ALA PRESIDENT'S WELCOME FIONA CLARK

With the 2009 Senior Women's National Championship being the first event to be conducted under the auspices of the Australian Lacrosse Association (ALA), the new national governing body for lacrosse in this country, it is with much pleasure as Chairperson to welcome players, support staff, umpires and spectators to Victoria for this spectacle of lacrosse.

Starting with these Nationals 2009 heralds a busy and exciting year on the ALA lacrosse calendar, which sees Australia, the defending Women's World Champions, take on the rest of the world at the 2009 Federation of International Lacrosse (FIL) World Cup from the 17th – 27th June in the Czech Republic. The large spectator support group who will be converging on Prague is in excess of 100 enthusiasts, and is indicative of the excitement our sport is currently generating and enjoying. The ALA's best wishes are extended to Head Coach Sue Sofamos, her players and support staff. The technical and umpiring party boasts six Australians, which augurs well for the future of our sport in the officiating area, and my congratulations are extended to all those who have been selected.

The World Cup has contributed to an already strong player commitment to these Nationals, with all team members competing for their various states, with the exception of those who are currently on scholarships in the USA. It is exciting that our International competitions continue to see the emergence of new players, and it is particularly pleasing to see the 2009 Australian team include some of those players who have represented Australia at the junior level in past U19 World Championships.

The ALA acknowledges that our long-term relationship with the Australian Sports Commission is synonymous with the success our sport has enjoyed over the years, and our thanks are extended for their invaluable continued funding support and recognition. I would like to recognize and thank the 2009 event committee, under the competent and affable leadership of Meegan James, and all those people who have worked on the organization of these Nationals. My thanks are also extended to the members of our host lacrosse club, Footscray.

I wish competitors all the very best for an enjoyable and successful event as you compete for the prestigious Parker Cup and the title of National Champions. The Mary Pickett Trophy will be presented to the winner of the round-robin games. My best wishes to everyone, and I hope that this proves to be yet another wonderful lacrosse experience with good well contested matches and friendly rivalry.

"Some people dream of success, while others wake up and work hard at it"

Maribyrnong
CITY COUNCIL

I am very much looking forward to the Senior Women's National Lacrosse Championship which this year will consist of teams from Victoria, South Australia, New South Wales and Western Australia and be held at the Footscray Hockey Centre,

On behalf of the Councillors and Community of Maribyrnong I extend to competitors and their families, my warmest welcome.

Active participation in team sports enriches our lives, it increases our health and fitness and provides us with a sense of accomplishment and achievement but most importantly it enables us to make long lasting friendships and social connections.

I hope that you have a wonderful time in our city and enjoy not only success in the competitions but the joy of meeting new people and creating lifetime memories.

Warmest regards

Michael Clarke
Mayor

LACROSSE VICTORIA CHAIR JOHN HARRIS

Welcome to the National Senior Women's Championship. Lacrosse Victoria is delighted to be hosting this national event. Not only do national championships offer the opportunity to compete at the highest level, they also allow the renewal of friendships struck in past nationals together with new relationships which will emerge as the championships progress.

Winning is important, there is nothing quite like being part of the team which is superior in the final game. If you take the time to talk with those who have been members of teams which have won national championships in the past you will find that while they are very proud to have been part of that winning team.

However their memories of national championships will be centered upon who they met and the pleasure in renewing friendships from time to time (usually at national championships). While winning is a terrific memory, it is largely transitory and it's the people met and engaged with which is sustaining over a long time.

The presentation of the national championship at Footscray Hockey Club grounds is strongly supported by Lacrosse Victoria. We have for many years used the hockey club grounds for lacrosse events and I know that the workers at the club are endlessly helpful in presenting our nationals. Thank you Lorraine and your band of assistants.

The staff of Lacrosse Victoria have provided the drive to present the nationals and I want to acknowledge the work of Maureen Austin, Meegan James and Graham Lee.

Fortunately we are entering the time of the year where beautiful autumnal weather will be the norm (although with Melbourne one can never tell!) and games will be presented in the best possible conditions.

For older supporters who have participated in past championships, the exhilaration of being super fit, energetic and competitive are distant memories. We will all thrill at the athleticism which will be constantly on view and be swept up in the excitement of the games.

Supporting families will be no less excited by watching daughters, sisters and partners compete at Australia's highest level. I welcome you all. I wish personal bests to all participants and hope that you have a fulfilling championship.

PLAYERS OATH

On behalf of my fellow lacrosse players, we promise that during the Senior Women's National Lacrosse Championship, we shall endeavour at all times to play within the rules and spirit of the game.

We will treat our opponents with respect and cooperate with our coaches and team mates.

We will accept the decisions of the officials in the true spirit of sportsmanship and will uphold the good name of lacrosse.

OFFICIALS OATH

In the name of all officials, we promise that during the Senior Women's National Lacrosse Championship, we will uphold the rules of the competition and apply them with consistency, fairness and integrity, for the good of the game and in the true spirit of competition.
