PRESIDENTS MESSAGE

The Lacrosse fraternity again becomes alive with the staging of the Australian Senior Field Lacrosse Championships. We in South Australia are proud to be entrusted with the organisation of this event for 1984, and I am sure you will all find the arrangements to your satisfaction.

To all of our visitors from Victoria and Western Australia, we extend a sincere welcome and we hope your stay with us will be memorable. To those who will be participating on the playing field be they the senior teams or our A.L.C. Presidents team, I know that you will all display that fine sportsmanship which is always so evident in these events, and if it is the best team that wins then all will be satisfied as we will have witnessed a contest between the finest Lacrosseurs in Australia.

This is a time too, for fellowship when many happy friendships are renewed, and I trust the social programme that has been arranged will assist you to enjoy yourselves, with the resultant satisfaction that we so often experience.

CLIVE R. CARR
