President's Message

It is a very great pleasure to be writing this message for the 1983 Senior Championship to be held in Hobart. We are thrilled to see Tasmania hosting this event for the first time and would like to congratulate everyone concerned in the organisation. The A.W.L.C. expressly thank Tasmaid for the wonderful sponsorship and interest they have shown in our Australian Senior Championship.

The competition should be very interesting this year with an Australian team due for selection. Each year the standard becomes better and is an indication of why Australian Women's Lacrosse is of top world standard.

Wishing all competitors the very best.

M. Weatherill
President A.W.L.C.
