Dear Bob & Dorothy.

July 28, 1974

Just a short note to let you know I received your letter and the pictures and write up. Thanks a million, the pictures were great and will bring back many fond memories.

I haven't caught up with Jack yet, called him a couple of times but he was out fishing, talked with Jean and I guess the cannon was a real hit. Had a nice letter from Edna and she sent me the pictures from the game at the University that I left on the table at the dance.

Bill and I both got the wine Bob and managed to get it home safely. Thanks again, your kindness is most appreciated. I thought of Dorothy at church this morning

it was hot as hell and I thought  
gee it would be nice if I could  
bottle some of it and ship it to the  
pacha at Williamstown.

Bill and I had a good trip  
home, the stop-over at Honolulu sure  
split the trip, even so its a long  
long ride. Its been tough getting  
back into the old routines after the  
way you folks spoiled us but I  
guess thats life.

I hope your son calls us Bob  
also that you all have a great visit  
on his trip home. Thanks again for  
everything, ill drop you a line later  
and keep you informed. So long for  
now, please give my regards to all  
the gang.

Kind Regards  
Ford
