REFEREES PANEL: South Australia R. Anderson
Victoria G. Hillier
L. Morgan
N. O'Brien
D. Reyment
Western Australia L. Gaunt

As President of the Australian Lacrosse Council and president of the host state, it gives me great pleasure in extending a warm welcome to all lacrosse players and spectators to the 18th All Australian Championships.

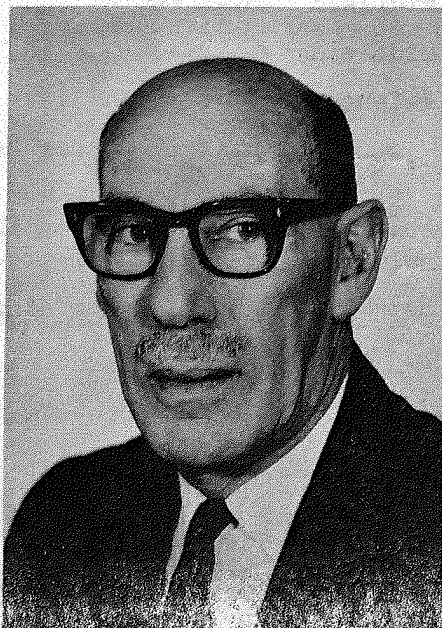

This is only the fifth time that Melbourne has been the venue since the Championships were first held in Adelaide in 1910. Previously, these Championships have been on a 3 year cycle, but in future will be held every two years. We hope this will lead to a greater mingling of all those interested in lacrosse, and improved promotion of a really great sport.

Last year, the first World Lacrosse Series was held in Toronto between four participating countries. The improving standards in Australian lacrosse which you will see this week, is due in no small way to our second placing to the U.S.A. in the World series.

During this week the ladies' associations will be holding the first 3 state series of women's lacrosse. We wish them well in their venture.

We thank Rothmans National Sports Foundation for sponsoring interstate referees to the Championships and thereby assisting the A.L.C. goal of uniform rules interpretation.

In conclusion, I hope all visitors have an enjoyable week. May the games be fast and fair and the best team win.

P.H.SHAPPERE
President
Australian Lacrosse Council
5th July, 1968.
