On behalf of Lacrosse South Australia it is with great pleasure that I welcome the Players, Coaches, Officials, support staff and supporters to Adelaide for the 2011 ALA Copyworld Men's and Women's National Championships and Tournaments.

This level of competition is the highlight of every senior player's lacrosse career and is sure to act as a boost to our sport in this state and enthuse players at all levels.

I would like to specially welcome the US STARZ team and their support group to Adelaide as well as the U19 Australian Men's and Women's teams who are preparing for their "Australian Representation" games. Some will be striving for selection while others will be looking to show us their highest standard. Many of these U19's will go on to represent their country at senior level and I trust that they will take this opportunity to make friendships which will develop during their senior competition years and endure beyond their playing career. We look forward to meeting these players and following their careers in the future.

Becoming active can easily be incorporated into your everyday life. Remember to follow the 4 Physical Activity Guidelines for adults:

- think of movement as an opportunity, not an inconvenience
- be active every day in as many ways as you can
- put together at least 30 minutes of moderate intensity physical activity on most preferably all, days
- if you can, also enjoy some regular, vigorous exercise for extra health and fitness.

I would personally like to thank all of the organising committee for their commitment to making this a memorable occasion for all our visitors, and to all the clubs, volunteers, helpers who have freely given up their time, assisting with the planning and day to day running of these Championships.

WELCOME

On behalf of the Australian Lacrosse Association it is my great pleasure to welcome players, support staff, officials and spectators to South Australia for the ALA Copyworld Men's & Women's Lacrosse Championships 2011, in this, the 50th anniversary year of Women's Lacrosse in SA.

I would like to extend my thanks to Lacrosse South Australia (LSA) for their organization of this event, and in particular Bob Hewitson as Co-ordinator and his committee. These Championships enjoy a special place on the Australian lacrosse calendar, so it is with much disappointment that WA will not contest the Men's event for the second consecutive year. It is pleasing however that 2011 has attracted a Men's team from the USA (USA Starz).

National Championships play a major role in the development of competing athletes, and this event sees the final practice for the U19 Women's Team who will depart our Australian shores for warm-up matches in the USA en route to Germany where they shall participate in the 5th U19 World Championship commencing 3 August. The best wishes of the Australian lacrosse fraternity go with them.

Also preparing for their first taste of international competition will be the U19 Men's squad, who shall compete in Turku, Finland in 2012 in the Men's U19 World Championship.

Lacrosse is very much a family oriented sport in Australia, and this is a wonderful opportunity for the ALA to recognize the professionalism, commitment and talents of Trish Adams and Mark Mangan, Head Coaches of the U19 Women's and Men's teams respectively, and also Trish's sister the much-acclaimed and well-renowned Jen Adams. The calibre and success of Australian players over the years in the international arena is testimony to the coaching programs and dedication of all those involved.

and I particularly commend all support staff, officials and administrators, whose impact has contributed so much to raising the standard of competition and umpiring throughout the world.

The ALA recognizes with gratitude the continuing support of the Australian Sports Commission, and we are delighted that Andrew Pratley, ALA's new Sports Consultant, will be joining us in Adelaide.

I wish competitors all the very best, and trust that those who come to support will enjoy some outstanding games as the women compete for the Joy Parker Cup and the title of National Champions. The Mary Pickett Trophy will be presented to the winner of the round-robin games.

In the men's event SA and Victoria will also be vying for the title of National Champions as they compete for the Garland McHarg Cup.

May all matches be contested in the true spirit of competition and camaraderie, and may all participants enjoy yet another lacrosse experience.

Australian Lacrosse Association
