	1.15	Loser (1) v	Loser (2)
	3.00	Winner (1) v	Winner (2)

AWLC MESSAGE.....

A warm welcome to all participants to this history-making 1990 Senior Championships in Adelaide.

A special welcome to the Yale University team who will be the first team from overseas to compete in our Championships. Their involvement will add interest, depth and competition to our tournament. We hope they enjoy.

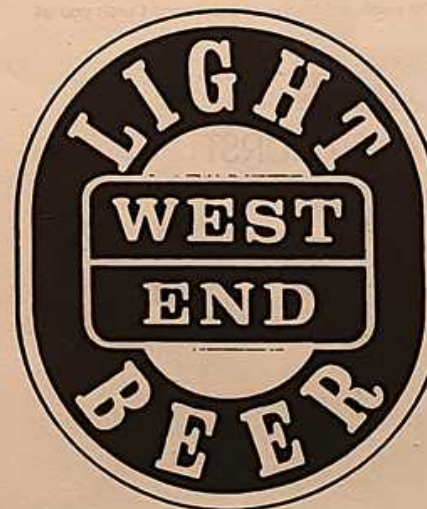

We are most fortunate to be able to play these matches at a world class facility, and on a synthetic grass surface - another first for Senior Australian Lacrosse. I am sure the spectators and players will enjoy the fast lacrosse which this surface ensures.

It is a most exciting time for Australian Women's Lacrosse with our game spreading to the new Lacrosse states; NSW, Queensland and the Northern Territory for the first time. We hope to see these states represented at these Championships in the very near future.

In the best sporting spirit I wish every player safe, skillful and successful lacrosse and I encourage all participants to take advantage of this opportunity to forge and renew friendships within our lacrosse community.

Many thanks to the SAWLA for hosting both this Championship and the visiting Yale team.

MARY PICKETT

West End light up.

MESSAGE FROM THE SAWLA PRESIDENT....

Following a most successful Under 19 Championship held in Adelaide earlier this year, it is once again my pleasure to welcome you all to the Australian Senior Women's Lacrosse Championship.

A special welcome to the Yale team, officials and supporters. I am sure they will show us some great Lacrosse and enduring friendships will be made. This year we will also have a President's team participating, as well as some guest players competing for Tasmania and overseas World Cup players taking part. As always the President's team allows more players to participate at this, the highest level of Women's Lacrosse in Australia.

Helen Keane and her committee have put together a wonderful program, which I am sure will run smoothly during the week. A big thank you to Helen and her group.

The Umpires and other officials, without whom the game does not go on, should be thanked for their dedication to the game. To the billetes, thank you for your assistance. I am sure you will find it a rewarding experience.

Thank you to Foundation SA as major sponsor and to Shell company and the other sponsors.

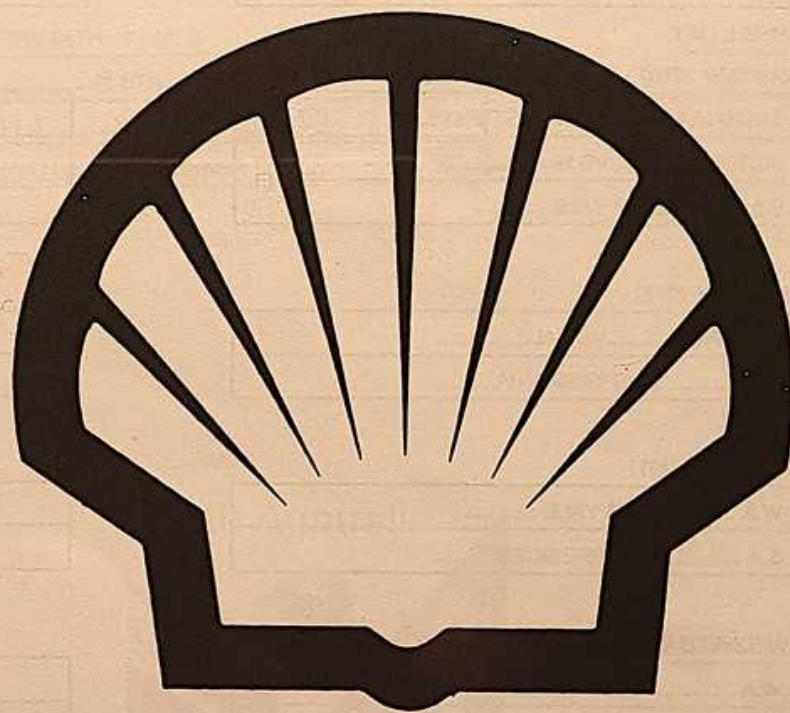

South Australia has been fortunate with media coverage for Women's Lacrosse and I would like to thank, the Advertiser, News and Sunday Mail, in advance.

The South Australian Sports Institute has once again been to the fore in assisting and supporting the players

To all the players, officials and supporters here for the week, on behalf of the Board I wish you all the best on and off the field.

DAVID HURST
