Mr. President and Gentlemen,

It is with much pleasure that I submit for your approval the 60th Annual Report of the South Australian Lacrosse Association covering the 1948 season. The Deaf Adult Club withdrew from the Association leaving nine affiliated clubs, the lowest number for 19 years. The number of registered players shows a decrease of 14% on 1947 figures. Although the Schoolboy grades comprised 11 teams (the same as last year) the number of boys registered was 25 less than in 1947. Port Pirie Association increased its membership from 24 to 34.

Competition Results:

A Grade—The standard of play in A Grade was not as high as in recent years due probably to the retirement of a number of senior players which compelled most clubs to promote junior inexperienced players to the senior teams. At the completion of the minor round, East Torrens and Brighton were level on premierships points. A better goal percentage gained the minor premiership for East Torrens with the right of challenge. In the semi-final matches, East Torrens easily defeated Glenelg (third) and Brighton defeated the improved Port Adelaide team (fourth) by one goal. The final match played on the Hawthorn Oval was keenly contested and at the final bell, East Torrens held the advantage of one goal over Brighton. This is the fourth successive year that East Torrens and Brighton have fought out the premiership in A. Grade. The teams finished in the following order: East Torrens (premiers), Brighton (runners-up), Glenelg, Port Adelaide, Sturt, West Torrens, University and North Adelaide, North Adelaide failed to win a match during the season.

B. Grade—Ten clubs competed for premiership honours in B. Grade. East Torrens entered two teams. East Torrens Red (Minor Premiers) won 16 of the 18 matches played, drew 1 and lost 1. East Torrens Blue failed to win a match during the year. The Legacy Club which did not nominate a team in the A. Grade competition—finished second. Glenelg (third) defeated the minor premiers by one goal in the semi-final but were defeated in the final by Legacy. The Challenge final between East Torrens Red and Legacy proved most interesting, each side scoring 8 goals. When extra time was played East Torrens Red, threw the winning goal within a few minutes of play to gain the 1948 B. Grade premiership. The teams finished in the following order: East Torrens Red (premiers), Legacy (Runners-up), Glenelg, Port Adelaide, West Torrens, Brighton, Sturt, North Adelaide, University, East Torrens Blue.

C. Grade—Brighton went through the season undefeated, throwing 336 goals for, to 72 against in the 18 matches played. In the semi-final they overwhelmed the West Torrens team by 37 goals to 3 and in the final match against Port Adelaide, the scores were 15 goals to 9. The teams finished in the following order: Brighton (premiers), Port Adelaide (runners-up), West Torrens, East Torrens, Legacy, North Adelaide, Sturt and Glenelg. Early in the season the Glenelg team was withdrawn.

District Schools Grade—The district schoolboys grade, established last year for players under the age of 16 years, reformed and matches were played on Saturday mornings. The teams to finish in the final four were Sturt (minor premiers), Port Adelaide, Glenelg and Brighton. Sturt won the premiership in the challenge final by defeating Port Adelaide 15 goals to 14. The four teams mentioned met all their engagements and were the only ones to have regular supervision by senior players. The district clubs sponsoring these teams are to be commended for their policy of fostering and encouraging boys who will be the A. Grade players of the future. It is hoped that next year the remaining district clubs will appreciate the necessity of adopting a similar policy with their schoolboy teams.

Technical School Grade—The Premiership of this grade was again won by the Goodwood Technical School, followed by Croydon, Nailsworth and Norwood. This is another grade which will have to be fostered next year.

Congratulations are extended to the East Torrens Club on winning two premierships (A and B), to the Brighton Club on winning the C. Grade premiership and to Sturt District Schoolboys team and the Goodwood Technical School on gaining the premierships of the Schools grades.

Premiership tables are appended.

Memorial Trophy—The "Memorial trophy" awarded to the best and fairest player in A. Grade, resulted in R. Matthewman (East Torrens) and J. McConnaghy (Port Adelaide) receiving the same number of votes. Congratulations to these two players on their fine performances.

