TOP LACROSSE SEEN FOR WA

A FOUR-Nation lacrosse carnival is a strong possibility for Perth in 1965.

WA Lacrosse Association president Laurie Turnbull said today that the international meeting would be the biggest event in the history of Australian lacrosse.

Turnbull, who has been appointed international liaison officer by the Australian Lacrosse Council, said he was confident that England and the United States would accept invitations to play in Perth during the Australian championships of 1965.

The fourth major lacrosse nation, Canada, would also be invited.

Upset Chance in Lacrosse

The young, enthusiastic Surrey Park team may upset Williamstown Fleuron in the main A section lacrosse match at Surrey Park on Saturday.

Surrey Park has a strong forward line, and if it is to win, this division will have to maintain pressure for the full game.

Malvern Reds and M.H.S.O.B. should have a close tussle at the main oval at Caulfield.

Malvern Red's form has been sounder than that of M.H.S.O.B. over recent weeks and should win.

The draw is—

A SECTION—Caulfield Malvern Red v. Surrey Park v. Williamstown Fleuron v. Malvern Black, University v. M.C.C.

B SECTION—F.T.S.O.B. v. Williamstown Pearson, Malvern v. Williamstown City, Caulfield v. M.C.C.

BACKING UP paid off for these two players in the Victorian No. 2 team in the Lacrosse Carnival at University High School yesterday. The front man misjudged the flight of the ball and missed, but his team-mate behind was ready and took it with his stick. They were in the team playing the Victorian No. 1 side — and that team won easily.

Lacrosse sides seek a place

Surrey Park will meet University at Surrey in the top lacrosse match in Melbourne tomorrow.

Each side is fighting to gain a place in the final series which will begin on August 24.

Surrey Park appeal as a team with potential. Their top midfield line-up of David Spreadborough, Kevin Crane and Barry Moore are young and fast players with the ability to score a big tally of goals.

Their backline, led by captain George Legg, can rise to the occasion if they concentrate on smothering their opponents.

JUST OUT

University have been playing well in recent weeks and are out of the four only on percentage.

They have a winning combination in the Stewarts brothers Jim and Ferguson.

If Surrey Park allow them too much latitude, University could take the points and the eagerly sought-after 4th place.

However, with home-ground advantage and a better-balanced side Surrey Park are favored to win.

Coburg will meet MCC in what should prove to

Top Lacrosse Sides Meet

Caulfield and Surrey Park will meet in a full-dress rehearsal of the first semi-final of A section lacrosse on Saturday when they play at Caulfield Park.

Saturday's round is the last before the final series and both Surrey Park and Caulfield are certain to play off in the semi-final.

The other two semi-finalists Malvern Black and Williamstown Fearnor should have little more than practice runs against Camberwell-Glen Iris and Coburg respectively.

The result of the Caulfield-Surrey Park match could set the tone on the centre duels between the Caulfield's Phil Humphreys and David Spreadborough.

Spadeborough could maintain the advantage as he has a slight edge in pace.

Surrey's back line showed last week against University that it can hold fast-moving forwards and should do well again this week.

Malvern Black defeated Williamstown Fearon by two goals in a hard-fought second semi-final of A grade lacrosse on Saturday.

The score was 13-all at three-quarter time, but Malvern Black outscored Williamstown in the last quarter.

Malvern's brilliant all-rounder John Martin was switched from defence to the forward zone in the last quarter and netted four goals to seal the issue.

Williamstown Looks Winner

Williamstown, which has two teams, Fearon and Williamstown City, in the competition, entered the Lacrosse Association in 1898, but has yet to win an A section pennant.

This is the first grand final a Williamstown side has contested since 1946 and this year's team has the class and strength to win the premiership.

Fearon has the strongest attacking division in the competition and Malvern Black's backline will be hard pressed to hold it.

Malvern has an unbeaten record this season, but in recent games it has appeared jaded.

Malvern Black's brilliant all-rounder John Martin may be forced to miss the game because of an injury suffered during training.

Saturday's draw -

A SECTION - Grand Final: Malvern Black v. Williamstown Fearon (at Orrong Park, Prahran).

*"AGE" 5-9-63.***Fearon Likely in Lacrosse**

Williamstown Fearon should hold a slight edge over Caulfield in the preliminary final of A section lacrosse on Saturday.

Last time the teams met, on June 15, Fearon scored a 13-12 win after gaining a six goal break in the third quarter.

However, Fearon has improved since then and last week went down by only two goals to undefeated Malvern.

Fearon's forward Alan Rolley has struck a purple patch of form and will be a constant worry to the Caulfield defenders.

Caulfield coach Cleve Weatherhead has problem to decide whether to pin a cur on the fast-moving Rolley.

Fearon defender Alan Chiron had a good day against Malvern Black last week and if he strikes the same form on Saturday, Caulfield forwards may have to lean him.

Draw for Saturday's game:-

WILLIAMSTOWN may win its first senior lacrosse premiership in the grand final between Malvern at Orrong Park today.

It has been runner-up several times.

This year it is playing more impressive lacrosse than Malvern.

*"HERALD" 6-9-63.***Caulfield down in lacrosse?**

Williamstown Fearon are favored to win the A grade lacrosse preliminary final from Caulfield at Malvern Cricket Ground tomorrow.

