PRESIDENT'S WELCOME

Victoria again has the honour to welcome lacrosse players from South Australia and Western Australia and to test their skill against each other playing this great game for the honour of their State.

The Colts' Championship is the main event in the series of matches that will be taking place in Melbourne between the 14th and 21st July, 1963. The others, no less in importance, will be played between Victorian and South Australian State Senior Under 16 and Women's teams, bring the total number of picked lacrosse players participating in this great "Carnival Week of Lacrosse", to over 125. In addition to these players there will be numerous visitors most of whom have made their name either as players or administrators over a long period. It is my pleasure on behalf of the members of the Victorian Amateur Lacrosse Association to extend to all the visiting players, officials and supporters, a very sincere welcome to Melbourne, and the hope that they will enjoy their stay amongst us.

Your attention is drawn to the Exhibition Match to be played at the Malvern Cricket Ground at 1 p.m. on Sunday, 21st July, under rules drawn up after the 1962 tour of United States of America and England. I consider that these rules tend to be a means of improving lacrosse as a spectacle and as a greater test of skill and tactics than we have seen in Australian lacrosse before. Come and see it for yourself and let us know what you think. This style of game should fit our players for the hoped-visits of both English and United States of America teams in the near future.

On the same day—July 21st—at 2.45 p.m., a Women's Lacrosse Match will be played between Victorian and South Australian State Teams. Be sure to see this match as these teams will surprise you with their skill and ability.

I take this opportunity to congratulate the Championship Convenor and his Committee on their arrangement of the various functions which promise to make this Colts' Championship and Interstate matches enjoyable to everybody in attendance.

ROBERT COLDSTREAM,

President V.A.L.A.