Trophies—The following trophies will be presented to-night:—

A. Grade—Abbott Shield	East Torrens.
B. Grade—Harold Rule Shield	East Torrens.
C. Grade—Lance Parsons Cup	Brighton.
District Schools—Langdon Parsons Cup	Sturt District.
Memorial Trophy	R. Matthewman, J. McConnaghy.

Life Membership—At the last Annual General Meeting life membership was conferred on F. Lancelot Parsons in appreciation of his long services to the game in this State. Mr. Parsons was actively associated with lacrosse in South Australia for a period of 36 years, the last 14 as Chairman of Committees. The gold Life Membership Badge was presented to Mr. Parsons at a smoke social held during the visit of the Victorian and Western Australian players in August.

Interstate—The Annual Interstate match between South Australia and Victoria was played on the Unley Oval on August 6th and resulted in South Australia defeating the Victorian team by 15 goals to 8, and by so doing regained the "Symonds Cup". The Interstate Selectors (Messrs. A. E. Harvey, J. T. Martin and C. Mackenzie) selected the following players to represent S.A.: A. J. Vial (Captain), D. L. Gorman (Vice-Captain), J. Edwards, J. Gisham, R. Matthewman, B. Nottage, M. Hamilton, K. Ward, D. Polglase, D. Wood, H. J. Hansford, F. T. Hansford, Reserves, H. J. Harbison and W. Lamerton. Mr. Ken. Gellert was appointed coach and is to be congratulated on the capable and efficient manner in which he discharged his duties. Mr. L. J. Oats managed the team.

Visit of W.A. Colts—A Western Australian Colts Team visited Adelaide and played two matches against a S.A. Colts Team. The first match played as a curtain-raiser to the S.A.-Victorian game resulted in a win for the S.A. Team by 17 goals to 10. In the second match the W.A. Team, by skilful play and superior tactics defeated the S.A. Colts by 12 goals to 8. Players selected to represent S.A. were K. Forrest (Captain), J. D. O'Sullivan (Vice-Captain), P. Cook, A. Ely, P. A. McCounachy, N. Parr, C. E. Rossiter, I. Offer, W. Nolan, C. Shelley, W. Sisson, R. Keen. Reserves, A. G. Hayden.

Junior Interstate Team to Visit W.A.—The Committee has decided to send a Junior Interstate Team (A. Grade) to Perth to play a Western Australian side on August 5th, 1949.

Other Matches—Adelaide University defeated Melbourne University at Melbourne 12 goals to 11. A Victorian Team defeated the Combined Universities at Melbourne, 19 goals to 10. Sturt A. defeated Caulfield (Vic.) A. at Melbourne, 14 to 11. Legacy C. defeated Port Pirie at Adelaide, 5 to 1. Caulfield B. defeated Sturt B. at Melbourne 11 to 6. Legacy H. defeated Port Pirie at Port Pirie, 9 to 7. Malvern (Vic.) defeated East Torrens at Melbourne 19 to 17. Port Pirie C. defeated Legacy C. at Port Pirie, 9 to 8. Legacy B. defeated Port Pirie at Adelaide, 9 to 8. Port Adelaide Club visited Jamestown and played an Exhibition game.

Lightning Carnival—A lightning carnival for all grades was held on the Unley Oval on June 7th, (Public Holiday). The carnival created considerable interest among the clubs and great credit is due to the sub-committee consisting of Messrs. W. Stansfield, P. Taylor, N. Parr and A. Sheard for the excellent manner in which the carnival was conducted. The results were as follows:—A. Grade, Port Adelaide; B. Grade, West Torrens; C. Grade, Brighton.

