALA Board I wish all competitors the very best of contests to be played in a spirit of fairness and good sportsmanship. I trust that those who come to support the contests will enjoy some outstanding games. The women will compete for the Joy Parker Cup and the title of women's National Champions. In the men's event they will compete for the Garland-McHarg Cup and the title of men's National Champions.

May all matches be contested in the true spirit of competition and camaraderie, and may all participants enjoy and grow with yet another positive lacrosse experience.

Yours in lacrosse. Yours in lacrosse.

Mike Slattery  
ALA President

## History of Lacrosse

- Lacrosse was originally a game to prepare the Cherokee Indians for war
- One of the oldest team sports in America dating back to the 17<sup>th</sup> century
- Traditional lacrosse were major events that could last several days
- As many as 100-1000 men from opposing villages or tribes would participate
- Played in open plains located between the two villages
- Opposing goals could range from 500 yards to several miles apart

As a spectator in any activity held by or under the auspices of the Australian Lacrosse Association, a Member Association, or an affiliated club, you must meet the following requirements in regard to your conduct during any such activity or event:

1. Respect the decision of officials and teach young people to do the same.
2. Never ridicule or scold a young player for making a mistake. Positive comments are motivational.
3. Condemn the use of violence in any form, whether it is by other spectators, coaches, officials or players.
4. Show respect for your team's opponents. Without them there would be no game.
5. Do not use violence, harassment or abuse in any form, that is, do not use foul language, sledge or harass players, coaches, officials or other spectators.
6. Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.

## Lambton Mount

This is a newly formed national lacrosse club with direct affiliation with the ALA. The Club already has a membership of 80 comprising male and female members from a number of states as well as other countries. The aim is to be the largest club in the world with at least 1,000 members.

Our primary mission is to "Reconnect Women and Men Lacrosseurs".

The club is named in honour of Lambton Mount, the Canadian who introduced lacrosse to Victoria and Australia in 1876. Lambton Mount was a keen sportsman, a successful businessman and an

international traveller.

**ASK NOT WHAT CAN LACROSSE DO FOR YOU**

**BUT RATHER WHAT YOU CAN DO FOR LACROSSE**

In the interests of lacrosse we need your membership and support. Fill out an application form at the Club's table at the championships or email a request for a form to Bill Gray at gray.gdc@gmail.com.

Annual membership is only \$25.00.

### Who was Lambton Mount

Lambton Le Breton Mount was born in Quebec, Canada in 1836, and arrived in Australia with his family in 1853. He lived in the Ballarat goldfields until the family moved to Melbourne in 1873.

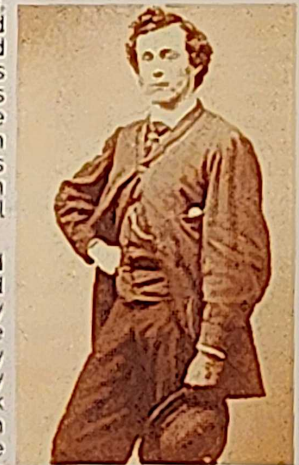

In the late 1850's and early 1860's he became well known as a champion runner in Melbourne and Sydney, including match races for the Championship of Victoria against H.C. Harrison, the father of Australian Rules Football. He became a member of the MCC Sports Committee, and was known all over Australia as the "Canadian Stag".

In 1876 Mount started the game of lacrosse in Melbourne. By 1901 lacrosse was played in all Australian states and in 1907 Australia hosted a Canadian lacrosse team with games being played in various states. 16,000 spectators attended a match at the MCG, a large crowd considering there were only 1 million people living in Victoria.

He was a pioneer of the glass-making industry in Melbourne, Sydney, New Zealand and Argentina, and later in Leeds and Manchester in the UK. He was the inventor of numerous devices relating to the industry. He became president of the Victorian Chamber of Manufacturers and was on the Commission for the Centennial International Exhibition in 1888.

Lambton Mount's friends and business associates included the famed poet Adam Lindsay Gordon, Alfred Felton (of the Felton Bequest which so ably supports the National Gallery of Victoria), and Frederick Grimwade, a businessman and politician who had a close association with Melbourne Grammar School (the school's Grimwade House was named after family members).

Lambton Mount passed away in 1931 in the UK.
