NOTICE.

- PRESIDENT:**
G. MOSTYN EVAN
- CHAIRMAN:**
H. W. HODGETTS
- HON. SECRETARY:**
C. A. M. WEST
Orient S. N. Co., Ltd.,

- HON. TREASURER:**
W. G. F. BATCHELOR
H. M. Customs,
Port Adelaide.

Your attention is directed to an Advertisement in the "Register" and "Advertiser" of Friday 17th instant, announcing a Special General Meeting of the Association to be held at the Exchange Hotel, Hindley Street, Adelaide at 8 p.m. on Friday 24th January 1919.

It is several years since premiership matches were contested and in the interim many players have fallen in the great war and their splendid services lost to the Association.

The Association therefore calls upon its remaining past members to see that the game is once more soundly established. South Australia holds the premiership of State lacrosse and has achieved many remarkable successes in the past. I particularly appeal to older players to come forward at this critical stage and help their old Clubs to actively participate.

The business to be discussed at the Meeting will deal generally with the future of South Australian Lacrosse and you are asked to attend, to make known the meeting as widely as possible, and to induce others to attend.

Yours faithfully,

Honorary Secretary,

COND with rule 22 CURRE

Resolved by Mr. H. Hodgett and carried by Mr. Batchelor and carried unanimously.

It was further moved by Mr. [Name] and carried by Mr. [Name] that

The resolutions carried at the Annual Meeting of 1916 in reference to Rule 22 be rescinded.
Carried unanimously

The object of these motions was to cancel the resolutions carried in 1916 in reference to Rules 25 and 22 as although hostilities had ceased the declarations of Peace mentioned in the 1916 Resolutions may not eventuate until the usual playing season has advanced.

Mr West gave notice of his intention to move the following resolution at the forthcoming Annual General meeting:—

That Players who have changed their place of residence since the Premiership Matches were suspended, be granted the option of playing during the 1919 season with either their last Club or with the District in which they now reside. Players would have to continue the season with the Club they elect to represent.

The Secretary asked the officials of the different Clubs to call their meetings early and appoint ~~their~~ representatives to the Association to facilitate the constructive business in hand.

On the motion of Mr. Watkins seconded by Mr. Chabrel it was resolved that all affiliated Clubs re-consider their

uniforms and submit same to the Association Committee for approval
Carried.

It was resolved that each Club supply the Association Secretary with full particulars of the Members who proceeded abroad on War Service
Carried.

Mr. Watkins suggested that at all meetings of the Association those present should stand in silence for one minute to the memory of their fallen comrades.

Mr. Collyer moved and Mr. Brock seconded that this meeting place on record in the minutes their appreciation of the work done by the Secretary Mr. West.
Carried unanimously.

A vote of thanks to the Chairman for exercising his duties so ably was carried by acclamation.

LACROSSE REVIVED.

AN ENTHUSIASTIC MEETING.

In common with other sports, lacrosse was discontinued shortly after the war began, and it is gratifying to learn that the popular pastime is to be resurrected in this State. If the enthusiasm which was the predominant feature of the annual meeting of the South Australian Lacrosse Association at Ware's Exchange Hotel on Thursday evening, may be taken as a criterion, the sport will enjoy much prosperity in the future. Mr. G. Mostyn Evan presided over a large attendance.

The report, which was presented by the hon. secretary (Mr. G. A. M. West) stated that at the last general meeting on April 11 their efforts to introduce lacrosse into the high schools had been discussed, and the matter had been left with the committee to determine what future action should be taken. Upon further consideration he had to advise that further negotiations with the schools had been deferred, while they were in recess. The question would be reviewed and action taken when and where practicable. The most important event of the year had been the cessation of hostilities which, in effect, meant, apart from national considerations, the homecoming of the troops with their honourable percentage of lacrosse players, and the revival of their pastime in the coming season. They all rejoiced at the victory achieved, and with lighter hearts, they might now prosecute their duties and pleasures with the knowledge that their freedom was no longer menaced. Later in the year on a suitable opportunity occurred, it was proposed to arrange a reunion social when their guests would be the members of the association who had been abroad with the military forces. In the absence of any matches last year, he was unable to provide a review on that period, but in the circumstances, must rather dwell upon forthcoming events. Practically all the affiliated clubs had held their annual meetings, and much enthusiasm had been in evidence in each individual case for a complete and vigorous revival of the sport. All the clubs reported on the programme in 1919 would again appear, but owing to the absence of many past players the number of teams participating is likely to be considerably reduced. The Deaf Mutes Club, which amalgamated with Port Adelaide in 1918, had again been admitted to the association, and would probably figure in the junior ranks.

The Chairman, in moving the adoption of the report, said if the clubs had not voluntarily decided to suspend operations during the war they would have been forced to do so, as so many of the players had enlisted at the front. The large percentage of lacrosseurs who had responded to the call of duty was a great credit to the sport. Players were looking forward to the coming season with hopefulness, and he believed the sport would soon be placed on as firm a basis as it has ever occupied. They would keep the flag flying. The report was proclaimed by the Chairman. In the existing circumstances the balance-sheet was as satisfactory as they could expect.

