SENIOR MEN'S LACROSSE

A.L.C. PRESIDENTS WELCOME

It is my great pleasure, on behalf of Lacrosse Australia, to welcome all players, officials and supporters to Melbourne for the 2001 Senior National Championship.

The Championship represents the pinnacle of men's lacrosse competition in our lacrosse year. The very best players, coaches, referees and officials will participate in competition for the Garland McHarg Trophy in the National Championships.

These championships are the culmination of a great week of lacrosse with the Australian squad training together prior to the championships and Australian Team Coaches watching the State Team performance as they look forward to the Games in Perth next year. It is pleasing to see Victoria's ongoing commitment to high performance development with the VIS team participating in tournament.

Our thanks are extended to the Victorian Lacrosse Association and in particular the Eltham Lacrosse Club for their hard work and co-operation in staging the games and associated events.

Congratulations are extended to those participating. We trust that you will recognise the honour that comes with representing your State and will uphold that honour by competing with skill, determination and fair play. I hope that you will take this opportunity to extend existing Lacrosse friendships and to develop new ones. Good luck to you all.

I look forward to seeing you again next year at the World Championships in Perth.

Leighton Beamsley
ALC President

SENIOR MEN'S LACROSSE

VICTORIAN LACROSSE PRESIDENTS WELCOME

The location of the Championships at Eltham Lacrosse Club for the first time is a change from the venues normally used. I'm sure that you will find the setting appropriate. The Eltham club is well known for its capacity to conduct events and by the end of the week visitors will have experienced the friendliness of the people of the club as well as the beauty of the site.

The four days of championship lacrosse has been preceded by a training camp for the Australian side which will compete in Perth next year at the International Lacrosse Championship. In many instances those representing their individual states will also be 'trying out' for the national selection. The Australian Championships are thus a period of intense focus for most players as selectors will be observing their performance over a relatively long period. A similar test is being applied to referees but with even more pressure applied. Their performance has both immediate and long term consequences. The appearance of a second Victorian team reflects the desire of the Association to expose the State's best to high level competition in an extremely competitive atmosphere. Similar exposure has been arranged for three under 15 teams at the Under 15 Tournament at the Gold Coast and Under 17 teams at the National Championships in Adelaide. During the period of the Senior Championships an under 20 team will be on tour in Japan.

Immediately after the Championships, the Japan squad training for the International competition in 2002 will be using Victoria as a training venue and a visit will be made by an Under 15 team from the USA. Victoria welcomes these challenges and visits as further opportunities to provide the best challenges for players. The return is not immediate but is reaped over a long period in the future.

I welcome you all to Victoria and trust that your interest in lacrosse will be refreshed by the performance of all involve.

John Harris
President Victorian Lacrosse Association

ELTHAM LACROSSE PRESIDENT'S WELCOME

The Eltham Lacrosse club welcomes you to the 2001 Nationals. We look forward to hosting the series on our home turf, Eltham Lower Park. From the 1850's to near the turn of last century the park was in use for horse racing and was later used as a trotting track, since then it has been used for field sports and the national series is a first for the park and the Eltham club and members.

Eltham in the shire of Nillumbik is the beginning of the Yarra Valley Tourism Trail and Tourism information is available to all interstate visitors, please make a request if required in the social rooms. Many Eltham members have rearranged their work schedules to volunteer their time to help make this series a success and Ray Shannon has accepted the Liaison Officers role. Our planning committee are most grateful for the commitment shown by the Eltham members, and we all look forward to four days of fine sportsmanship and exciting lacrosse.

Kendra Kendall
President Eltham Lacrosse Club
