The Island Lacrosse community is excited and honored to be hosting the 1992 Under 19 World Lacrosse Championships at Hofstra University. On behalf of the Directors of the Long Island Metropolitan Lacrosse Foundation, I would like to extend a warm welcome to all the players, coaches and officials participating in this international competition.

The international Lacrosse movement continues to grow. In 1992 two more countries will participate in the Under 19 tournament for the first time. Joining squads from Australia, Canada, England and the United States will be teams representing the Iroquois Nation and Japan. We sincerely feel that you will be watching the finest Lacrosse players in the world.

This event is the result of hard work done by many people. Special thanks go to Howie Borkan, Chairman, who has worked diligently and spent relentless hours in preparing for and organizing this international event. He has been assisted by Hilary Hartung, Vice Chairperson; Ed Maher, Vice President of the LIMLF; Jim Howell, officials; Mort Beroza, group ticket sales; Randy Natoli, Treasurer; Bill Schoonmaker, corporate fund raising and Bob Hoppey, program. I would also like to acknowledge all the other directors and volunteers for their time and efforts.

Once again, congratulations to all and hopefully your Long Island experience will be positive and memorable.

Alan E. Lowe  
President LIMLF

July 10, 1992

Dear Mr. Borkan:

It is a pleasure to send greetings to those gathered at the Under 19 World Lacrosse Championship at Hofstra University.

This International Lacrosse competition is the first of its kind in New York State, and I am proud that the Empire State was chosen to host this competition which included representatives from the United States, Canada, Australia, England, Japan, and the Iroquois Nation. It is also pleasing to know that the Iroquois Nation squad comes from Western New York and the 26 member United States team includes 15 players from New York State.

On behalf of the Family of New York, I offer best wishes for a spirited and healthy competition and an enjoyable tournament.

Sincerely,

Mr. Howard Borkan

Dear Friends:

It is with great pride and admiration that I welcome the 1992 Under 19 World Lacrosse Championship Games to Nassau County: Pride that Long Island was the chosen location for this auspicious event, and admiration of the young athletes whose talent and dedication have made them among the world's best lacrosse players.

As the spectators and fans of world championship lacrosse fill Hofstra University's grandstands, our county will vibrate with the enthusiasm of the cheering crowds and the power that positive role models can have on our youngsters.

The Under 19 World Lacrosse Championship Games will spotlight the skills of its participants as they thrill, and hopefully, inspire Nassau's youth to strive and achieve equally outstanding accomplishments within their lifetime. On behalf of Nassau County residents I offer the hospitality and friendship of our community to its visitors. Enjoy your stay.

Warmest regards,

Dear Lacrosse Enthusiasts:

It is with great pleasure that we welcome you to Long Island for the first international Lacrosse tournament ever held in this area.

Through the dedicated efforts of so many individuals, too many to name in this limited space, the 1992 Under 19 World Lacrosse Championships should prove to be the finest games to date, both on the field and off.

It has been an uphill struggle to prepare for these games, but we believe that no detail has been left to chance. While we are delighted to host these games, it is the excitement of bringing the world to Long Island, home of many great beaches, museums, shopping centers, universities and cultural events. In addition, we also hope that you take the time to go off the "Island" and visit "The City", New York City. We may be biased, but, the Organizing Committee of these games feels that a visit to Long Island and New York City will provide you with many positive experiences to last a lifetime.

If there is anything we can help you with feel free to ask. We look forward to an exciting tournament and a safe and enjoyable stay.

Enjoy the games.

Very truly yours,

Howard Borkan
