# LAWS OF LACROSSE.

## I.—THE CROSSE.

Sec. 1.—The Crosse may be of any length to suit the player, woven with cat-gut (cat-gut is intended to mean raw hide, gut, cloth strings, or soft leather). In its widest part the Crosse shall not exceed one foot. A string must be brought through the hole at the side of the tip of the turn to prevent the point of the stick catching an opponent's Crosse. A leading string may be used, but must not be fastened so as to overlap the other length strings, neither shall it or any other fixings be fastened so as to form a pocket lower down the stick than the woven part of the length strings. (The length strings must be woven.)

Sec. 2.—No kind of metal whatsoever shall be used upon the Crosse.

## II.—THE BALL.

The Ball must be of India-rubber Sponge, not less than 8 inches and not more than  $8\frac{1}{2}$  inches in circumference. It must weigh not less than 5 and not more than  $5\frac{1}{2}$  ounces, and it shall be white. In matches the home Club shall furnish two or more balls, one of which shall not be used until the commencement of the final quarter.

## III.—THE GOALS.

Each Goal shall consist of two poles, which must be six feet and six feet only above the ground, and six feet apart. To each pair of goal posts shall be

attached a net extending six feet behind the posts at the ground line, and six feet wide, sloping towards and reaching the top of the posts, and closed in on the sides. The mesh of the net to be not more than 3 inches measurement. The width of the goal posts shall be preserved by a bar across the top of the posts, to which the net shall be fastened. In matches they must be furnished by the Club on whose ground the match is to be played, and shall be placed so that the playing-ground between goals shall be 110 yards in length, unless where impracticable.

## IV.—THE GOAL CREASE.

Sec. 1.—The Goal Crease shall be a ground space, 18 feet by 12 feet, made by extending the straight line between the goal posts six feet on each side of the posts, and then describing on each side of the whole line thus produced a rectangle, 18 feet by 6 feet, and must be clearly defined with white paint or whitewash, or in some such easily distinguishable manner, thus:—

Sec. 2.—No attacking player shall stand nor check the goalkeeper within the goal crease, unless the ball is within the crease.

## V.—CENTRE.

A circle with a diameter of six yards shall be marked in the centre of the ground, or as near the centre as practicable. No player—other than the Centre men—shall be allowed to enter this area until the ball has been played clear of it.

## VI.—BOUNDARIES.

The width of the playing ground shall be 100 yards, unless otherwise mutually agreed by the Captains. Should the ball go out of bounds, the Referee shall call "bounds," and may either have it faced-off or thrown in at his discretion. In no case shall it be in play until it touch the ground within bounds. The ball shall remain in play behind the goal if within the boundary, which in no case shall be more than 50 yards behind the goals.

## VII.—THE REFEREE.

Sec. 1.—When it so desires, the Association may appoint a Referee, whose duties shall be as set out in Sections 2 to 10 (inclusive). Where, however, this power is not exercised by the Association, the appointment of this official shall rest with the Captains in mutual agreement.

Sec. 2.—The Referee shall at the commencement of a match see that all the regulations respecting the ball, crosse, spiked soles, playing-ground, etc., are complied with. He shall be on the ground during the match, and shall have power to settle all matters in dispute, and shall enforce strict observance of the laws hereinbefore and hereinafter contained; but in case a disturbance or an infringement of any of the laws should occur, he may, if he deems the matter of sufficient importance, call in the aid of the Umpires and/or the Captains to settle such dispute. Any proposition or facts that any player

may wish brought forward must be made through his Captain, or one other player by the Captain appointed. The Referee shall be bound to give his decision (which shall in all cases be final), and shall not be allowed to express an opinion only. Any side rejecting his decision or refusing to continue the match shall be declared losers. The infliction of penalties shall be within the province of the Referee without appeal.

Sec. 3.—No person shall be appointed to act as Referee who is directly or indirectly pecuniarily interested in the result of the match.

Sec. 4.—When the Referee has called "foul" the ball must not be touched by either party, nor must the players—excepting the Goal-keeper, who may resume his place in goal subject to Law XIII., Sec. 9—move from the position in which they happen to be at the moment, until the Referee has called "play."

Sec. 5.—When the Referee blows his whistle for cessation of play, for whatever cause, no player shall move until the ball is again in play, unless directed by the Referee.

