MESSAGE FROM THE PREMIER OF WESTERN AUSTRALIA, RICHARD COURT, MLA

On behalf of the Government and people of Western Australia, I extend a most warm welcome to all those attending the 2000 Respect Yourself Australian Lacrosse Championships.

To competing team members, officials, supporters and spectators alike, I convey my own personal greetings with best wishes for a most successful competition marked by the skills and enjoyment for which lacrosse has earned a worldwide reputation.

I congratulate the Wembley Lacrosse Club and all those who have been responsible for bringing this event to Western Australia where we have earned a reputation throughout the world for being efficient and friendly hosts for sporting events.

I am sure you will enjoy the friendship, hospitality and unique environmental attractions that are part of this western third of the continent and I hope you will return many times in the future to visit with us.

RICHARD COURT, MLA
Premier.

WELCOME FROM THE MAYOR OF THE TOWN OF CAMBRIDGE

On behalf of the Elected Members and residents of the Town, I extend a warm welcome to all players attending the 2000 Respect Yourself Australian Lacrosse Championship.

The Town of Cambridge has an excellent record of hosting Lacrosse Championships at Floreat Oval. It is a record that has been enhanced by the continuing support of the Wembley Lacrosse Club for competition at a State level.

I am sure the Club will once again prove to be a wonderful host and that visitors will find that the intense competition on the field will be matched only by the friendship and hospitality shown by the Wembley Lacrosse Club.

We offer our very best wishes to the teams competing and are confident you will achieve the highest standards of sportsmanship. We also offer our warm welcome to the officials and supporters accompanying the teams, and hope you enjoy your time in the Town of Cambridge.

ROSS J. WILLCOCK, JP
Mayor.

ALC ADDRESS

It is my great pleasure, on behalf of the Australian Lacrosse Council, to welcome all players, officials and supporters to Perth for the 2000 Senior National Championship.

The Championship represents the pinnacle of men's lacrosse competition in our lacrosse year. The very best players, coaches, referees and officials will participate in competition for the Garland McHarg Trophy in the National Championships.

This year each team will play the others twice in determining who will play off for the Garland McHarg and this, together with night games on Wednesday and Thursday, will give us an exciting week of Lacrosse. Our thanks are extended to the Western Australian Lacrosse Association and in particular the Wembley Lacrosse Club for their hard work and co-operation in staging the games and associated events.

Congratulations are extended to those participating. We trust that you will recognise the honour that comes with representing your State and will uphold that honour by competing with skill, determination and fair play. I hope that you will take this opportunity to extend existing Lacrosse friendships and to develop new ones. Past players will tell you that those friendships will extend long beyond your playing career. Good luck to you all.

LEIGHTON BEAMSLEY
President,
Australian Lacrosse Council Ltd.

WALA ADDRESS

On behalf of the WA Lacrosse Association I extend a cordial welcome you all to the first Australian Championships in the new century—the 2000 Respect Yourself Australian Lacrosse Championships. As befitting a new century, a completely new format is being used, with no President's Team and only one game per day. It will be interesting to review this new structure at the conclusion of the Championships, and I am confident that all parties will approach the event with a firm intention to make it a resounding success.

Australian championships bring together the cream of Australian lacrosse players, as well as the top people in all other aspects of our great game—coaches, officials and administrators. It also provides an opportunity for spectators to see the game of lacrosse at its best. I trust that you will all go away after the Championships with many treasured memories.

I would take this opportunity to thank the Wembley Lacrosse Club for accepting responsibility for the hosting of the event with the new format. Again I am confident that they will do their normal professional job by ensuring that everything runs smoothly and therefore the event will be a memorable and rewarding experience for all concerned.

DON RUDDERHAM
President,
Western Australian Lacrosse Association.

**WEMBLEY LACROSSE CLUBS
PRESIDENT'S WELCOME
2000 RESPECT YOURSELF AUSTRALIAN
LACROSSE CHAMPIONSHIPS**

Welcome to the '2000 Respect Yourself Australian Lacrosse Championships'. Wembley Lacrosse Club is proud to host the championships and fully expect these championships to foster not only strong competition but friendship amongst the state teams. We fully expect to continue to build upon our successful history of hosting Australian Championships due to the hard work and organisation of John Rose and his team.

For the first time in WA we will have Championship night games (June 8 and 9). The Western Australian Lacrosse Foundation (WALF) have provided lighting which gives us the opportunity to increase the exposure of lacrosse and also allows more people in the lacrosse fraternity to support our home team. I hope to see you all on Wednesday and Thursday nights.

As in past years these Championships have been made possible by the financial support of Healthways. We urge all players and spectators to remember the DrinkSafe message and if you are planning to drink alcohol during the Carnival, space your drinks with soft drink or water.

The Wembley Lacrosse Club would also like to thank the Town of Cambridge for their support throughout these Championships. The council have gone out of their way to assist with the smooth running of these Championships.

For those players selected to play for their state, best of luck, and may the best team win. For past players and officials, all the best for an enjoyable week and I hope you can all renew old acquaintances and relive memories from past Australian Championships.

For supporters, I think we're in for some great lacrosse!

GEOFF WHITE
President,
Wembley Lacrosse Club
