This level of competition is the high light of all senior players lacrosse career for both women's lacrosse and men's lacrosse. 2014 is also the important year for the men as several of the players from this championship will leave very shortly to represent Australia in the upcoming World Series in Denver USA. All these Australian players will be on display during these championships which will make for a very competitive and exciting series.

Lacrosse SA takes this opportunity in wishing all these Australian players the very best of luck also to all the coaches and supporters who will be travelling with the team.

My personal thanks goes out to all of this year's organising committee for their commitment to making this an enjoyable and memorable event for all our visitors, also a big thank you to all the volunteers, who have given of their time so freely in assisting the planning and the day to day running of these Championships.

WELCOME

On behalf of the Australian Lacrosse Association (ALA) it is my great pleasure to welcome players, coaches, support staff, officials, families and spectators to South Australia for the ALA Senior Men's & Women's Lacrosse Championships 2014.

National Championships play a major role in the development of our competing lacrosse athletes and the ALA Seniors competition provides that pinnacle and opportunity for them domestically. This ALA Seniors competition also provides the grounding and opportunity for Australian Lacrosse athletes to gain entry to their appropriate National team and represent Australia in FIL (Federation of International Lacrosse) world events.

Lacrosse has been a respected sport in Australia, and this is a wonderful opportunity for the ALA to recognize the professionalism, commitment and talents of the coaches who train, prepare and lead the players into and through this contest. The calibre and success of Australian players over the years in the international arena is testimony to the coaching programs and dedication of all those involved. I particularly commend all support staff, officials and administrators whose collective impact has contributed so much to raising the standard of competition in Australia and throughout the world.

The ALA recognizes with gratitude the continuing support of the Australian Sports Commission (ASC) for this event and their long term support for lacrosse in Australia.

I would like to extend my thanks to Lacrosse South Australia (LSA) for their organization of this event and in particular Bob Hewitson (LSA President) and additionally his hard working staff and committee. These Championships enjoy a special place on the Australian lacrosse calendar and the excellent organization and friendly hosting of the LSA will greatly be appreciated by all attendees.

On behalf of the ALA Board I wish all competitors the very best of contests to be played in a spirit of fairness and good sportsmanship. I trust that those who come to support the contests will enjoy some outstanding games. The women will compete for the Jay Parker Cup and the title of women's National Champions. In the men's event they will compete for the Garland-McIarg Cup and the title of men's National Champions.

May all matches be contested in the true spirit of competition and camaraderie, and may all participants enjoy and grow with yet another positive lacrosse experience.

Yours in lacrosse,
Australian Lacrosse Association President - Mike Slattery
