VOTING CARDS :

The Secretary repeated the requirement relating to voting cards, i.e. that they be forwarded to him within three days of the match. All except one of the outstanding cards were handed in prior to the meeting.

AFFILIATION :

The Secretary has been advised by 'phone that affiliation has been completed. A book entry by S.A.L.A. covered the financial side. The Secretary is to advise the S.A.L.A. that T. Tomlinson is our delegate.

REFEREES FOR UNDER 16 GRADE :

The S.A.L.A. Committee responsible for Junior Grade Lacrosse has requested that referees be provided for the Under 16 Grade. The S.A.L.A. advised by 'phone that \$3.00 per match would be paid to A.L.R.A. Members who officiate. The Secretary advised that the Under 16 Grade is to play under international rules and would commence at 12.00noon, playing four 20 minute quarters. Messrs. Roesler (when available) and Beare would be prepared to officiate twice in one afternoon. It was moved and carried unanimously that we support the principle of referees officiating in Under 16 Grade, and that the Eye A Grade teams officiate in the Under 16 Grade in preference to a second referee in B and C Grades.

EQUIPMENT RULE :

S.A.L.A. has indicated that this rule will be strictly enforced. The commencing date will be advised in the near future.

OTHER BUSINESS :

- (1) It was moved that the donation received in 1975 be transferred to the General Fund. Carried. The Secretary will arrange this when the next payment is received from the S.A.L.A.
- (2) Mr. D. Hobbs will report on the recently concluded overseas tour at the June meeting. Many items of importance some affecting our future will be mentioned, and a special effort by all for a 100% roll-up would be appreciated.
- (3) The Queen's Birthday Holiday is again the date for the U/14 & 16's Grade Lightening Carnival. At least six referees are required. Please be there ready to commence when the first match starts at noon.

<u>Available</u>	<u>Possible</u>	<u>Unavailable</u>
Greenhalgh	Battams	Marsden
Tomlinson	Avery	McIntosh
Anderson (lp.m.)	Wittenberg	Coggins
	Roesler	Bears

We require at least three others to make our afternoon enjoyable.

COACHES CORNER :

The following are some of the points and interpretations discussed :

- (1) When a team is not ready to play at any centre face off. Technical foul penalty in home sent off for 30 seconds.
- (2) Whilst the poke check is getting out of hand, the slashing is no longer a problem. The poke check is made to all areas from neck to knee and to the ungloved hand.
- (3) A requirement for good refereeing is to read the rules frequently. A precis of the important points would be most helpful.
- (4) Line up at centre face off prior to commencement. When captains are called to toss the coin with five minutes to go, advise them that on the 2 minute whistle, teams must be on the sidelines ready to come onto the field. Teams are to face one another with their left side towards the goal they are defending. The equipment inspection then takes place.
- (5) Interpretations - these must be carried out as decided at meetings. It is apparent that there is too much difference between individuals.
- (6) Possession should be called if a ball rolls across the end restraining line.
- (7) There are no penalty spots under present rules. Where a free throw is given within 20 yards from the attacking goal, the ball must be moved laterally so that it is 20 yards from goal.

- (8) Co-Captains - Where there are Co-Captains, the referee should only recognise the one elected as spokesman.
- (9) Time Out - The team calling time out can call time in when ready. Otherwise the referee will signal the 30 second mark.
- (10) Goal Circle - Whilst the goal keeper is within the circle and protecting his goal a defending player who catches the ball does not carry the protection of the goalkeeper. Therefore, if he is checked by an opponent, who is outside of the circle, there is no penalty. The defending player is allowed four seconds to dispose of the ball or to leave the goal area.
- (11) Whilst time off is called for a ball out of bounds, the end of the period cannot be signalled.
- (12) The penalty for a defender or goalkeeper carrying the ball back into the goal area is loss of possession. The free throw is taken 20 yards laterally from goal.

The Meeting closed at 10.30p.m.

Other Business :

- (1) The Secretary advised that he would be absent
from South Australia from 20th June to July 2nd, 1976.
- (2) The Secretary reported on the Junior Carnival. Five
Members officiated throughout the afternoon. They were
W. Barton, B. Battams, T. Tomlinson, B. Greenhalgh
and I. Wittenberg. The Junior Carnival was held at
National Park on 15th June.
- (3) D. Hobbs reported on the overseas tour. It was moved
that his report be received. - Carried. Our thanks
were extended to him for the depth of its contents.
- (4) D. McIntosh asked whether St. John's Ambulance men
could tend all senior lacrosse matches. Enquiries
revealed that there are not enough Officers in St.
John's for such a task. Where an injury suggested
such a course, an ambulance should be called and if
necessary the game should be delayed until the injured
player could safely be moved from the arena. First
aid courses are offered before our Season and, for a
cost of \$13.00, it is recommended that all referees
undertake such a course in 1977.

Coaches Corner :

- (1) It is still apparent that some referees are not carrying
out many of the fundamental laws such as :-
Inspecting the teams on the field with left shoulders
towards the goal they will be defending.
Tossing the coin by captains at 2-40.
- (2) It has been mentioned that the attitude of some
referees to players can be quite arrogant. This can
have an upsetting influence on players.
- (3) Referees are not immediately moving to the spot where
the infringement occurred, particularly on a personal
foul.
- (4) Sticks with lugs are now classified as legal in all
aspects.
- (5) Face off at centre - providing centremen are manouvering
for position, the laying of the stick over the ball is
not to be taken as withholding the ball from play.
- (6) Rule XI - Technical Foul:
Please note that loss of possession or the gaining of
possession by the opposing team is the penalty
incurred. A 30 second time penalty is in fact a
second sentence for the same offence.
The 30 second is only invoked where the opposing team
already has possession. The free throw is taken at the
centreline, where the free is in the defending half.
- (7) Whilst there may be Captains and Co-Captains, there is
only one spokesman for a team.
- (8) Where a player is fouled in his attacking half of the
field, the players re-commenced at that point providing
that it is 20 yards from goal. If less, than 20 yards,
the player is moved directly towards the sideline until
he is 20 yards from goal.

THE MEETING CLOSED AT 10.15p.m.

The Secretary is to write to S.A.L.A. to have the rule regarding numbers enforced in 1977.