Lacrosse Ball—The Annual Lacrosse Ball held at the Palais Royal on August 9th, was attended by the W.A. players and several Victorian players who remained in Adelaide. The number who paid for admission was 595 or 222 less than in 1947. The amount of profit was £103/14/5, which compares with £164/1/10 for the previous year. The Box Lacrosse was an even greater attraction than usual, due to the fact that one team consisted of Western Australian players. The Association is indebted to Mr. W. D. Nobbs (Organiser) and the committee assisting him for the efficient manner in which they handled the arrangements. Thanks are due to all members of the Women's Committee, who worked hard throughout. We are especially grateful to Mrs. R. E. Shergis and Miss Sylvia Birdseye for their very willing and able assistance.

Committee—Eight meetings of the Committee were held during the year. The attendance record of the members is as follows:

C. H. Schulz 8	L. J. Bromilow 7	A. E. Cox 5	J. L. Parsons 5
C. Mackenzie 8	A. E. Harvey 6	K. Francis 5	D. R. Goode 5

R. B. Lamerton 7	R. Van Tenac 6	(appointed 14/7/48)	(appointed 26/1/49)

S.A. Lacrosse Referees' Association—With a membership of 15 the Referees' Association was able to cover all matches during the year. The Association and the players are grateful to these former players who give their services each Saturday for the benefit of the game. Mr. C. H. Schulz is President, and Mr. A. C. Davis is Honorary Secretary. Other members are Messrs. A. H. Taylor, R. D. McKay, J. Hodgetts, W. J. B. Symonds, N. Goring, V. L. P. Ryan, R. G. Cathie, S. Deverell, W. James, J. Harvey, J. Wright, P. Marks, and R. Kidd.

Port Pirie Association—It is pleasing to see the game making progress at Port Pirie. Legacy Club was the only city club to play matches against the Port Pirie Association last year. This year I hope all clubs will make an endeavour to arrange a match with the Port Pirie players.

Finance—The Bank balance is £302/5/2, as compared with £40/14/9, last season. Financial statements are appended.

Obituary—It is with deep regret we record the passing of S. Talbot Smith a Vice-President of the S.A.L.A. and a former President of the East Torrens Club. Mr. Talbot Smith was associated with the game in this State over 60 years ago.

Personalia—The Hon. Mr. Justice Abbott completed his 15th year as President of the Association. Mr. A. E. Harvey was elected Chairman of Committees at the Annual General Meeting. The retiring Chairman Mr. F. Lancelot Parsons held the office for 14 years a record tenure of office for a Chairman of this Association. Mr. C. H. Schulz has completed 14 years as Treasurer. Mr. A. Bertram Cox (Deputy Chairman of Committees), Mr. L. J. Oats (Assistant Secretary) and Mr. M. B. Selth, (Minute Secretary) all gave splendid service.

It was not necessary to call the Complaints Committee together during the year. The following were elected to act on the Committee, Messrs. F. Lancelot Parsons, J. T. Martin and H. Rule.

Mr. C. A. M. West acted as delegate to S.A. at meetings of the Australian Lacrosse Council.

The Elected Members of the Committee who will retire at tonight's meeting are Messrs. W. R. Stansfield, A. H. Taylor and A. Sheard.

The Honorary Secretary (C. Mackenzie) who last year gave notice of his intention of retiring agreed to continue for a further year. Tonight he will vacate the office after completing 12 years service, a record term of office for a Secretary of this Association.

Conclusion—The ban on the importation of lacrosse sticks by the Commonwealth Government makes the future uncertain for the Association and the Clubs. It is important therefore that the Clubs elect strong and active committees to guide them over a difficult period.

I wish all clubs and players a most successful season in 1949.

C. MACKENZIE, Honorary Secretary.

MINUTES. Minutes of the 50th Annual General Meeting held 24/3/48 were read and Confirmed.

ANNUAL REPORT. Resolved that the Annual Report for season 1948 as distributed to Members be taken as read.

