## LWA President Welcome Message

Welcome to West Australia and to the 2015 ALA Lacrosse National Championship

We are truly excited to host this event and it is my very pleasant duty as the President of LWA to take this opportunity to officially welcome all players, coaches, managers, support staff and all officials to Perth for 2015 ALA Lacrosse National Championship

On behalf of the LWA Board, I would like to acknowledge this year's tournament committee for their hard work and dedication, in particular Anna Forest and Doug George, President of Subiaco Lacrosse Club and Tournament Director respectively, and to thank the committee for all their work during the week to keep the tournament running to the high standard they have set themselves.

LWA encourages all players and supporters to take some time while here to look around Perth as this will make this tournament a very memorable visit, not just for the great lacrosse that will be played but also for the Perth experience.

Finally, I wish the competitors all the very best during the tournament week, may all the matches be played in true lacrosse spirit of competition and friendship. You are all wonderful lacrosse ambassadors and it is important that you share the love of this sport with friends so that the great game of lacrosse continues to grow.