Sec. 6.—The Referee need not suspend play when the player who has been fouled is still in possession of the ball or the ball remains in the possession of such player's side.

Sec. 7.—Should the ball enter or pass through goal after "time" or "foul" has been called by the Time-keeper or Referee respectively, it shall not count a goal.

Sec. 8.—Referees shall enforce the provisions of the laws regarding "Free position."

Sec. 9.—The Referee may, if he deem the matter of sufficient importance, but without delay, report to the Association any instances of foul, rough play, or misconduct.

Sec. 10.—In the event of any dispute arising not provided for in or arising out of the interpretation of these Laws, the Referee shall, at the time and place of the occurrence of such dispute, decide thereon. Either of the parties to the dispute considering such decision not in accordance with the facts of the case, may, however, appeal by handing to the Secretary of the Association, within seven days from the occurrence of such dispute, a written document setting forth the nature of the dispute, and all particulars thereto appertaining. The Association shall, at the first meeting after receipt of such document, or at any subsequent meeting, as they may decide, proceed to adjudicate thereon.

### VIII.—UMPIRES.

Sec. 1.—When it so desires, the Association may appoint Umpires, whose duties shall be set out in Sections 2 to 6 (inclusive). Where, however, this power is not exercised by the Association, the appointment of these officials shall rest with the Captains in mutual agreement.

Sec. 2.—There must be one Umpire at each goal, who must stand near the posts when the ball is approaching the goal. They shall not change ends during a match. They must see that the regulations are complied with respecting the goals and goal crease, and in deciding any of these points may consult the Referee. It will also be the duty of the Umpires to decide when a goal has been obtained after receiving the "all clear" signal from the Referee.

Sec. 3.—The Referee may call upon the Goal Umpires to decide, with him, any point in dispute.

Sec. 4.—In the event of Goal Umpire not being able to give a decision whether a goal has been obtained, the matter shall be referred to the Referee, and if he also cannot decide, the Umpire shall give the benefit of the doubt to the defending side.

Sec. 5.—No Umpire shall, directly or indirectly, be interested in any bet upon the result of the match. No person shall be allowed to speak to the Umpires, or in any way to distract their attention, when the ball is near or nearing their goal.

Sec. 6.—The Umpire's decision in all matters over which he has control shall be final.

Sec. 7.—The Association may disqualify any Umpire who, in its opinion, shall have knowingly given an unjust decision, and any Club appointing an Umpire so disqualified shall be liable to be declared losers of the match for which such appointment was made.

Sec. 8.—Should no Umpires be appointed their duties shall be discharged by the Referee.

### IX.—CAPTAINS.

A Captain to superintend the play must be appointed by each side previous to the commencement of the match. They shall be members of the Club by whom they are appointed, but need not be players in a match. When non-playing Captains are appointed they shall not carry a crosse, nor appear in uniform, nor shall they in any manner obstruct the play, nor interfere in any way with an opponent during the match. The Captains shall be the mouthpiece of their respective teams in all disputes, and shall report any infringement of these laws during a match to the Referee.

Sec. 6.—In the event of accident or injury to any player during a match, the Referee shall at once stop the play, and shall have the right to direct the removal of the injured player and equalize the number of players on each side by standing down the injured player's place man at the time of such accident or injury. Should, however, either Captain think that such "standing down" of the injured player's place man causes injustice to his team, he may place any facts available before the Referee, and, should the Referee concur, he may equalize the sides by standing down any other opponent he may think fit.

At the resumption of the game the ball shall be faced off or bounced at the place of occurrence, and the Referee shall see that timekeeper makes allowance for any time lost.

## XII.—THE GAME.

Sec. 1.—Matches shall commence at such times and be played upon such ground as may be directed by the Association, and any Club not prepared to commence a match within fifteen minutes of the time directed may be compelled to forfeit it unless a satisfactory reason for the delay be given to the Association.

Sec. 2.—The game shall be started after the Captains have tossed for choice of goals, by the ball being faced off in the centre ring.

Sec. 3.—A match shall be decided by the greater number of goals obtained by either side during the time the Captains have agreed upon to play. A goal shall be scored by the ball passing between the posts from the front.

