## PRESIDENT'S WELCOME

On behalf of the W.A.L.A. Directors and all members, I welcome visitors to the 1982 Australian Championships being held at Perry Lake Stadium. In particular I extend best wishes to interstate players who are making their first visit to the State.

This year has seen a new and, I believe a significant advance for Australian Lacrosse - a continued, under 22 Presidents team. This initiative exposes a group of up and coming young players from each state to the experience of senior interstate competition and can only be seen as a healthy development for the future. As with most new ideas there have been a few teething problems, however I believe that the A.L.C. should be congratulated on their foresight and trust that the idea will be persevered with.

Those who have been involved in the organisation of an interstate championship in the past will appreciate that a lot of work is required to ensure that everything proceeds smoothly. To the dedicated group within W.A.L.A., headed by Ed Downsborough, I extend a sincere "thank you" for the work you have put into planning and running these Championships.

To all players, coaches, referees and other match officials, I wish you the best of luck for the Carnival and trust that you find it a rewarding experience.

**D.A. RUDDERHAM**

W.A.L.A. President