Mr. H. Hodgetts seconded the motion, which was carried.
 Officers elected:—President, Mr. G. M. Evans; chairman of committees, Mr. H. W. Hodgetts; hon. secretary, Mr. G. A. M. West; hon. assistant secretary, Mr. L. E. Smith; minute secretary, Mr. R. E. Mitchell; hon. treasurer, Mr. W. G. F. Batchelor; committee, Messrs. G. R. Thomas, W. C. Nohlett, and W. Plak; auditors, Messrs. H. B. Adamson and D. W. Henderson; selection committee, Messrs. H. W. Hodgetts, Jun., H. A. Wicks, and H. W. Tankin.
 An enthusiastic welcome home was extended to Lieut. R. E. Mitchell, M.M., Sergeant F. Davidson, E. C. Chabert, and H. B. Adamson. The Hon. H. B. Holt-house, Lance-Corporal L. C. Wiggins and Private Wheeler, who represented the district which they had served in the war.

At the instance of the secretary it was resolved:—That players who have changed their place of residence since the premiership matches were suspended be granted the option of playing during the 1919 season with either their last club or that of the district in which they now reside. Mr. West explained that players were continuing throughout the season with the club they elected to represent.

Mr. H. Hodgetts seconded the motion, which was carried unanimously.
 Officers elected:—Patron, the Governor (Sir Henry Gyles); President, Mr. G. Mostyn Evan; Vice-Presidents, Sir E. T. Smith, Dr. H. A. H. Russell, R. J. Cooney, H. H. E. Russell, Messrs. W. A. B. Adamson and D. W. Henderson; Selection Committee, Messrs. H. W. Hodgetts, Jun., H. A. Wicks, and H. W. Tankin; Chairman of Committees, Mr. H. W. Hodgetts, Jun.

ANNUAL MEETING OF THE ASSOCIATION.

The annual meeting of the Lacrosse Association was held at the Exchange Hotel on Thursday evening. The president (Mr. G. Mostyn Evan) occupied the chair, and there was a large attendance. The game has been in recess during the war, but it was evident that there is to be a determined effort to revive it. The secretary (Mr. G. A. M. West) presented the 28th annual report, which showed that practically all the affiliated clubs had held their annual meetings, and much enthusiasm had been evidenced in each case for a complete and vigorous revival of the sport. All the clubs reported on the programme in 1919 would again appear, but owing to the absence of many past players the number of teams participating is likely to be considerably reduced. The Deaf Mutes Club, which amalgamated with Port Adelaide in 1918, had again been admitted to the association, and would probably figure in the junior ranks.

The report was proclaimed by the Chairman. In the existing circumstances the balance-sheet was as satisfactory as they could expect.

Hodgetts, Jun., H. A. Wicks, and H. W. Tankin.
 An enthusiastic welcome home was extended to Lieut. R. E. Mitchell, M.M., Sergeant F. Davidson, E. C. Chabert, and H. B. Adamson. The Hon. H. B. Holt-house, Lance-Corporal L. C. Wiggins and Private Wheeler, who represented the district which they had served in the war.

At the instance of the secretary it was resolved:—That players who have changed their place of residence since the premiership matches were suspended be granted the option of playing during the 1919 season with either their last club or that of the district in which they now reside. Mr. West explained that players were continuing throughout the season with the club they elected to represent.

LACROSSE.

In the report of the annual meeting of the Lacrosse Association it was stated that a motion allowing players who had gone to other districts to have the option for the 1919 season of playing with either their old club or that of the district they adopted was carried. This was not so; the motion, after considerable discussion, being defeated. Players must therefore play for the district in which they have their residential qualification.

Register 5.4.1919

At the annual meeting of the S.A. Lacrosse Association on Thursday, a motion by Mr. G. A. M. West in reference to allowing players who had gone to other districts to have the option for the 1919 season to play with either their old club or that of the district they have adopted, was defeated (not adopted, as previously reported). Therefore, lacrosseurs must play in accordance with the rules of the S.A.L.A. for the club of the district in which they have served their residential qualification.

our gratification that the friendships

as these had failed to keep any of their engagements in the first round. The tea left in, were: - West Hindmarsh, West Torrens, Deaf Adult, East Torrens, St. Goodwood and University B. To these seven teams it was decided to admit a Club composed of the surplus juniors in the several districts the main being coming from the Sturt Club and it was suggested that this eighth team should be called Sturt C.

A drafted programme of the second round covering these eight teams and lasting for seven Saturdays was submitted by Mr O.C. Patchelor and duly adopted subject to the Secretary's confirmation of it.

A series of private letters exchanged between the Secretary (Mr West) and the Secretary of the Victorian Lacrosse Association were read to the meeting. The Secretary was requested to write the Victorian Association and express official appreciation that the friends

which had been so favorable ^{in past years} was once again renewed, and to inquire with reference to the possibility of an Interstate fixture between the States at the conclusion of the present programme.

Peace Celebrations Match. The Secretary advised that as a result of the Federal Government fixing Saturday July 19 as Peace Day instead of a Monday, he had intimated to the Peace Celebrations Sports Committee that he did not think the Lacrosse Association could enter any special engagement as we had our ordinary programme premiership matches already scheduled for that date. He however indicated that the matter was still being discussed by the War Council and it was resolved to support Mr. West's attitude and to empower him to make any arrangements he considers may be practicable.
