SOME HINTS ON THE GAME

Teams consist of 16 players of whom 10 are on the field at any one time, consisting of 3 attack (A), 3 midfield (M) 3 defence (D) and a Goalie.

Goalies are six feet square. A circle 9' in radius is called the goal crease and attacking players are not allowed in this area.

The ball is rubber about the size and weight of a cricket ball. The match duration is four quarters of 25 minutes. At the start of the game or after a goal is scored play is recommenced by a face off or draw in the centre. Only 6 midfield players are allowed in the midfield area until a player actually obtains possession of the ball in his racquet.

Out of Bounds - Team touching ball last loses possession except for a goal shot when the player nearest the ball when it goes out of bounds gains possession.

Penalties - Technical: Fouls - Goal crease interference and offside where 3 attack and 4 defence must be on either side of the midfield line: penalty is loss of possession or 30 seconds.

Personal Fouls: - Illegal stick check, hitting a player below the knee or from behind or on the helmet or body also slashing and tripping count as personal fouls: penalty suspension from 1 to 3 mins.