Star forward Eddie Toohey was held to one goal against Malvern Black last week but should do better tomorrow.

Teammate Allan Rolley was brilliant up forward and scored seven goals so the Caulfield defense will be busy.

Rolley has scored 95 goals this season and he could be the second Williamstown player to get 100 this season.

At the other end of the field, goal-keeper Ian Chiron and defenders, Ian Jewitt, Les Goding and Graham Hill are playing at their best.

Caulfield always are tough opponents in any final series. They showed this in the first semi when they surprisingly beat Surry Park.

Malvern Black player John Martin has won the Vince Healy best and fairest trophy.

Eight votes away were T. Campbell (Malvern Black), P. Stewart and J. Stewart (University) and E. Toohey (Williamstown Fearon) on 13 each.

Malvern Blacks will play in their 40th consecutive lacrosse grand final when they meet Williamstown Fearons at Orrong Park tomorrow.

Williamstown will be playing in their first A grade grand final since 1946. Although they were founded in 1898, a premiership in this section has always eluded them.

Malvern won their last premiership in 1959.

Williamstown's teamwork is brilliant. They scored a brilliant win over Caulfield in the preliminary final last week and should win tomorrow.

Unfortunately for Malvern, star mid-field player John Martin is not likely to play because of injury.

When the teams last met Martin threw four goals in the last quarter, Malvern won by two goals.

A curtain-raiser will be the clash between the Under 16 (South Zone) Grand Final between Malvern and Surry Park.

They played a draw last week.

Williamstown Wins

A 65-year drought was broken on Saturday for the Williamstown lacrosse club when Williamstown won its first A section lacrosse premiership.

Neither of its teams - Fearon or City - had ever won an A section premiership since Williamstown joined in 1888.

On Saturday, playing fast, Fearon, led by Allan Chiron, scored a convincing 21-11 win over Malvern.

Malvern's Ian Jewitt, Les Goding and Graham Hill are playing at their best.

Caulfield always are tough opponents in any final series. They showed this in the first semi when they surprisingly beat Surry Park.

Malvern Black player John Martin has won the Vince Healy best and fairest trophy.

Eleven votes away were T. Campbell (Malvern Black), P. Stewart and J. Stewart (University) and E. Toohey (Williamstown Fearon) on 13 each.

*"AGE" 9-9-63.***Fearon Easily in Lacrosse**

Williamstown Fearon proved too strong for Caulfield in the preliminary final of A section lacrosse on Saturday and ran out easy winners, 23-6.

Malvern Black and Williamstown Fearon will meet next Saturday in the grand final.

Fearon took control from the start and was never in danger of defeat, with Eddie Toohey and Allan Rolley combining well in attack.

In defense, Williamstown Fearon goalkeeper Ian Chiron was on top and was beaten only six times.

Caulfield's attack, led by Denis Trainor, tried hard but could not penetrate the solid Fearon defense lines.

THE umpire has an onerous task in making a decision at this point of the game. Some of the players (and unsee-spectators) will not agree with what he says, especially if it goes against them! Perhaps you are like an umpire, with a decision to make regarding a goal. If you favour Christian objectives you will possibly be subject to ridicule and scorn from your friends and associates. But unkind words, or actions, should not deter you from seeking the noblest and best for yourself and your family, both for now and the hereafter. That best is the Christian life. Read the article in columns four and five, which has something to say about becoming a Christian.

U.S. Lacrosse Tour Sought

An American lacrosse team made up of University and College players, is likely to tour Australia in 1965.

This was announced by the Australian Lacrosse Council secretary, Mr. Bert Sterck, last night.

Mr. Sterck said an invitation had been issued to the United States Inter-College Lacrosse Association to send a team to Australia, and a reply was expected later this year.

Last year an Australian team toured the eastern States of America, but met with little success. It won only two of its 11 matches, and drew another.

The last time an American team visited Australia was in 1959, when it played Victoria, South Australia and Western Australia and then met an unnamed Australian side in a Test Match at Melbourne Cricket ground.

Australia won the Test by three goals, 8-5.

LACROSSE

JOHN MARTIN, 20-year-old Malvern star had a great year in lacrosse.

He won the Vince Healy Trophy, Victoria's best first award, by a big margin, and was a member of the winning State team in the '63 Australian colts' championship.

Don has been playing lacrosse for seven years, the last three with Malvern's senior A team.

He was also in the 1960 colts' team which played in N.W.A. and in 1962 a member of the first ever Australian overseas international team to play in the USA and England.

Australia won the Test by three goals, 8-5.

WOMEN'S SPORT

By GRAEME KELLY

Lacrosse Body Active

THE Victorian Lacrosse Association, all out to build its sport in this State and throughout Australia, has made big plans for this season, which starts on April 21.

An inter-State match against South Australia is being arranged and the association is hoping to establish the game in high schools this year.

However, there is a shortage of coaches, and umpires and the lacrosse association is anxiously seeking assistance from people with experience of the game, particularly in England and the United States.

The annual meeting was held this week and Mrs. J. Parker was returned as president.

This year will see a new secretary and treasurer.

Mr. Margaret O'Gorman,

captain-coach of the Victorian team last year, is the new secretary, and Mrs. R. Cheevers is treasurer.

Two new teams, a No. 2

side from Footscray and one from Caulfield, will

play this season, bringing

the total to six teams.
