Welcome Message from the Australian Lacrosse Association President – Fiona Clark

ALA Directors join with me in welcoming all competitors, officials and spectators to Melbourne for the 2010 Senior National Championship.

The challenge of competition is integral to sport, and I'm sure this year's combined event, featuring both men's and women's matches, will provide a feast of exciting and well-contested games.

Lacrosse Victoria is to be congratulated for hosting this Championship, and I thank all those who have contributed to the organization, in particular Fran Nichols, the coordinator.

It is exciting that not only do we have state teams from Western Australia, South Australia and Victoria competing, we also have the 2011 Men's Indoor squad, and the 2011 U19 Women's squad. These competitors will be looking to improve their games and impress the selectors ahead of their international events next year. I am confident that competition such as this can only result in players producing their best, and thus continuing to pave the way for the continued success of Australian lacrosse at world level.

A very warm welcome is also extended to the ALA Men's President's Team with players from Western Australia, Queensland, South Australia and Victoria, and their Coaching and Management staff. Having four Member Associations represented is extremely satisfying, and the inclusion of this team is testament to the commitment and character of players around Australia who desire to compete at the national level.

Participation is the essence of sport, and I trust that this broad and diverse spectrum of participation in 2010 will be equalled only by the spirit of friendship and goodwill during the Championship.

This is an outstanding opportunity for spectators to appreciate both the men's and the women's games, with teams competing for the Garland-McHarg Trophy and Parker Cup respectively.

The ALA acknowledges the assistance provided by the Australian Sports Commission, which enables us to continue to develop programs in participation, coaching and officiating.

I am sure spectators will be treated to plenty of hard-fought contests and thrilling matches throughout the championship, all in the spirit of fair play. I wish competitors the best of luck, and join you in eagerly anticipating a week of exciting competition.

"Nothing great was ever achieved without enthusiasm"

2010 Men's and Women's Senior Nationals

Lacrosse Victoria welcomes men's and women's teams from South Australia and Western Australia to the 2010 senior championships.

Ending a busy year of Victorian Lacrosse often leaves our volunteers exhausted and ready for off season recovery. Preparation for national competitions appears a daunting task as we complete our local obligations and focus upon national events. Fortunately the pleasure and excitement of hosting national competitions kicks in and the final weeks before the nationals are characterized by anticipation and a renewal of commitment to our sport. As in other parts of Australia we are heavily dependent on the good will of our volunteer work force. Our sport functions as it does because of the contribution made by many people. We need to continually remind ourselves of how fortunate we are to have such dedicated people associated with lacrosse. That commitment will be seen over the week of national competitions. Coaches, managers physios and those associated with teams began their preparation many weeks ago and confirm the dependency we have on volunteers. Given the obligations we find ourselves under there is an argument for conducting nationals every second year and not in the same year as international competitions.

Apart from volunteers, preparation for the nationals has been led by Fran Nichols (also a volunteer). Lacrosse Victoria gratefully records the time given by Fran to organizing the Nationals at Footscray.

The venue we have chosen as the location for the nationals is the Footscray Hockey Centre. We record the excellent relationship we have developed with the Footscray Hockey Club over many years. We value this association.

In April next year (Monday 4th - Sunday 10th April 2011) Lacrosse Victoria will be hosting a 'Vail like' event in Warrnambool, Victoria. The 'Australian Lacrosse Classic' will be the first event of its kind to be held in Australia. Further information can be found on the Lacrosse Victoria website: www.lacrossevictoria.com.au The 'Classic' will be an ideal opportunity for teams to prepare for the 2011 season. Teams from all parts of Australia and overseas will be competing.

I look forward to renewing longstanding friendships and establishing new ones throughout the week - all before a backdrop of the best men's and women's lacrosse in Australia.

John Harris