Sec. 4.—The game shall be divided into four quarters, the first two of 25 minutes each, the second two of 20 minutes each (unless otherwise arranged

by the Captains), with an interval of 10 minutes between second and third quarters, but at quarter and three-quarter time the interval shall only be long enough to change ends. On the resumption of play after such intervals, the ball shall be "faced-off" in the centre of the ground, as at the commencement of the match.

Sec. 5.—Should the ball be put through either goal by one of the players defending it, by whatsoever means, it shall be counted goal to the opposite side. No goal shall be scored as the direct result of a kick by the attacking side, and it shall be considered a foul. Should it be put through by anyone not actually a player, it shall not count. An attacking player may carry the ball into the crease, and by so doing shall not be a trespasser within the crease, whether he precede the ball or not.

Sec. 6.—In the event of a goal post being knocked down during a match, and the ball put through which would, in the opinion of the Umpire be a goal if the post were standing, it shall count a goal for the attacking side.

Sec. 7.—When a goal has been allowed, the ball shall be "faced off" in the centre as at the commencement of the match. If after a goal has been obtained, the Referee, should he be of the opinion that time is being deliberately wasted, may again start the game by bouncing the ball within the centre ring.

Sec. 8.—The Goalkeeper, while defending the goal within the goal crease, although not allowed to catch and throw with his hand, may put away with his hands or feet or block the ball in any manner with his Crosse or body.

Sec. 9.—Any player is out of play if he drop his Crosse during the game, and must not touch the ball or impede an opponent in any way until he recover his Crosse. Should he do so, the Referee may call "foul."

Sec. 10.—In the event of a match being interrupted by darkness, bad weather, or any circumstances whereby the Captains and Referee think it inadvisable to continue playing, such match shall be referred to the Association.

Sec. 11.—Should the ball lodge in any place inaccessible to the Crosse, it shall be taken out by the hand and "faced off" or bounced at the direction of the Referee.

Sec. 12.—When the ball is being "faced off" or bounced, other than in the centre ring, no one shall be allowed to stand closer than five yards from, or interfere with the players facing until the ball is out of the Crosses.

### XIII.—FOULS.

Sec. 1.—The ball shall not be touched with the hand save in cases of Law XII., Secs. 8 and 11.

Sec. 2.—No player shall hit wildly with his Crosse or throw it at an opponent or at the ball under any circumstances.

Sec. 3.—Should the ball catch in the netting, the Crosse must immediately be struck on the ground, and the ball dislodged.

Sec. 4.—Attacking player shall not stand, nor check the Goalkeeper within the goal crease, until the ball is within the bounds of the said crease. A player while thus trespassing shall be out of play, and no goal shall count if obtained while he is out of play.

Sec. 5.—No player shall charge into, shoulder, interfere in any way with another who is in pursuit of an opponent. This does not prevent the use of the "body-check" (as strictly defined hereafter), nor the pushing of an opponent with the shoulder in ground scuffles.

Sec. 6.—No player shall grasp an opponent's Crosse with his hand, hold it with his arm, or Crosse, or between his legs, or under his feet.

Sec. 7.—No player shall hold an opponent's Crosse, nor push him with Crosse in hand, nor run in front of him, nor interfere in any way to keep him from the ball until the other player reaches it, nor shall he check the Crosse of an opponent who is not actually in possession or immediately about to take possession of the ball.

Sec. 8.—No player who is in possession of the ball or who is endeavouring to obtain possession of the ball shall protect his Crosse with his hand or arm, or with his hand or Crosse use any force to prevent an opponent depriving him of possession, or prevent an opponent from obtaining possession of the ball—otherwise than by checking the Crosse—nor shall he be allowed to forcibly keep an opponent away with his free arm.

Sec. 9.—A Goalkeeper cannot resume his place in goal in the event of a "foul" being given against him.

### XIV.—ROUGH PLAY.

Sec. 1.—No player with his Crosse or otherwise shall hold, strike, or trip an opponent, nor wrestle with the legs entwined.

Charging or shouldering implies motion and unnecessary force in checking and is forbidden, because the object should be to play the ball and not the man.

**Free Position.**—The player awarded "Free Position" shall be placed in such position of advantage as in the opinion of the Referee he has been robbed of, and all other players shall remain in the position in which they happen to be at the moment, excepting the Goalkeeper, who may—subject to Law XIII., Sec. 9—resume his place in goal. The player awarded free position shall then take the ball on his Crosse in front of him, and at the signal from the Referee the game shall proceed.