Mr. Justice Abbott proposed the adoption of the Annual Report, congratulated the Association on the Year's activities and made special reference firstly to the increasing difficulty in obtaining Lacrosse sticks to cover any increased membership, secondly, congratulations to East Torrens "A" and "B" teams and the Brighton "C" team and Sturt Districts Schoolboy team. Special congratulations were also extended to Messrs. R. Matthewman and P. McConnaghy on their being awarded the Memorial Trophy for season 1948. He also expressed pleasure at the result of the Interstate Match against Victoria which showed that South Australia had a first class team. Reference was made to the Referee's Association and the untiring work performed by the 15 Referees who made themselves available on Saturday afternoons for the benefit of the Association. Mr. Justice Abbott also made reference to the passing of the late Mr. S. Talbot Smith and paid a tribute to his work over approximately 60 years for Lacrosse. It was also a pleasing feature to note that no reference had been made by referees to the complaints committee. Notification had been received that the Honorary Secretary, Mr. C. McKenzie, intended to resign after giving 12 years excellent service to the Association and it was with regret that this resignation was received.

Mr. A.E. Harvey seconded the proposition and supported the President's remarks.

Adoption of the report was carried unanimously.

FINANCIAL STATEMENTS The Treasurer, Mr. C.H. Schulz, read and explained items appearing in the financial statements, copy filed herewith, and expressed the opinion that the cash balance on hand should be maintained if at all possible, to meet expenses of stick purchases and Interstate matches in the future. Certain funds would also be required for replacement of Schoolboy sticks.

Mr. A.E. Harvey moved the adoption of the financial statements and congratulated the Treasurer on the presentation of the accounts. A suggestion was made by the Auditors that properly numbered receipt books be brought into operation. Seconded by Mr. A.B. Cox and carried unanimously.

The President commented on the amount expended on oval hire and expressed the opinion that some consideration should be given to acquiring land for the home of Lacrosse in South Australia. He thought that a good piece of land could be obtained within reasonable reach of the city at small expenditure at the present time and he hoped that the matter would be given full consideration by the incoming committee.

SOUTH AUSTRALIAN LACROSSE ASSN.

TREASURER'S
DIRECTORS REPORT FOR THE SEASON 1948.

I have pleasure in presenting to you this evening the Financial Report for the Season 1948, which shows a surplus of £192/18/8. Before making this report, however, I would like to advise of an error in the printed accounts presented to you. This shows Referees fares as £7.10.0. whereas it should have been £7.10.10.

This is the third season that the finances have been chiefly received by levies on players, and I feel quite convinced that this is the most satisfactory way. The amount received for levies was £185 as compared with £216 in the previous year. Registration fees, however, have shown an increase, being £46 as compared with £45. These are the chief revenues items of the Association. However, the charging at Finals and collections at matches played on ovals have shown good results, and an amount of £35 was received this year. Incidentally, it is the same as in the previous year. The nett income from the Annual Ball was only £104 and was much less than estimated, although it was not anticipated that the profit of £164 in the previous year would be received.

In view of the satisfactory results of this year the cost of the Lacrosse Sticks on hand was brought in at a figure to show no nett profit. The total actual expenditure of the Association for this year amounted to £222 as compared with £230 in the previous year. The amount paid out for Oval Hire was £53, being £3 less than in 1947.

Printing and stationery expenditure amounted to £53, and was considerably higher than in previous years. In fact it has increased considerably each year. This is now becoming a major item in our expenditure, and one that will have to be watched. It is very gratifying to report that such a large surplus of £192/18/8 has been made, but this has been chiefly due to the results of the Annual Ball.

This will enable us to adhere to our past policy of providing in advance funds for our next Carnival, and also building up a satisfactory credit for the purpose of purchasing School Boy Sticks when they become available again. The future progress of the Association is bound up with the school boys, and each year the number of sticks are decreasing alarmingly due to breakages, and those that are in use at present are in a bad state. An expenditure of several hundred pounds on Lacrosse Sticks for School Boys will, no doubt, have to be made at an early date if they are available.

The Balance Sheet presented to you this evening is in a very healthy state, and shows that we have £302 in the bank and £56 represented by stock of Lacrosse Sticks.
