President's Messages

Welcome to Adelaide and the 2005 Annual Senior National Championship. It's with great pride that Women's Lacrosse Australia (WLA) holds the event for the 44th time.

As South Australia, reigning National Champions, look for their "lucky 7", as in seven consecutive Championships, Victoria, New South Wales and The Presidents have their sights set on unseating these perennial favourites. Although Western Australia is not participating, they are represented on The Presidents team.

Congratulations to all players, coaches and staff representing their State at these championships. Have an enjoyable and successful tournament.

Special thanks to Helen Keane, Championship Co-ordinator, her committee, and Lacrosse South Australia for organising this event. It is the first of two National Championship events to be hosted here in the next four weeks.

Thanks are extended to the South Australian Office of Sport and Recreation and the Burnside Council for their ongoing support and commitment to lacrosse in South Australia.

WLA greatly appreciate the Australian Sports Commission for their ongoing support to women's lacrosse throughout the country.

Finally, on behalf of Women's Lacrosse Australia and all its members and supporters, I would like to take this opportunity to wish the Senior Australian Team the greatest success at the 7th IFWLA World Cup. Perhaps 2005 will see the return of the World Cup Trophy to Australian soil. The team departs for Annapolis, Maryland on June 15th.

Shelley Maher
President, WLA

Adelaide is a great place to visit and a great place to play lacrosse. On behalf of Lacrosse SA I welcome you all to our city and hope you have an enjoyable time.

Putting an event together at this time of year has been an interesting exercise and I'd like to thank Helen Keane as Tournament Coordinator and the Burnside Lacrosse Club and all its volunteers for their hard work.

We wish all teams all the best for an enjoyable championship.

May you enjoy good lacrosse, good friendships and safe travelling.
