Mr. President and Gentlemen.

I have much pleasure in submitting for your approval the 53rd Annual Report of the South Australian Lacrosse Association dealing with the activities of the Season 1941. The number of teams entered for competition was 23 as against 29 last year. The number of registered players was 335, compared with 460 last season. In the schoolboys section 188 boys registered, being a decrease of 17 from the previous season. Great interest was displayed by four schools in a mid-week competition conducted by the Junior Technical Schools Sports Association. C. Grade (under 17).—The performance of teams in this grade was most disappointing. Two of the six teams withdrew before the completion of the minor round. Final matches were not played, as the second and fourth teams were unable to field teams. The Premiership was awarded to Port Adelaide (Minor Premiers).

Lacrosse Ball.—437 attended the Palais Royal on the occasion of the Annual Lacrosse Ball, and assisted to raise a nett sum of £63/19/-. This amount has been distributed equally between the Fighting Forces Comforts Fund, the Australian Red Cross Society, and the Y.M.C.A. Military Service Funds. Mr. J. Langdon Parsons at short notice undertook the organisation of the ball, and to his untiring efforts and to the members of the ladies' committee we are deeply grateful.

Sticks.—An appeal by the Chairman of Committees (Mr. F. Lancelot Parsons) to Vice-Presidents and old players to assist in providing sticks for schoolboy players proved very successful, and a sum of £15 was donated by these enthusiastic lovers of the game. To all who so generously contributed towards this appeal the Association is deeply grateful.

An Australian-made stick embodying a laminated frame was given a trial by several of the schoolboy teams, but unfortunately the results were not satisfactory. Representations to the Commonwealth Government by the Australian Lacrosse Council for a licence to import youths' sticks from Canada was declined owing to the gravity of the international situation.

Junior and New Teams Committee.—A strong committee with Mr. C. H. Schulz as chairman, organised and controlled lacrosse in the schools. A detailed report of the activities of this committee will be presented at an Annual Meeting of schoolboy players to be convened. An alteration to the Constitution of the S.A.L.A. now makes it possible for schoolboy members nominate three delegates to sit on the General Committee of the Association.

Finance.—Attached herewith are Finance Statements covering the Association's General Funds together with Balance Sheet as at 31st January, 1942. The position disclosed must be regarded as satisfactory.

Committee.—Eight General Committee meetings were held during the year, and the attendance record of the 23 members was as follows:—

General.—At to-night's meeting Messrs. H. Rule, J. S. Muecke, and V. P. Selth retire as Elected Members as provided by the Constitution.

Mr. Lyle Miller tendered his resignation as Auditor on account of being called up for service with the R.A.N.V.R. Mr. A. C. Davis consented to fill the vacancy until the Annual General Meeting.

The Association shed situated on the South Park Lands was taken over for Civil Defence purposes on the 6th January, 1942.

In view of the gravity of the war situation you will be asked to-night to give consideration to the suspension of all lacrosse matches other than schoolboy matches for the duration of the war. You will also be asked to give consideration to the abrogation of the Constitution and Rules of the Association and to appoint a Committee of Management to control and manage the assets and affairs of the Association for the duration of the war and thereafter until lacrosse can be resumed.

In conclusion, I desire to express my appreciation to all Association officers, members of the committee and club officials for the co-operation and assistance they have afforded me in carrying out my secretarial duties.
