- Report new teams Sub Com. W. J. B. Valt reported that the "new teams" sub committee had had one discussion but as it was feared that the committees function might overlap the functions of the Junior Sub Committee a joint meeting of the two committees was devised to clear up several points. This meeting would be arranged early in new year. (Langdon - Howland). adopted.

Junior Committee A report was received from the Junior Committee and the opinion was that it contained many excellent suggestions. As Mr. Plaisted (the Chairman) was unable to be present and the attendance was poor it was thought desirable to defer discussion until next general Committee meeting.

Motion It was resolved that a copy of the report be sent to all club secretaries to discuss with their clubs and also that a letter of appreciation be sent to Mr. Plaisted for the work of the Committee (J. Parsons. Cox.)

10 A Lacrosse letter was received from the best Australian Lacrosse Association in acknowledgement of our letter accepting invitation to send a team to Perth in 1938.

Amateur Sports Club A letter was received from Mr. H. Irving, the Lacrosse delegate to the Amateur Sports Club, containing valuable information regarding the working of the Club. Certain suggestions were made by Mr. Irving and it was resolved that the letter be fully discussed at next Committee meeting. The Secretary was instructed to write thanking Mr. Irving for the report. (Cox. Rowland)

Assoc Ground Mr. J. L. Parsons advised that nothing more could be done in regard to finding the Association ground at South Park until 1st April 1937. This was brought about by the fact that the cricket clubs show on the ground could not be persuaded to give up the ground this season.

Motion It was resolved that the Goals Committee be requested to meet early with the idea of having everything ready for a start to be made with the ground on 1st April. (Cox Rowland)

Photo of Carnival team It was mentioned that no photo had been taken of the 1936 Carnival team. It was thought desirable that this should be done and the secretary was instructed to contact Mr. A. E. Harvey (manager) with a request that this be arranged as early as possible. (Langdon. Francis)
